UCOMP COMMENT BY berkey: Wed Feb 23 19:52:25 GMT 2022

NUC change didn't work this morning, due to an unnoticed error when doing a git pull. Change has been applied on 20220223.195117.87.ucomp.10.fts and should be in place going forward.

GENERAL COMMENT BY lisapg: Wed Feb 23 21:21:39 GMT 2022

Will keep an eye on the wind as i can see spar shake a bit since we're currently facing the Southeast
