

TRANSFER PATHWAY GUIDE 2024-2025

Associate in Arts to Bachelor of Science in Digital Media Design

Overview

Completion of the following curriculum will satisfy the requirements for an Associate in Arts at the Kentucky Community and Technical College System and leads to the Bachelor of Science degree in Digital Media Design at the University of Kentucky.

Admission Requirements

Digital Media Design is a selective admission and competitive program. Completing this pathway does NOT guarantee you acceptance into the program. Students interested in this major must both apply as an undergraduate student AND submit a successful application to the program before they can declare the major. A faculty committee will review applications and admit students into the program. The minimum high school or college/university GPA and minimum ACT score will fluctuate depending on the number and quality of the other applications in a given application cycle. This is a competitive program and standards will vary during each application cycle.

Students must have earned at least a letter grade of C in each of the pre-major foundation courses or their equivalencies to progress to major status: A-S 101, A-S 102, A-S 130, A-S 200, A-S 285, A-H 101, and one additional course from approved list.

KCTCS students planning to transfer to the University of Kentucky should work closely with a UK Transfer Advisor each semester to ensure that both KCTCS and UK degree requirements are met.

Degree Requirements

Students can transfer a total of 67 credit hours from a two-year institution. Additionally, 30 of the final 36 credit hours earned toward a UK degree must be completed at UK. To graduate, students must maintain a 2.0 cumulative GPA and complete 120 total credit hours.

General Transfer Requirements

All prospective transfer students are encouraged to receive advising from the University of Kentucky Transfer Center. Appointments are offered online and in-person, and can be scheduled online at <https://www.uky.edu/admission/transfer-advising>.

Additionally, we recommend reviewing the transfer admission requirements (<https://www.uky.edu/admission/transfer-requirements>) and the Frequently Asked Questions (<https://www.uky.edu/admission/transfer/frequently-asked-questions>) on our website: <https://www.uky.edu/admission/transfer>.
