

The Organization of American States (OAS), through the Rowe Fund program, facilitates access to financial aid to **Opportunity Funds** participants admitted to universities in the United States.

For more information about financial assistance through the Rowe Fund, please contact the OAS – Rowe Fund (rowefund@oas.org /www.oas.org/en/rowefund).

The OAS Rowe Fund program helps citizens from Latin American and Caribbean countries finance their higher education or research in U.S. universities by granting **interest-free loans** of up to \$15,000 dollars. By financing a portion of their studies in the United States, the Rowe Fund helps students complete their education while at the same time fostering cultural diversity, friendship, and communication among the people of the Americas.
