GET SUPPORT TO SUCCEED

Join a thriving scholarly community that offers personalized academic support in a welcoming environment.

A few of our programs...

The Office of **First-Year Programs** welcomes students into the City Tech college community, easing the transition to college and supporting academic success.

The **Student Success Center (SSC)** offers continuing students personalized guidance and resources as they progress through their degree programs.

The **Undergraduate Research Program** offers students opportunities to pursue independent research projects while benefiting from faculty mentorship and professional development.

The **Collegiate Science & Technology Entry Program (CSTEP)** supports transfer students from underrepresented populations and economically disadvantaged backgrounds.

Crear Futuros supports college access, retention, and increased graduation rate for Latinx students and others attending their first year in CUNY Schools.

CUNY EDGE provides CUNY students receiving public assistance with the academic, personal, and career advisement services they need to succeed.

Accelerate, Complete, Engage (ACE) provides a range of financial, academic, and personal support, including intensive academic advisement and career development, as well as tuition, textbook, and transportation assistance.

The **Percy Ellis Sutton SEEK Program** introduces students to the culture of higher education and provides services and resources intended to help students envision themselves as successful student learners.

- **In-Person & Online Tutoring**
- **Peer Support Programs**
- **Writing Center**
- **Counseling Services Center**
- **Study Abroad**
- **Student Clubs**
- **Theatreworks**

Accelerated Study in Associate Programs (ASAP) helps students earn their Associate degree as quickly as possible, with a goal of graduating at least 50% of students within three years or less.

The Office of **Veterans Support Services** assists students with admissions guidance, academic advisement, course registration, educational benefit applications/questions/certification processes, military tuition assistance information, and outside agency referrals.

The **Center for Student Accessibility** supports educational goals for enrolled students with disabilities through access, empowerment, resources, advocacy, collaboration and outreach, providing assistance in the areas of enrollment, academic advisement, tutoring, assistive technologies and testing accommodations.

The **Professional Development Center (PDC)** assists students and alumni with career readiness and facilitates connections with graduate students, alumni, employers, and organizations to create access and opportunities.

FROM THE CLASSROOM TO YOUR CAREER

115,000+ ALUMNI / 115,000+ STORIES

"City Tech has a lot to offer to students. It takes a village to shape us into the best version of ourselves, and **City Tech was my village**."

Amera-Rime Lulu

Communication Design '17	School of Technology & Design
Occupation:	Senior Art Director

College Activities: 4A's MAIP (Multicultural Advertising Intern Program); Art and Design Club; Advertising Club of New York Internship Program; National Society of Leadership and Success; *New Tech Times* Student Newspaper

Favorite Class: "Communication Design 1 exposed me to the various career options available for a graphic designer. It also showed me how design can be used to solve business problems and contribute to creating a better world around us."

Terel Watson

Legal Studies '12
School of Professional Studies

Occupation: Attorney

"I have the privilege of being a licensed attorney in New York. **I would not be where I am today without the Legal Studies education I received at City Tech.**"

College Activities: Student Government Association; Mock Trial Team; Law & Paralegal Studies Club; CUNY University Student Senate; National Society of Collegiate Scholars

Favorite Class: "In Legal Research 2, we learned how to analyze cases and use what we read to brief courts of law. My work in this class and with the Mock Trial Team set me on the path to continuing my education."

Christopher Navarrete

Professional and Technical Writing '19
School of Arts & Sciences

Occupation: Technical Writer & Digital Media Specialist

"**I loved my time at City Tech.** My major classes taught me more about myself, and I have used many of the skills I learned in my courses in my professional and personal journey."

College Activities: Emerging Scholars Program; Honors Scholars Projects; Honors Scholars Program Publications Internship; *New Tech Times* Student Newspaper

Favorite Class: "Writing with New Media showed me a new way to look at writing. Although the professor expected a lot from you, he would show immense patience and care with your work."
