Welcome to SFSC's Fall Schedule of Non-Credit Courses!

We're excited to present a diverse array of courses designed to provide you with valuable skills and opportunities. While these courses are not for credit, don't be misled—many of them lead to industry-recognized credentials, licenses, and employment opportunities.

Whether you're looking to enhance your business acumen, improve your computer skills, or dive into hands-on trades like construction and welding, we have the courses you need. Perhaps you're aspiring to become a certified welder or obtain your Commercial Driver's License (CDL). Did you know that SFSC offers comprehensive training in these fields? These programs can be your gateway to a rewarding career. For those interested in the sales sector, we offer pre-licensing training in real estate and insurance, giving you the foundational knowledge to jump start your career in these thriving industries.

We also recognize that every business has unique needs. If you have employees with varying skill levels, we can customize training programs specifically for your business to ensure everyone is equipped with the skills they need to succeed.

We're here to help you achieve your goals, whether it's gaining new skills, advancing your career with continuing education courses, or improving your business. Explore our fall schedule and find the course that's right for you!

Your success is our priority. Reach out to your Corporate and Community Education team today!

MARKETING

Designed for marketing professionals and those wishing to pursue marketing, these courses will teach you the principles of marketing and the technical elements of digital marketing.

People consume marketing through social, print, digital advertising, and promotions.

Marketing is woven into the work of every industry: from small to start-ups to corporate giants.

Marketing builds brand awareness, engages customers, increases sales and grows businesses.

Digital Marketing (ACE CREDIT®)

36-hours \$648 | Access Time: 730 Days

Topics covered in the course:

- Content Marketing
- Search Engine Optimization
- Paid Search/Paid Advertising
- Conversion Rate Optimization
- Digital Marketing Strategy
- Web Analytics
- Google Analytics
- Marketing Automation
- Social Media Marketing
- Mobile Marketing

Click on course title in orange to access the course.

Why Marketing Training?

Marketing skills are in high demand, but some managers are struggling to find talent. Many believe the rate of change has caused a marketing skills gap, making it difficult to find candidates with the technical, creative, and business proficiencies needed to succeed in today's digital marketing world. Most jobs based in office settings require a certain amount of marketing understanding. Designed for those looking to gain basic marketing knowledge, to those in marketing positions looking to brush up their skills, our Marketing courses prepare you for success.

Artificial Intelligence for Marketing Professionals

3-hours \$79 Access Time: 90 Days

Artificial Intelligence for Marketing Professionals examines the growing role of AI in marketing, covering key phases like rule-based AI, machine learning, deep learning, and generative AI. You'll learn how AI impacts marketing tasks such as persona development, SEO, and content personalization, while also exploring its benefits, challenges, and ethical considerations.

Insurance Agent or Adjuster

Work At Your Own Pace Online at SFSC.oltraining.com

2-15 Health and Life Insurance Pre-Licensing

\$154
60-hours | 3-months access
On Demand with Instructor

This course is designed to prepare a student to become a 2-15 Health and Life agent without the loss of production income and time. Work at your own pace with your instructor available via e-mail or telephone. Upon successful completion of this course, you will be eligible to sit for the state examination. This course is designed and taught to comply with the State requirements for the Health and Life (including Annuities and Variable Contracts) Agents (2-15) State Examination. (This course is geared to preparing you to get your 2-15 Health and Life Insurance license and is also usable for preparing for the 2-14 Life-only and 2-40 Health-only licenses. However, we also have pre-licensing courses available for those specific licenses.) You will gain immediate access to the course when purchased online through this catalog (using credit/debit or Paypal). A textbook is required, click on course to see required State study manual. To register, click course title above or visit sfsc.oltraining.com and search for course and other offerings.

2-20 Property & Casualty/ General Lines

\$390
200-hours | 6-months access
On Demand with Instructor

Six months access to OLT's NEW! 200-hour 2-20 General Lines (Property and Casualty) Pre-licensing course. This license is used to insure automobiles, watercraft, homes, commercial buildings, motorcycles, pets, and much more. It is also used to write errors & omissions, worker's compensation, and write bonds. It covers Property, Casualty, Surety, Marine, Health, and Miscellaneous Lines of Insurance.

- Work at your own pace with your instructor available as needed
- Your instructor answers questions online in forums, by email, via Moodle messaging, or by telephone.

This course is designed to prepare you to become a licensed insurance property and casualty agent without the loss of production income and time. This course complies with the State requirements for the General Lines Agents State examination. A textbook is required, click on course to see required State study manual. To register, click course title above or visit sfsc.oltraining.com and search for course and other offerings.

4-40 Registered Customer Service

\$360
40-hours | 3-months access
On Demand with Instructor

This 40-hour course is a Florida approved 4-40 designation course, which functions like a pre-licensing course (you must take it before getting your license). This course waives the State exam! Topics include Automobile, Property Insurance, Office Management, Inland Marine, Crime, Workers Compensation, General Liability, Health Insurance and State Law. Become a licensed insurance property and casualty customer representative without the loss of production income and time. Work at your own pace! Your instructor is available to answer questions by email or with a prior appointment by telephone. The 40 hours of this state-approved course are completely online, designed, and taught to comply with the State requirements for the 4-40 License. After completion of this course, you will receive a certificate of completion which allows you to apply to the Department of Financial Services for your license. Enrollment is for ninety (90) days which is three (3) months. To register, click course title above or visit sfsc.oltraining.com and search for course and other offerings.

4-40 to 2-20 Conversion Property & Casualty General Lines

\$360 | 40-hours

40-hours | 3-months access. On Demand with Instructor. This 40-hour pre-licensing course helps an insurance agent convert their 4-40, 0-55, or 20-44 license to a full 2-20 General Lines license (state exam required). It covers the following topics of instruction: Property and Liability Insurance Concepts, Personal Automobile, Homeowners, Dwelling & Related Coverages, Commercial Automobile, Property, General Liability, Package Policies, Worker's Compensation, and Crime. A textbook is required, click on course to see required State study manual. Review pre-requisites prior to enrolling. To register, click course title above or visit sfsc.oltraining.com and search for course.

6-20 Accredited Claims Adjuster

\$370 | 40-hours

40-hours | 3-months access. On Demand with Instructor. This 40-hour online course meets the educational requirement for the 6-20 Company/Independent All-Lines Adjuster license and is the first step toward the [3-20 Public Adjuster](#) license. It is a Florida approved pre-licensing course that waives the State exam for the 6-20 license. To register, click course title above or visit sfsc.oltraining.com and search for course.

Building a **Successful** Career in Real Estate

**A strong foundation is crucial to a successful career.
Embark on your real estate pathway at South Florida State College.**

Sales Associate

**Successfully Complete
63-Hours of Pre-license
Education**

To begin, you'll need to complete 63-clock-hours of pre-license sales associate education. After completing your course, you'll need to pass the real estate pre-license course final exam. SFSC offers in-person or online 24/7 at southflorida.edu/realestate.

Submit fingerprints

Next, you'll need to submit a background check and fingerprints to the Department of Business & Professional Regulation.

Complete the application

Apply for a Florida real estate salesperson license with the Florida Department of Business and Professional Regulation.

Pass the state exam

Finally, you'll need to pass the Florida Real Estate *Sales Associate* Exam with a passing score.

Get Hired!

Continuing Education

Florida requires licensed real estate sales associates to complete a 45-hour post-license education course within 24-months of receiving their license. The course is good for two years from the date of completion. SFSC offers this course online 24/7 at southflorida.edu/realestate.

Is Real Estate Right for You?

Real estate offers a rewarding career path for motivated individuals. While sales skills are indeed essential, being a natural salesperson isn't a strict requirement. Crucial skills include being an attentive listener, an effective communicator, and having a passion for the industry. Concerned about lacking expertise? Our pre-licensing courses ensure you're well-prepared to excel.

