KCOR COMMENT BY lisapg: Fri Feb 11 20:07:49 GMT 2022

Socketcam had an error:

Brd0 circular acquisition error occurred

Brd1 circular acquisition error occurred

This occurred 10times before fixing. However, Kcor got into the wrong polarization state. Stopped and restarted Kcor in the correct state.

KCOR COMMENT BY lisapg: Fri Feb 11 20:24:03 GMT 2022

Kcor went into the wrong polarization state again; stopping data acquisition for a bit while we trouble shoot the beeping noise coming from the Kcor computer is and if it is a hard drive failure, which hard drive needs replacing.
