Scott Williams*, University at Buffalo, SUNY. *Why “Mathematicians of the African Diaspora”?*

February 2007 is the tenth birthday of the web site MAD (Mathematicians of the African Diaspora <http://www.math.buffalo.edu/mad/>).

Why should it exist? Why does it exist? Why did I create it? What should be its future? We respond to these questions. (Received September 12, 2006)