Here's why real estate might be your ideal career:

- ✔ **High Demand:** Job opportunities are on the rise.
- ✔ **Quick Entry:** Become a licensed agent in just 63 hours.
- ✔ **Affordability:** Training costs are reasonable.
- ✔ **Autonomy:** Control your growth and schedule.
- ✔ **Entrepreneurial Freedom:** Run your own business with broker support.
- ✔ **Unlimited Earnings:** Commission-based income offers great potential.
- ✔ **Dynamic Environment:** Enjoy daily variety and interactions.
- ✔ **Fulfilling Role:** Assist clients in significant decisions.
- ✔ **Flexible Schedule:** Manage your time effectively.
- ✔ **Networking Opportunities:** Connect with diverse individuals regularly.

Why select SFSC for Real Estate?

- ✔ **Simple registration**
- ✔ **In class or online courses**
- ✔ **Our face-to-face courses are taught by local real estate brokers who are actively engaged and highly experienced in our target market.**

Broker

**Gain experience as an active
Real Estate Sales Associate**

Hold an active sales associate license for at least 24-months out of the past five years.

**Successfully Complete
72-Hours of Pre-license
Education**

Complete 72-clock-hours of broker education. After completing your course, you'll need to pass the real estate pre-license course final exam. SFSC offers this course in-person or online 24/7 at southflorida.edu/realestate.

Submit fingerprints

Next, you'll need to submit a background check and fingerprints to the Department of Business & Professional Regulation.

Complete the application

Apply for a Florida real estate salesperson license with the Florida Department of Business and Professional Regulation.

Pass the state exam

Finally, you'll need to pass the Florida Real Estate *Broker* Exam with a passing score.

Continuing Education

The Florida broker post license courses are split into two 30-hour courses. All brokers must complete 60-hours in total of Florida real estate license renewal courses. The broker license renewal for Florida is normally within 18-24 months, from the date your real estate broker's license was issued. SFSC offers this course online 24/7 at southflorida.edu/realestate.

Broker Information

If you are interested in becoming a real estate broker in Florida, South Florida State College offers the pre-license broker course. To qualify for the State of Florida Real Estate Broker License, you must meet specific requirements set by FREC:

- Complete an approved 72-hour broker pre-license course with a minimum grade of 70%
- Pass the end-of-course Florida Real Estate Broker Exam with a minimum grade of 75%
- Hold an active sales associate license for at least 24 months within the past 5 years
- Be at least 18 years old
- Have a high school diploma or GED
- Obtain approval for your state application, including fingerprinting and a background check
- Pass the Florida state examination

After enrolling in the Florida real estate broker course, you are required to submit your real estate license application to the Department of Business and Professional Regulation. The application process includes submitting fingerprints, completing the necessary paperwork, and paying the relevant license fee.

Real Estate Exam Procedures

BEFORE MAKING A RESERVATION: Candidates are encouraged to read the candidate information booklet, found at www.myflorida.com/dbpr, before making an examination reservation. Candidates must apply to the Florida Division of Real Estate (DRE) for authorization before they may make an examination reservation. The fingerprinting ORI number is FL920010Z. Once the candidate's application has been approved by the DRE, Pearson VUE will send the candidate an official authorization letter. The candidate is then eligible to make an examination reservation.

MAKING AN EXAM RESERVATION: Candidates may call Pearson VUE Customer Care at 888-204-6289 to make an examination reservation. Customer Care is available Monday through Friday, 8 a.m.-11 p.m.; Saturday 8 a.m.-5 p.m.; and Sunday from 10 a.m.-4 p.m. (Eastern Standard Time). Phone reservations can be made up to and including the day you wish to sit for the exam, based on availability. Online reservations can be made at pearsonvue.com. No walk-in testing is permitted. After visiting the site, select Florida Real Estate and Appraiser, sign in, and choose South Florida State College as the testing site.

CHANGE/CANCEL POLICY: Candidates who wish to cancel or change an examination reservation may do so without penalty up to two calendar days before the examination. Candidates who are absent from or late for an examination, or who change or cancel their reservations without proper notice, will owe Pearson VUE the full examination fee. Absences may be excused due to illness, death in the family, etc. When registering for an exam on Pearson VUE and SFSC is not an option, that means the testing site is full. SFSC's Testing Center phone number is 863-784-7214.

EXAM CODES AND FEES:

Candidates must pay the examination fee at the time of reservation by credit card or electronic check. Candidates who cannot use these payment options should contact Pearson VUE to arrange to pre-pay the examination fee. Payment will not be accepted at the Testing Center. Examination fees are non-refundable and non-transferable.

Exam Name	Fee	Time Allotted
Real Estate Salesperson	\$36.75	3.5 hours
Real Estate Broker	\$36.75	3.5 hours
Real Estate Law	\$15.75	1.5 hours

WHAT TO BRING:

- Two forms of signature identification, one of which bears your picture, address that must match the name as provided to the Department of Business and Professional Regulation on the application for licensure, signature, and is government issued; this includes a driver's license, state identification card, passport, or military identification card. **YOU MUST BE PREPARED TO SHOW PROPER I.D. TO GAIN ADMISSION TO THE TEST SITE.** Student, employment I.D. cards, and photo-bearing credit cards are not acceptable as a picture-bearing identification.
- Certification of Pre-licensing Education Completion (sales and broker candidates only): If the original was mailed to the DRE with the authorization application, a photocopy should be brought to the Testing Center.
- Official authorization notice (not mandatory)

SCORE REPORTING: Candidates will receive an official, photo-bearing score report immediately upon completion of the examination.

RETAKE AN EXAM: Candidates who fail an examination must wait 24 hours to schedule another examination. Reservations may not be made at the Testing Center.

CONTACT INFORMATION: Candidates may contact Pearson VUE by:

Visiting the Pearson VUE website: pearsonvue.com or Calling Customer Care at (888) 204-6289

Once you have completed and passed your course exam, you will need to *submit fingerprints to the DBPR 5 days before submitting your license application.*

• Link to IdentGo:

Schedule your fingerprints <https://www.identogo.com/>

• Link to DBPR:

<https://www.myfloridalicense.com/intentions2.asp?chBoard=true&SID=&boardid=25&professionid=25A>

Your application will be considered incomplete if your fingerprints haven't been received by FREC by the time they start reviewing your application, so be sure to follow the timeline correctly!

You'll be enrolled in KnowledgeDNA™—an easy activity planning and tracking system to keep yourself accountable and on track to reach your goals.

Real Estate Accelerator Live Online \$299

A common misconception is that a new agent only needs licensing education in order to be successful. The truth is, there are strict limitations on what can and cannot be taught in a licensing course. What nearly all licensing courses lack is what Real Estate Accelerator provides. You've built a solid foundation for your new career by successfully completing your comprehensive licensing education. Now, you're ready to move to the next phase of your professional development. How do you build on what you've achieved? How do you start earning commissions as quickly as possible? Real Estate Accelerator has the answers. This live online course includes eight hours of intensive training followed by eight weeks of coaching and is designed to teach you the specific activities an agent needs to perform on a daily, weekly, and monthly basis in order to be successful in real estate. This program will arm you with business-building skills and critical operating activities utilized by the nation's most successful real estate agents. You will leave the program prepared to implement your plans and tools immediately in your real estate practice.

Full Throttle Coaching— Listings: Where the Real Money is OnDemand Course v1.0 \$69

IV Therapy / Local Anesthesia for Dental Hygienists

IV Therapy - \$325

Subject/ Code	Campus	Building/ Room	CRN	Dates	Days/Times
VHZ0604	Highlands	HSC 104	33966	July 30 – Aug. 2, 2024	T - F / 8 a.m. - 4:30 p.m.
VHZ0604	Highlands	HSC 104	TBA	TBA	TBA

This training program is recommended for LPNs who wish to fulfill the State of Florida 30-hour requirement for IV therapy training (following Board of Nursing rules as outlined in Chapter 64B9-12.005). This course is recognized by the Florida Board of Nursing and complies with all requirements regarding the LPN performance procedures for intravenous therapy.

