The Recycled Plastic Contour Bench by Frog Furnishings offers comfortable seating in three different lengths for your park, playground, or school, while being environmentally-friendly. Choose from lengths of 4-feet, 6-feet or 8-feet. It is made from eight 2-inch x 4-inch Resinwood slats, and has black heavy duty, powder-coated structural steel frames. This frame is sure to please as it is strong and resistant against weather exposure, resisting chipping or rusting. The top and bottom slats are bull-nosed (rounded) for your comfort. The seats are available in cedar, gray, or green. Custom colors are available for quantity orders. Heavy duty, zinc coated hardware is included with the Recycled Plastic Contour Bench, but stainless steel hardware is available. The bench comes with surface wedge anchors for mounting. The bench frame can either be surface mount or in-ground mounted.
