

# Discover Top Talent with City Tech Graduates!

At City Tech, we recognize the invaluable asset that quality talent represents. Our commitment to experiential learning is ingrained in the core of every academic program we offer. Our students are not just learners; they are highly sought after for internships and employment opportunities.

Want to partner with City Tech?  
Contact the Office of Public Affairs and Partnerships at [partnerships@citytech.cuny.edu](mailto:partnerships@citytech.cuny.edu) or call 718-260-5564 for more information.

The Office of Public Affairs and Partnerships helps students and industry partners connect. Industry partners are consulted to determine their needs and how our students and faculty can meet them. After finding common ground, we work with the industry partner and City Tech community to develop and evaluate the partnership. The Office of Public Affairs and Partnerships serve as your gateway to accessing this exceptional talent pool.