Course prerequisite:

- Must be a licensed practical nurse (LPN) or a recent practical nurse graduate.

Textbook:

- The following book is required for the course: Phillip’s Manual of I.V. Therapeutics: Evidence-Based Practice for Infusion Therapy, 8th Edition.

To register, call 863-784-7405.

Local Anesthesia Administration for Dental Hygienists - \$1,000

This 60-contact hour course is designed to fulfill the requirements set by Florida Statute 466.017 for the administration of local anesthesia by dental hygienists. It serves as a certification course specifically for licensed dental hygienists in Florida.

- 30-hour online didactic component
- 14-hour observation component
- 16-hour evening clinical component

Course prerequisites:

- Copy of current Florida dental hygiene license
- Current CPR/BLS certification and purchase

Textbook:

Local Anesthesia for Dental Professional ISBN: 9780323073714 (required).

Other requirement:

Clinicals are required attendance at the Highlands campus in Building T1, Room 108. Clinical hours to be announced.

To register, call 863-784-7405.

Emergency Vehicle Operators Course - \$130

In-Person

Subject/ Code	Campus	Building/ Room	CRN	Dates	Days/Times
EMZ0296	Highlands	Public Safety Academy / CC101	26530	Jan. 8, 2025 plus a vehicle operators day	Wed. 8a.m. - 4 p.m. plus a 2nd day for behind the wheel.

This 16-hour course provides instruction on the proper operation of an emergency vehicle, specifically an ambulance. It meets or exceeds the State of Florida requirements ([FAC 64J-1.013](#)) for emergency vehicle operation. The course includes both classroom instruction and hands-on practical activities. To successfully complete the course, participants must pass both a written and a practical driving examination. A valid State of Florida driver's license and a minimum age of 18 are required for participation. A minimum of six students is needed to conduct the course.

For more information, contact Chris Fowler at Chris.Fowler@southflorida.edu or 863-784-7278. **To register, call 863-784-7278 for dates of the vehicle operation portion and all the details need to register.**

Advanced Cardiac Life Support (ACLS) - \$125

In-Person

Subject/ Code	Campus	Building/ Room	CRN	Dates	Days/Times
EMZ0205	Highlands	Public Safety Academy / CC101	TBA	Call 863-784-7278	TBA

This American Heart Association course is designed for all healthcare professionals and fulfills the requirements for license renewal and continuing medical education (CME). Participants will build upon their basic life support (BLS) skills with a focus on high-quality CPR. This 16-hour advanced course emphasizes the recognition and intervention of acute coronary syndromes (ACS), cardiac dysrhythmia, stroke, cardiac arrest, and immediate post-cardiac arrest care.

The course includes interactive learning stations to reinforce the importance of team dynamics and communication. Participants are required to have the most recent edition of the American Heart Association Advanced Cardiovascular Life Support textbook (2015 Guidelines) and complete the pre-test located inside the front cover. Upon successful completion, participants will receive a digital American Heart Association ACLS Card via email, valid for two years.

For more information, contact Chris Fowler at Chris.Fowler@southflorida.edu or 863-784-7278.

To register, call 863-784-7405.

Advanced Cardiac Life Support (ACLS) Renewal Course - \$100

In-Person

Subject/ Code	Campus	Building/ Room	CRN	Dates	Days/Times
EMZ0107	Highlands	Public Safety Academy / CC101	TBA	Call 863-784-7278	TBA

This American Heart Association course is designed for all healthcare professionals and meets the requirements for license renewal and continuing medical education (CME). Participants will enhance their basic life support (BLS) skills with a focus on high-quality CPR. This 8-hour renewal course emphasizes the recognition and management of acute coronary syndromes (ACS), cardiac dysrhythmia, stroke, cardiac arrest, and immediate post-cardiac arrest care.

The course includes learning stations to emphasize the importance of team dynamics and communication. Participants are required to have the latest edition of the American Heart Association Advanced Cardiovascular Life Support textbook (2015 Guidelines) and to complete the pre-test found inside the front cover. Upon successful completion, participants will receive a digital American Heart Association ACLS Card via email.

For more information, contact Chris Fowler at Chris.Fowler@southflorida.edu or 863-784-7278.

PATH TO WELLNESS

EMPOWERING INDIVIDUALS TO TAKE CHARGE OF THEIR HEALTH

DISCOVER ALTERNATIVE APPROACHES TO WELLNESS

South Florida State College's path to wellness offers a variety of courses aimed at enhancing and supporting health through integrative healing therapies and wellness techniques.

Many people today experience ongoing pressure without fully understanding or recognizing it. The notion of being "crazy busy" is often seen as a badge of honor, but it can have detrimental effects on your well-being. In the **Self-Care** course, you will gain an understanding of self-care and its relationship to your overall health. You will also learn simple strategies to combat stress and its negative impact on your body, enabling you to create your own self-care routines.

The **Mindfulness Meditation** course teaches you how to recognize when stress is beneficial and when it becomes detrimental. You will explore the concept of mindfulness meditation and its ability to alleviate stress. The main focus is to empower you to make more skillful lifestyle choices that effectively reduce stress.

The **Holistic Healing** course delves into the mind-body connection and energy healing. It explores the principles of alternative, holistic, and integrative medicine, which have deep roots in various healing traditions spanning thousands of years. Learn about the benefits of combining the external, physical, and technological advancements of medicine with the internal, nonphysical exploration of healing.

Emergency Management

<https://catalog.mindege.com/southflorida>

EMERGENCY MANAGEMENT

Emergency management is an expanding field, and emergency managers play a critical role in protecting communities at the local, state, and national levels.

Emergency management supports community efforts to mitigate against, prepare for, respond to, and recover from threats and hazards.

Emergency management is a critical and expanding field, and emergency managers are playing an increasingly vital role.

These workers will be needed across the whole community, including the private sector, the public sector, and all levels of government.

Emergency Management Courses:

- **AEM®/CEM® Prep Course (U.S. version)**
30-hours \$399 Access Time: 180 days
- **Introduction to Emergency Management in the U.S.**
10-hours \$199 Access Time: 180 days

Click on course title in orange to access the course.

Why Emergency Management Training?

In an age of growing threats—from cyber attacks to natural disasters—emergency managers are in increasingly high demand. Recent risks like wildfires, pandemics, and flooding all highlight the need for effective management before, during, and after a crisis. The world needs more emergency managers, and MindEdge wants to help you answer the call. Whether you are studying emergency management for the first time, preparing for a new career or job role in emergency management, or seeking to refresh their knowledge of foundational concepts, our Emergency Management courses are guaranteed to better prepare you for any threat or hazard that comes your way.

Building a **Successful Career** in Truck Driving

A strong foundation is crucial to a successful career.
Embark on your CDL pathway at South Florida State College.

Why select SFSC for CDL?

- ✔ Simple registration
- ✔ Smaller class size = more one on one with instructor
- ✔ Short-term training
- ✔ Hiring assistance
- ✔ Hands-on learning
- ✔ 3rd Party Tester for the State
- ✔ Simulator and fleet of Class A & B Vehicles, 10 speed & automatic
- ✔ Free tuition opportunities**

Free Tuition

**We partner with several programs that offer FREE TUITION to qualified applicants.

- ✔ Open Door Grant - apply at: southflorida.edu/opendoorgrant
- ✔ CareerSource Heartland - For those living in Highlands, Hardee, DeSoto, or Okeechobee, age 18 or older, and low income household.
 - 863-385-3672 ext. 1328
- ✔ Military and Veteran Benefits
 - 863-784-7128
- ✔ Panther Youth Partners - Serve those 24 years of age and under.
 - 863-784-7054
- ✔ Farmworker Career Development - Helps individuals and their households who worked in agriculture during the past two years.
 - 863-784-7166
- ✔ Vocational Rehabilitation - Helps those with disabilities get or keep a job.
 - 863-593-6261

CDL

Certified Drivers License

(To begin this journey, there are medical requirements and other processes to follow as outlined on page 2.)

