Dense smoke from a farm that was burning hay reduced visibility to less than 30 feet over portions of Interstate 65 near mile marker 227 leading to three separate collisions involving 20 cars between 6:00 AM CST and 6:18 AM CST. Four injuries and one fatality were reported. The first collision occurred on the northbound side when two semi-trailers wrecked causing a chain reaction involving a total of 12 vehicles. One passenger was killed and one was airlifted in serious condition. Less than half a mile away in the southbound lanes, six vehicles were involved in an accident. A third accident occurred in the southbound lanes involving two cars. Three people were injured.
