GENERAL COMMENT BY mcotter: Mon Dec 27 17:38:40 GMT 2021

Keeping the dome closed at this time in the event of precipitation.

It feels like it is going to snow.

WEATHER COMMENT: mcotter: Mon Dec 27 21:51:06 GMT 2021

Temp: 27.2f, Humidity: 28%, Pressure: 28.674in, Wind: 9mph from 182degs.

According to satellite images it looks like another large storm system is brewing just to the west and southwest of the Hawaiian Islands. Images show increasing high altitude

Cirrus bands making their way over the Big Island this afternoon with storm producing clouds trailing after in the evening.