Learner's Permit (CLP)

(Follow steps as outlined on next page.)

Entry Level Driver Training

(Type of training needed depends on current level of experience. See below to determine your training path.)

A. With Experience

Definition: Must have at least 160-hours of verifiable behind the wheel experience

- Training: Will need to take ELDT online training and 16 hours of in-person refresher to prepare for exam.

B. No Experience

Definition: No prior experience driving or some experience but unable to provide required verifiable BTW experience.

- Training: Will need to take 160 hours of training to prepare for exam.
(Class A with no restrictions on license)

Earn CDL

Successfully pass the State of Florida CDL exam

Get Hired

Stats from a local partner:

The average first year income is \$51,000 - \$60,000. Drivers receive 1.5 days off for every week they are out on the road (minimum three weeks out), so for three weeks they can stay home four to five days. Drivers that go back on the road in two or three days will earn a salary of \$60,000.

Employer Partnerships

Commercial License Permit (CLP), DOT Physical, & Drug Screen

**Steps to Enroll: Must follow the steps in the specified order.
A valid Class E driver's license is required to start the process.**

1

Step 1 - Tuition Assistance

Connect with SFSC at **863-784-7033** to discover available funding opportunities. If you meet the eligibility requirements, you may be able to attend for free.

2

Step 2 - Medical Requirement

(Email CDL@southflorida.edu a copy of your MedCard to let us know you completed step two)

Get a DOT physical examination for Commercial Drivers Medical Certification which is required prior to receiving your temporary driving permit. MediTest, 1350 E. Main St., Suite C1, Bartow, FL 33830. Call for appointment **863-533-7484**. Cost for SFSC students or prospective student is \$70. To get this rate, you must email CDL@southflorida.edu for a form. If using a different provider other than suggested, please make sure to ask if they are authorized to perform a DOT physical. Must be done by a provider that is authorized to do DOT physicals.

IMPORTANT: Do not take drug screening at this time. Drug test is done in step 5.

3

Step 3 - Earn CLP from DMV

(Email CDL@southflorida.edu a copy of your Permit to let us know you completed step three)

Successfully complete exam at DMV to earn your Certified Learner's Permit (CLP).

There are three parts to the DMV exam:

1st test is General Knowledge and it will cover Sections 1,2,3,11,12, and 13 of the handbook.

2nd test is Air Brakes and it will cover Section 5 of the handbook.

3rd test is Combination Vehicle and will cover Section 6 of the handbook.

Review the CDL Handbook which you can download to your phone or personal computer, [SECTION 1 \(fhsmv.gov\)](http://SECTION1(fhsmv.gov)).

Once you pass all three portions, you will obtain your Class A Certified Learner's Permit and it is valid for one year.

4

Step 4 - Clearinghouse

(Email CDL@southflorida.edu and let us know you completed step four)

Step 4 MUST be done prior to step 5. *Must wait 14 business days after permit issue date. Are you registered in Clearinghouse with your employer? If yes, skip this step and let us know. If you are NOT registered, click this link and register <https://clearinghouse.fmcsa.dot.gov/> follow the steps to create an account. Use your personal email, not recommended to use college or work email that may become inactive. Select language and create 12 character password (you will need to remember it). Select phone option in order to receive security codes when logging in. Enter security code sent to your phone, submit, agree and continue. Select Student Driver and click Register as a Student Driver as your role. Enter your contact information and select email as preferred contact method. Designate South Florida State College as your (C/TPA), select Report Violations and Report RTD Information and next. Enter current CDL Permit and then Verify. SFSC will run a query in Clearinghouse after SFSC receives your drug test results. Please accept our query when you receive notification. You must enter your Commercial License Permit (CLP) number and add South Florida State College as your C/TPA to finalize account setup. **It is IMPORTANT to complete this step PRIOR to getting your drug test.**

5

Step 5 - 10-Panel Drug Screening

(Email CDL@southflorida.edu and let us know you completed step five)

Get a DOT Drug screen. Please Read! MediTest, 1350 E. Main St., Suite C1, Bartow, FL 33830. Call for appointment at **863-533-7484**. Cost for SFSC students or prospective student is \$65. You will need a form from SFSC prior to drug screen. For the form, email us at cdl@southflorida.edu or stop by 200 US HWY 27 S., Avon Park. If you choose a different laboratory, make sure that they will send the results to a third party prior to screening. Results will need to be emailed to cdl@southflorida.edu. Any student that does not pass their drug screening will not be accepted into the CVD program. All fees paid at the time of screening are non-refundable.

6

Step 6 - Register in Employ Florida

(Email CDL@southflorida.edu and let us know you completed step six)

1. Go to www.employflorida.com in the browser bar. Under the Username and Password boxes, click on Not Registered?

2. Under Option 3 - Create a User Account, click on Individual.

3. You will be shown a Privacy Agreement explaining the specific uses of your information.

4. You will be asked to enter information starting with a Username and Password. Your Password must be at least 8 characters long and no more than 16 characters long, and must use at least one of each of these: uppercase letter, lowercase letter, number, and special character (options: # @ \$ % ^ . ! * _). No spaces are allowed.

5. All questions with an asterisk (*) are mandatory. For instructions, please read the captions to the right of the area you need to fill in.

If the instructions are not followed, entries will not be saved.

7

Step 7 - Contact SFSC

Contact SFSC Corporate Training at **863-784-7033** and touch base with a representative to make sure you are ready to register and pay for the course. Email: CDL@southflorida.edu.

8

Step 8 - ONLY for Refresher candidates: Must complete CDL Theory prior to skills and road training.

SFSC will email you the instructions and link to take the online course. Once you complete all quizzes and scored a minimum of 80%, email CDL@southflorida.edu to schedule your training that will prepare you for the CDL exam.

(In the 4-week class, theory training is included in course fee. Students receive login info on first week of class.)

Training Schedule

Ask us about hotel accommodations near the truck driving academy at a nightly fee of \$49.95.

TDZ0050	34426	July 28 - Aug. 22, 2025	M-F	8 a.m.—4:30 p.m.

This four-week course provides extensive and quality truck driving instruction to help you be the most successful driver on the road. SFSC offers the in-depth, hands-on truck driving experience sought by employers. SFSC also provides employment connections. Prior to beginning the training and exam, a Commercial Learner's Permit (CLP) from the DMV is required along with registering online with CDL clearinghouse and a DOT physical and drug screen (see steps on page 2). Cost includes tuition and two attempts at the CDL Class A exam. For more information, visit southflorida.edu/cdl. Must be fluent in English (speaking, reading, understanding), and must be 18+ of age to take the course. Scholarships are available for those who qualify for the training.

To register, call **863-784-7405**.

CDL Refresher Training and Exam: CLASS A, B or C

Business to Business ONLY! This is for businesses that need employees prepared for the state exam. The employee must have a minimum of a 160 verifiable hours behind the wheel. SFSC is a State of Florida-approved testing facility for the Commercial Drivers License (CDL) skills test, consisting of three parts: the state-mandated, pre-trip inspection, covering 170 parts of the vehicle that must be checked; the basic controls skills test; and the road course. Applicants who pass all three parts receive a Class A, B or C CDL. Participants may use their own vehicle/trailer or one provided by SFSC. The refresher training is a 33-hour program focuses on CDL theory and test preparation. Prior to beginning the training and exam, all steps on page two must be completed.

Training Fees for Refreshers: \$1,900 (CDL theory and 2-day test prep).

Testing Fees: Full exam (all 3 parts)—\$500; Partial exam—\$350. To schedule, call **863-784-7033**.

