Volunteers needed for Big Blue Move-In

Join us for the biggest Big Blue Move-In event in University of Kentucky's history! This August, we are expecting nearly 7,000 first-time freshmen and transfer students to kick off their UK journey by moving into our residence halls.

Big Blue Move-In will span from August 18th to 21st, running from 9 a.m. to 4 p.m. We are counting on your support to welcome our students, their families, and friends. Together, let us ensure their move-in experience is nothing short of exceptional.

The Big Blue Move-In planning team is on the lookout for enthusiastic individuals to step up as an Area Leader or Building Leader. An Area Leader serves as the main point of contact for their designated area, liaising with the Emergency Operations Center (EOC) and ensuring smooth coordination of operations. Building Leaders take charge of the operations within an individual residence hall, ensuring that everything is set up at least one hour before the first move-in appointment and coordinating with the Area Leader regarding any changes communicated by the EOC.

If you are interested in taking on one of these crucial roles, please sign up for your shift(s) here. Please be aware that Area Leaders are required to work a full day, while Building Leaders are expected to work either a half or full day. For inquiries, feel free to contact us directly at UKmovein@uky.edu.

Not keen on leading a team? No problem! There are plenty of other volunteer opportunities available, from managing traffic flow to assisting with unloading vehicles and moving carts. Whether you are an individual or part of a group, there is a role for everyone who wants to contribute to making Big Blue Move-In a success and leaving a lasting impression on our new students and their families. Find out more about how you can get involved by visiting <https://wildcatliving.uky.edu/big-blue-move-volunteers>.
