CUNY ACE Upskilling Scholarships 2022-2023 | Find Your Success at City Tech

The CUNY ACE Upskilling Initiative at City Tech offers select *low cost and free trainings* to low income CUNY degree and non-degree students, alumni, and the broader New York City population, creating inclusive career pathways in-demand fields. Job placement assistance will be available for successful graduates. Click here to view eligible courses for 2022-2023. These scholarship trainings in high-growth industries encourage professional advancement for all New York City residents. **Note:** Only specified courses are eligible. Unless otherwise noted, courses are tuition based.

Apply Now **(Application Instructions)**

Select a program and complete the application google form below. After applying, you will be invited to an interview session. Applicants must complete the CUNY ACE Upskilling form to confirm eligibility. This program is for those with low incomes for whom he cost of tuition-based program is a hindrance to career advancement. If you are interested in applying as a tuition student, please contact Debra Salomon, dsalomon@citytech.cuny.edu.