Let SFSC Help You and Your Business

Customized CDL Training for Your Business

[Click to view simulator video.](#)

SCAN ME

SFSC customized CDL training programs are designed to meet the specific needs of your business, ensuring that your drivers are not only qualified but also highly skilled and safe on the road. We work closely with your team to create a tailored training plan that covers everything from basic driving techniques to advanced skills required for your unique operations.

Why Choose Our CDL Training?

- **Tailored to Your Needs:** We design the training program based on your industry requirements, whether you're in logistics, construction, or another field that requires CDL-licensed drivers.
- **Real-World Simulations:** Our state-of-the-art CDL simulator offers a realistic driving experience in all weather conditions, various terrains, and complex scenarios like backing up and shifting gears. This technology allows your drivers to gain confidence and competence before they even hit the road.
- **Enhanced Safety:** By focusing on the specific challenges your drivers may face, our training helps reduce the risk of accidents and improves overall safety.
- **Efficient and Effective:** Customized training ensures that your team gets the exact skills they need without unnecessary time spent on irrelevant content.

Let us develop a training plan for you, **863-784-7033**.

English for the Profession

Learn and improve English skills to become prepared for the CDL training and exam

SFSC offers an ESOL course at no cost. This course will help you learn and improve your English skills and vocabulary that will prepare you for commercial vehicle driver training, the CDL exam, and an entry-level job in this field. Location, days and times vary; visit southflorida.edu/esol for the schedule. Select the time and location in Highlands or Hardee County that best fit your schedule and attend the first class. During this introductory class, the instructor will assist you with the registration process for the ESOL program.

Aprenda y mejore sus conocimientos de Inglés para obtener entrenamiento y pasar su exámen de CDL

SFSC ofrece clases de ESOL (Inglés como segundo lenguaje) sin ningún costo. Este curso le ayudará a aprender y mejorar sus conocimientos de Inglés, también a adquirir el vocabulario necesario para el entrenamiento y exámen de CDL y para obtener un trabajo de nivel de entrada en este campo. Hay diferentes ubicaciones, días y horas. Por favor visite nuestra página web para ver los diferentes horarios: southflorida.edu/esol. Seleccione los días y ubicación que mejor se adapten a su horario y asista a su primera clase en Highlands o en Hardee. Durante la primera clase el instructor lo asistirá con el proceso de matrícula para las clases del programa ESOL.

Principles and Practices of Welding - \$7,500 (Deadline to register is 30 days prior to start date) WLZ-0100

This program offers classroom instruction with hands-on laboratory experiences to teach students the principles of welding. The course is designed so students learn in a simulated work environment helping them become successful in several different areas of welding such as construction, fabrication, and shop manufacturing. Students are required to wear SFSC Welding uniform shirt, blue jeans, and safety shoes to every class. It is also required that students complete a 10-hour OSHA safety course before they may participate in lab activities. Upon completion of the 10-hour OSHA safety course, students will receive a certificate of completion and wallet size card. Students will be introduced to SMAW (stick), inert gas-shielded welding methods (MIG & TIG), Air Carbon Arc Gouging, Oxyfuel, and Plasma Arc Cutting, as well as a variety of hand and power fabrication tools. Upon completion, students have the opportunity to become an American Welding Society (AWS) FCAW (flux-core) 3G Certified Welder. Protective gear, three (3) SFSC Welding uniform shirts, basic welding tools, textbooks, 10-hour OSHA safety course, OSHA certified forklift operator course, and AWS Welder Certification fee is included in the cost of the course. Students will be responsible for purchasing ANSI Approved safety shoes (steel or composited toe boots) that must be worn during training. Call **863-784-7051** to discuss scholarship opportunities. To register, call **863-784-7405**.

Campus	Building/ Room	CRN	Dates	Days	Time
DeSoto	B 108	33861	May 8 - Aug. 31, 2024	M-S	8:30 a.m. - 4:30 p.m.
DeSoto	B 108	11114	Aug. 14 - Dec. 11, 2024	M-S	8:30 a.m. - 4:30 p.m.
DeSoto	B 108	26977	Jan. 8 - April 30, 2025	M-S	8:30 a.m. - 4:30 p.m.
DeSoto	B 108	34440	April 28 - Aug. 16, 2025	M-S	8:30 a.m. - 4:30 p.m.

Advanced Welding - \$7,500 WLZ-0101

The Advanced Welding course is designed to further enhance those that have completed Principles and Practices of Welding and obtained an American Welding Society (AWS) 3G Certification with the goal of achieving a higher welding certification. This program offers laboratory instruction with hands-on experiences to train in SMAW (stick), and inert gas-shielded welding methods (MIG, TIG, & FCAW), in the advanced 6G position. Students will also have the ability to enhance previously learned skills such as Air Carbon Arc Gouging, Oxyfuel Cutting, and Plasma Arc Cutting, as well as the use and safe practices of a variety of hand and power fabrication tools. Upon becoming proficient in FCAW welding students will have the chance to obtain an American Welding Society (AWS) 6G certification. Students are required to wear SFSC Welding uniform shirt, blue jeans, and safety shoes to every class. Protective gear, three (3) SFSC Welding uniform shirts, basic welding tools, and AWS Welder Certification fee are included in the cost of the course. Students will be responsible for purchasing ANSI Approved safety shoes (steel or composite toe boots) that must be worn during training. Call **863-784-7051** to discuss scholarship opportunities and eligibility into advanced program.

INTRODUCTORY COURSES

IN WELDING

Women in Welding - \$1,850

This woman only program offers classroom instruction and hands-on laboratory experiences to teach women the basics of welding. After developing basic Oxyfuel Cutting, SMAW (stick) and GMAW(MIG) welding knowledge in the classroom, you will cut, grind and learn basic welding techniques. Students will also use hand and power fabrication tools during weld preparation, repair, and metal finishing. Students are required to wear ANSI Approved safety shoes (steel or composited toe boots) that must be worn during training, blue jeans or cotton pants and safety shoes to every class. Welding tools (4.5-inch electric grinder, chipping hammer, and welding pliers) and protective gear (welding helmet, safety glasses, welding gloves, and welding jacket) are included in the cost of the course. Upon completion of the course students will receive a certificate of completion. This 40-hour class is limited to 6 female students. Call **863-784-7051** with questions regarding the course.

Ag Welding - \$1,850

The course is designed for farm workers interested in basic field welding and repair. This program offers classroom instruction and hands-on laboratory experiences to teach students the basics of welding for farmworkers. After developing basic Oxyfuel Cutting, SMAW (stick) and GMAW(MIG) welding knowledge in the classroom, you will cut, grind and learn basic welding techniques. Students will also use hand and power fabrication tools during weld preparation, repair, and metal finishing. Students are required to wear ANSI Approved safety shoes (steel or composited toe boots) that must be worn during training, blue jeans or cotton pants and safety shoes to every class. Welding tools (4.5-inch electric grinder, chipping hammer, and welding pliers) and protective gear (welding helmet, safety glasses, welding gloves, and welding jacket) are included in the cost of the course. Upon completion of the course students will receive a certificate of completion. This 40-hour class is limited to 6 students. Call **863-784-7051** with questions regarding the course.

Online courses for a career in **ADVANCED MANUFACTURING**

South Florida State College

COURSE FEATURES:

- 24/7 Access
- Books and Materials Included
- Certificate of Completion
- Payment Plan
- Student Advisors Included
- Industry Recognized Credentials

CNC Machinist

195-hours \$2,245

Prepare for various CNC positions including machine operator, lathe operator and mill operator while learning all the basic and skills necessary.

Composites Technician

100-hours \$1,995

Prepare for such jobs as fabricator, operator technician production associate and tem assembler.

Die Setter

100-hours \$1,695

Students learn the basics of stamping, press brakes and system motor controls, all skills that will help prepare them for a career in die setting.

Electrical Technician

120-hours \$2,845

(Tools Included)

Learn the math, inspection, safety, quality, automation and motor controls necessary to successfully become an electrical technician.

Engineering Technician

330-hours \$1,995

Prepare to become an engineering technician, a significant and important role in advanced manufacturing.

Maintenance Technician

250-hours \$3,095

Gain a thorough understanding of how machines and systems function to keep them running.

Manual Machinist

205-hours \$1,695

Students will learn workholding, math, inspection, safety and more.

Mechatronics

180-hours \$1,995

Learn math, inspection, safety, quality, electrical systems, automation, mechanical systems, fluid systems, rigging and welding.

Press Operator: Cold Stamping

100-hours \$1,495

Learn the skills necessary for cold press operating along with the basics of advanced manufacturing.

Press Operator: Hot Stamping

100-hours \$1,495

This program provides an intensive overview of skills necessary for hot stamping press work.

Process Technician

165-hours \$1,995

A process technician is involved throughout the manufacturing process, and this course teaches all the necessary skills.

Quality Inspector

100-hours \$1,995

Learn the required skills to be a quality inspector to ensure products being produced are meeting the quality standards for production.

Robotics Technician

155-hours \$1,695

Robotics are being used more than ever in production jobs. Learn the skills necessary to become a robotics technician to help keep these machines running at optimum levels.

Tool and Die Maker

160-hours \$1,995

From math fundamentals and basics to quality and manufacturing management, learn everything necessary to be successful as a toolmaking and die maker.

Toolmaker

160-hours \$1,695

This program provides an intensive overview of skills necessary for toolmaking.

Level up your career with advanced training courses you can complete online in just 3 to 18 months!

Online Course Disclaimer: The fees for online courses may vary. The tuition stated reflects the cost at the time the catalog was created.

In-Person Course Disclaimer: Students that are registered and paid will receive first priority for enrollment in the course.

Enrollment numbers must be achieved in order for course to be offered. All classes are subject to change. No refunds after class begins or for unsatisfactory grades.

Building a Successful Career in Construction

A strong foundation is crucial to a successful career.
Learn which path is right for you in the Construction Trades at South Florida State College.

Your Path. Your Way.

SFSC also offers Basic Home Repair courses for the Community and a Tiny House Build Project. Call for details.

* After completing the apprenticeship program, apply for and take the journeyman certification exam. Completers should contact their local government agency for specific testing details, fees, etc. In many counties, the certifications are issued by the local Construction Trades Qualifying Board. In Highlands County, visit the Highlands County Building Department.
**Free tuition for those who qualify. Short-term training doesn't require a college application or FAFSA.

Electrical or HVAC Apprenticeship Program

**Only 2
Evenings
per week**

**\$0
Tuition fees**

The only cost the students will incur are for textbook purchases.

**4 years to
complete the
program**

Advantages of Apprenticeship

- Earn a wage while advancing in the trade.
- Earn as you learn!
- Learn on the job from industry professionals
- Students attend two evenings per week
- Students also receive credit for on-the-job (OJT) hours

Program Requirements

- Participants must be at least 18 years of age with a high school diploma or GED
- Have reliable transportation to job sites and classes
- Be physically capable of performing essential functions of the trade
- Employed by an apprenticeship business partner.

**NOW HIRING INSTRUCTORS

BUILD A TINY HOUSE

IN THE CONSTRUCTION ACADEMY

TINY HOUSE PROJECT

Credential-Seeking Students

In 13 Weeks Earn:

- SFSC Certification
- NCCER Certification
- OSHA 10
- Basic Carpentry Tools (included with tuition)

TINY HOUSE EXPERIENCE

FREE WORKSHOP
Masonry
Plumbing
Electrical

GET HIRED!

Non-Credential Students

8 Weeks of Training:

- Open to the community
- Bring your own tools
- Safety equipment provided

TINY HOUSE EXPERIENCE

The course teaches the process of building a tiny house. Participants will learn essential skills like framing, insulation, roofing, and finishing techniques, with a focus on space optimization and durable construction. By the end, students will gain a deeper understanding of construction techniques.

Construction Careers Training Program

- 13-week carpentry program with hands-on experience, including a tiny house project.
- Graduates receive NCCER, OSHA credentials, and an SFSC Certificate.
- Free electrical, masonry, and plumbing workshops available.

Participation and Scholarships for Career Programs

- Eligible students can join for free through scholarships.
- Classes: Monday - Wednesday, 8 a.m. - 5 p.m.
- Contact SFSC at **863-784-7008** for registration and scholarship details.

Non-Credential Tiny House Building Course

- 8-week course every Tuesday, 9 a.m. - noon for \$200.
- Safety equipment provided; bring personal tools.
- Register at **863-784-7405**.

IT'S POSSIBLE

- ✓ Free tuition for those who qualify
- ✓ Short-term training
- ✓ Hiring assistance
- ✓ OSHA safety certification
- ✓ Hands-on learning

Schedule for the Construction Trades

Become NCCER Certified!

- Electrical
- Carpentry and Roofing
- Plumbing
- Masonry

Basic Construction Electrical - \$3,915

BCZ 0102

This certificate based course combines classroom instruction with hands-on training experience to teach the student the basic fundamentals of electric work, while learning employability skills. Students will receive instruction on how to write resumes, cover letters, and how to handle job interviews. The classroom instruction provides the students with the knowledge needed to calculate materials, do basic electrical repairs, install electric outlets and switches, wire series, parallel, and parallel series circuits. Students will also gain the knowledge of the vocabulary used in the electrical trade. Students will receive hands-on instruction in the use of hand and power tools, construction methods, and basic electrical techniques. The OSHA 10-hour construction industry safety course is included in cost of course. Students will receive a tool belt with basic hand tools as part of their tuition. Students will be responsible for purchasing safety toed boots (ANSI approved) and must wear during training. Upon successful completion of this course, students will be able to use a multi-meter, replace switches, and outlets, run basic circuits, change circuit breakers. To register, call **863-784-7405**.

Campus	Building/ Room	CRN	Dates	Days	Time
Crews	0105	10961	Sept. 3 - Dec. 6, 2024	M-F	8 a.m. - 5 p.m.
Crews	0105	27061	Feb. 3 - May 7, 2025	M-W	8 a.m. - 5 p.m.

Basic Construction Carpentry and Roofing - \$4,240

BCZ 0100

Campus	Building/ Room	CRN	Dates	Days	Time
Crews	0106	27180	Feb. 3 - May 7, 2025	M-W	8 a.m. - 5 p.m.

This certificate based course combines classroom instruction with hands-on training experience to teach the student the basic fundamentals of carpentry and roofing while learning employability skills. Students will receive instruction on how to write resumes, cover letters, and how to handle job interviews. The classroom instruction provides the students with the knowledge needed to calculate materials, transfer measurements from paper to project, and recognize different various materials used in carpentry and roofing. Students will receive hands-on instruction in the use of hand and power tools, construction methods, and basic roofing techniques. The OSHA 10-hour construction industry safety course is included in cost of course. Students will receive a tool belt with basic hand tools as part of their tuition. Students will be responsible for purchasing safety toed boots (ANSI approved) and must wear during training. Upon successful completion of the course, students will be able to install roof shingles, frame walls, repair, and install drywall. For information, call Fred Hayes at **863-784-7008**. To register, call **863-784-7405**.

Intermediate Construction Carpentry and Roofing - \$4,240

BCZ 0101

The pre-requisite for this course is Basic Carpentry/Roofing. This certificate-based course combines classroom instruction with hands-on training experience to teach the student the next level of fundamentals of carpentry and roofing while learning employability skills. The classroom instruction also provides the students with the knowledge needed to do material take-offs, read and interpret blue prints, and recognize different various materials used in carpentry and roofing, drywall installation and finishing, window and door installation, interior and exterior trim, and much more. Students will gain added instruction on how construction crews work as a team and the responsibilities of each member. Upon successful completion of the course, students will receive a certificate of completion from SFSC and NCCER. For dates, times, and other information, call Fred Hayes at **863-784-7008**.

Construction

Check out the Tiny House Build

Basic Construction Plumbing - \$4,018

BCZ 0104

This certificate based course combines classroom instruction with hands-on training experience to teach the student the basic fundamentals of plumbing, while learning employability skills. Students will receive instruction on how to write resumes, cover letters, and how to handle job interviews. The classroom instruction provides the students with the knowledge needed to calculate materials, do basic plumbing repairs, install plumbing fixtures, and recognize different various materials used in plumbing. Students will receive hands-on instruction in the use of hand and power tools, construction methods, and basic plumbing techniques. The OSHA 10-hour construction industry safety course is included in cost of course. Students will receive a tool belt with basic hand tools as part of their tuition. Students will be responsible for purchasing safety toed boots (ANSI approved) and must wear during training. Upon successful completion of this course, students will be able to join PVC pipe, install plumbing fixtures, and perform basic plumbing repairs. For dates, times, and other information, call Fred Hayes at **863-784-7008**.

Basic Construction Masonry - \$3,638

BCZ 0103

This certificate based course combines classroom instruction with hands-on training experience to teach the student the basic fundamentals of masonry, while learning employability skills. Students will receive instruction on how to write resumes, cover letters, and how to handle job interviews. The classroom instruction provides the students with the knowledge needed to calculate materials, understand the different types of blocks and their uses, vocabulary used in the trade, and recognize different various methods of brick laying and concrete installation. Students will receive hands-on instruction in the use of hand and power tools, construction methods, and basic masonry techniques. The OSHA 10-hour construction industry safety course is included in cost of course. Students will receive a tool belt with basic hand tools as part of their tuition. Students will be responsible for purchasing safety toed boots (ANSI approved) and must wear during training. Upon successful completion of this course, students will be able to set concrete forms, mix the proper mortar to be used, and basic block laying and concrete work. For dates, times, and other information, call Fred Hayes at **863-784-7008**.

Handyperson Academy for Home Repairs - \$875

BCZ 0105

Campus	Building/ Room	CRN	Dates	Days	Time
Crews	0105	T.B.A.	T.B.A.	T.B.A.	T.B.A.

Check out SFSC's Handyperson Academy for home repairs! You will learn how to lay out a stud wall; drywall installation, finishing, and repair; how to install a door and window. Electrical: how to run a branch circuit, how to change an electrical outlet and switch, how to change a circuit breaker in a residential service panel. Plumbing: Measure, cut, and join PVC pipe for plumbing jobs, how to replace faucets, how to replace toilet filler mechanisms. Masonry: learn how to mix, pour, and finish concrete. You will learn how to install roof shingles and do minor roof repairs. You will learn safety tips, power and hand tool operations. To register, call **863-784-7405**.

Tiny House Build - \$200

BCZ 0107

Campus	Building/ Room	CRN	Dates	Days	Time
Crews	0107	11167	Sept. 10 - Oct. 29, 2024	T	9 a.m. - noon

Heating, Ventilation, and Air Conditioning (HVAC)

EPA 608 Refrigerant Exam - \$50

EPA regulations (40 CFR Part 82, Subpart F), under Section 608 of the Clean Air Act, require that technicians who maintain, service, repair, or dispose of equipment that could release ozone depleting refrigerants into the atmosphere must be certified. Starting on January 1, 2018, this requirement also applies to appliances containing most substitute refrigerants, including HFCs. Technicians are required to pass an EPA-approved test to earn Section 608 Technician Certification. The tests are specific to the type of equipment the technician seeks to work on. Tests must be administered by an EPA-approved certifying organization. Section 608 Technician Certification credentials do not expire. This exam is offered every semester and times vary.

To schedule, call **863-784-7117**.

Become a Certified Fiber Optic Technician

Certified Fiber Optics Bootcamp

South Florida State College has partnered with BDI DataLynk to facilitate training courses for anyone interested in becoming a certified fiber optics technician. Join us at the Highlands Campus for a comprehensive bootcamp that combines hands-on activities with essential theory to prepare you for a career in fiber optics.

Certified Fiber Optics Technician (CFOT) - \$995*

BCZ 0109

Campus	Building/ Room	CRN	Dates	Days	Time
Highlands	UC 0108	27177	Feb. 10 - 12, 2025	M-W	Mon. & Tues. 8a.m. - 5 p.m. Wed. 8 a.m. - noon
Highlands	UC 0108	34540	June 16 - 18, 2025	M-W	Mon. & Tues. 8a.m. - 5 p.m. Wed. 8 a.m. - noon
Highlands	UC 0108	T.B.A.	Nov. 3 - 5, 2025	M-W	Mon. & Tues. 8a.m. - 5 p.m. Wed. 8 a.m. - noon

This introductory three-day fiber optic tech course is designed for anyone interested in becoming a Certified Fiber Optic Technician. This Fiber Optic Training combines theory and 85% hands-on activities to prepare the student to take the CFOT (Certified Fiber Optic Technician) test that is sanctioned by the FOA (Fiber Optics Association) and given and graded the final class day. The student must pass both the written and hands-on exams to successfully pass this course. Course fee includes all books, study materials, exams and one-year membership to the FOA.

To register, call **863-784-7405**.

Certified Fiber Optics Specialist In Testing and Maintenance (CFOS/T) - \$895*

BCZ 0110

Campus	Building/ Room	CRN	Dates	Days	Time
Highlands	UC 0108	27179	Feb. 12 - 13, 2025	W,R	Wed. 1 - 5 p.m. Thurs. 8 a.m. - 5 p.m.
Highlands	UC 0108	34538	June 18 - 19, 2025	W,R	Wed. 1 - 5 p.m. Thurs. 8 a.m. - 5 p.m.
Highlands	UC 0108	T.B.A.	Nov. 5 - 6, 2024	W,R	Wed. 1 - 5 p.m. Thurs. 8 a.m. - 5 p.m.

This two-day course is designed to offer advanced training to anyone involved with the testing and maintenance of fiber optics networks. This comprehensive course explains the variety of testing standards, equipment and technological approaches used in fiber network testing and splicing and how to choose among them. Along with chapter tests, class discussions and substantial hands-on activities, the Specialist Fiber Optics Certification Test (both written and practical) is given and graded at the end of the class. Students will receive a Certificate of Completion at the end of the program.

Prerequisite: Students are encouraged to register for all courses being offered with the understanding that the CFOT course must be successfully completed prior to attending any of the other subsequent courses. Students MUST have successfully passed the basic fiber optic training course (CFOT) within the preceding 12 months or have renewed their FOA membership within that time frame prior to attending the CFOS/T.

To register, call **863-784-7405**.

Certified Fiber Optics Splicing Specialist (CFOS/S) - \$995*

BCZ 0111

Campus	Building/ Room	CRN	Dates	Days	Time
Highlands	UC 0108	27178	Feb. 14, 2025	F	Fri. 8 a.m. - 5 p.m.
Highlands	UC 0108	34539	June 20, 2025	F	Fri. 8 a.m. - 5 p.m.
Highlands	UC 0108	T.B.A.	Nov. 7, 2025	F	Fri. 8 a.m. - 5 p.m.

This one-day advanced specialist fiber optic course includes a complete PowerPoint presentation explaining the importance of high performance splicing and further details the points necessary to achieve these splices. The depth of this presentation is much greater than most textbooks and provides background information about splicing that is very important to the student. The CFOS/S test is given and graded at the end of the class. A hands-on practical exam is given to insure student is proficient in installing and making mechanical and fusion splices according to industry standards.

Prerequisite: Students are encouraged to register for all courses being offered with the understanding that the CFOT course must be successfully completed prior to attending any of the other subsequent courses. Students MUST have successfully passed the basic fiber optic training course (CFOT) within the preceding 12 months or have renewed their FOA membership within that time frame prior to attending the CFOS/T and CFOS/S courses. There are no exceptions. To register, call **863-784-7405**.

Can't make it to the upcoming class? Check back for more information on future bootcamps.

LEED Green Building

<https://catalog.mindedge.com/southflorida>

LEED GREEN BUILDING

LEED is an established, growing and high-demand category for continuing education.

LEED stands for Leadership in Energy and Environmental Design.

Evaluate the environmental performance of a building and see the impact its operations have on its surroundings.

LEED is the most widely used green building rating system in the world.

LEED Green Building

14-hours \$299 | Access Time: 180 Days

Learning Outcomes

- Understand the structure and requirements of the LEED Green Associate Exam.
- Explain and apply the key concepts found in the LEED rating systems.
- Differentiate green building practices and their associated environmental, economic, and social benefits.
- Begin your preparation to earn your LEED Green Associate accreditation with confidence.

Click on course title in orange to access the course.

Why LEED Green Building Training?

Obtaining a LEED professional credential signals that an individual is a leader in environmentally friendly and sustainable design. Perfect for those in architecture, contracting, construction, and engineering, our courses give you the tools you need to obtain your LEED® Green Associate v4™ accreditation.

SOLAR TECHNOLOGIES

Advanced Career Training

South Florida State College

Solar is a fast-growing industry, and the cost of solar panels continues to fall. Solar Photovoltaics (PV) is a great focus for anyone interested in working in an in-demand field.

NABCEP PV Associate - 40-hours | \$1,095

Take the first step toward earning an internationally recognized solar certification. This training program will instantly qualify you to sit for the PV Associate exam offered through the North American Board of Certified Energy Practitioners (NABCEP).

NABCEP PV Design Specialist - 40-hours | \$1,395

Become a Certified Solar PV System Designer with this NABCEP PV Design Specialist training program by Everblue. This NABCEP-approved curriculum aligns perfectly with the educational prerequisites to sit for the NABCEP PVDS exam and provides an in-depth analysis of solar PV system design considerations.

NABCEP PV Installation Professional - 70-hours | \$2,195

Become a certified solar panel installer with this NABCEP PV Installation Professional training program by Everblue. This NABCEP-approved curriculum aligns perfectly with the educational prerequisites to sit for the NABCEP PVIP exam and provides an overview of installation, design, sales, and safety concepts.

BUILDING INFORMATION MANAGEMENT

South Florida State College

Blueprint Basics and SketchUp

Blueprint Reading Basics 30-hours | \$795

Learn how blueprint drawings are organized and how information is referenced throughout a set of construction blueprint drawings.

SketchUp Pro Basics 60-hours | \$1,495

Learn the fundamentals of SketchUp to create individual 3D models, components, topography, and landscaping in a series of professional projects.

Fundamentals of Blueprint Reading and Construction Estimating 50-hours | \$1,195

Learn how blueprint drawings are organized and how information is referenced throughout a set of construction blueprint drawings. Demonstrate an understanding of the inter-relationship between the construction drawings and a quantity-takeoff cost estimate.

AutoCAD

AutoCAD Basics 60-hours | \$1,595

This course will introduce you to the fundamentals of using AutoCAD for Computer-Aided Design (CAD). Create drafting symbols, kitchen and bath fixtures, a floor plan, and bring everything together on a deliverable printed sheet.

AutoCAD Certification Training 140-hours | \$2,995

The skills learned are state-of-the-art professional workflows and prepare you for the Autodesk AutoCAD User certification exam.

Civil 3D Certification Training 150-hours | \$2,995

This course is a hands-on, real-world, project-based course designed to teach you the fundamentals of AutoCAD and Civil 3D. It prepares you to develop intermediate-level Civil 3D skills and create a set of construction documents.

Intermediate Civil 3D Training 90-hours | \$2,295

This is a hands-on, real-world, project-based course designed to teach you the fundamentals of AutoCAD and Civil 3D. Prepare to develop intermediate-level Civil 3D skills and create a set of construction documents.

Revit

Revit Basics 60-hours | \$1,595

Revit is the world's-leading Building Information Modeling (BIM) software program. In this BIM course, you will start at the beginning. The Revit Basics course is an introduction to the use of Revit and its involvement in Building Information Modeling (BIM).

Revit Certification Training in Architecture 140-hours | \$2,995

The Revit Architecture Professional course is a comprehensive online training course that covers fundamental and intermediate BIM concepts.

Revit MEP Certified Professional 140-hours | \$2,995

The Revit MEP Certified Professional course provides hands-on online training for careers in mechanical, electrical, and plumbing (MEP). Begin with Revit and BIM basics, then move to MEP-specific tools and workflows.

Revit Structure Certified Professional 140-hours | \$2,995

The Revit Structure Certified Professional course helps you develop skills critical for a career in the structural engineering field.

Hardee	B/0104	27258	July 25, 2025	F	8 a.m. - 5 p.m.

Personal Enrichment Courses at SFSC

At SFSC, we provide a diverse selection of personal enrichment courses, workshops, hobbies, and special programs aimed at improving your quality of life and expanding your skillset. Whether you're eager to explore a new hobby or learn something new, our classes are tailored to suit a variety of interests.

Course Formats and Offerings

Our classes are available in both face-to-face and online formats, although not all classes are available in both formats. We offer a diverse selection of topics, including:

- Specialized art instruction (e.g., clay sculpting)
- Conversational Spanish
- Computer classes
- Healthy living
- Digital photography

Much more!

Specialized Programs/Courses

The Lifetime Learners Institute (LLI) at South Florida State College offers engaging, non-credit educational sessions that encourage the exchange of ideas and experiences in a dynamic, collegiate atmosphere. Perfect for those seeking short-term learning opportunities in a vibrant community setting. (Schedule will be available the week prior to Thanksgiving.)

Costs and Duration

The cost of our Community Education classes varies based on the length of the program and the materials required. We strive to provide affordable and accessible learning opportunities for everyone. Explore our courses today and discover new ways to enrich your life with SFSC!

Online Course Disclaimer: The fees for online courses may vary. The tuition stated reflects the cost at the time the catalog was created.

In-Person Course Disclaimer: Students that are registered and paid will receive first priority for enrollment in the course.

Enrollment numbers must be achieved in order for course to be offered. All classes are subject to change. No refunds after class begins or for unsatisfactory grades.

- Learn for Fun
- Unleash Your Creativity
- Discover New Hobbies

Why Personal Enrichment Training?

While often pushed aside for overtime work, family responsibilities, or streaming services, hobbies are important for the well-being of each individual and should be prioritized. Our Personal Enrichment courses give learners the opportunity to explore new interests writing books, writing for yourself, or gardening. Maybe they'll even inspire you to pick up an old hobby you left behind. Take the opportunity to learn something new and reignite the love for learning we all have inside of us.

Explore the basics of writing poetry, children's books, or memoirs to spark creativity, fuel passion, and develop a rewarding lifelong hobby. Discover other hobbies to explore as well!

Computers, Software, Smartphones, and Tablets

Our in-person courses are designed specifically for beginners stepping into the tech world, focusing on computers, software, smartphones, and tablets. We understand that many people receive electronic devices as gifts to help them stay connected with friends and family, but navigating this new technology can be overwhelming. Our classes provide a welcoming and supportive environment where participants can learn the basics at their own pace. From setting up a device and understanding essential functions to exploring useful apps and online safety, we cover everything needed to build confidence and stay connected in today's digital age.

Basic Home Computer I - \$20

Our "Introduction to Computer Basics" course is perfect for beginners looking to gain confidence with technology. You'll learn how to turn on a computer, use the mouse and keyboard, explore key internal components, and navigate your desktop with ease. We'll guide you through managing files and folders, customizing your computer settings, and understanding essential applications. Additionally, you'll discover how to search your computer efficiently, connect with peripheral devices, and safely explore the internet. Join us to master the essentials and feel empowered in the digital world! Bring your laptop or a loaner will be provided. To register, call 863-784-7405.
