Application Checklist for Homeschooled applicants to Brock University

Due to the extensive assessment process often required for homeschool applications, we encourage you to submit your application and required documentation well before the June 1 deadline.

Documentation required for an admissions assessment:

Transcript of Grade 11 & 12 marks (*three Grade 12 courses must be completed at time of application*)

Your transcript must include: your name, OUAC reference number, and a list of all Grade 11 & 12 courses completed or in progress. A course code, mid-term/final grade, credit value and date completed (or expected) must also be included for each course (if the information is available).

Course Outlines for all Grade 12 courses

Course outlines must include: course code, course title, curriculum offering the course (i.e. Tree of Life), textbook used, course description (identify the key concepts students should take away from the course), assessment plan (how students are assessed in the course and what grading scale is being used for assessment), and a schedule of activities (what topics/activities/assignments are students completing in this course).

Brief letter written by you (applicant) indicating the curriculum(s) your courses are following (i.e. provincial curriculum, Tree of Life, etc.)

Supplementary admission documentation (if required)

Ontario applicants only: Documentation proving you have completed (or will complete by the end of June) 40 hours of community service

Additional documentation (optional):

Standardized test results (i.e. SAT, ACT)

Royal Conservatory of Music examination results

Advanced Placement (AP) examination results

International Baccalaureate (IB) examination results

**Note: Submission of all documents does not guarantee admission.*

Have any questions or concerns about your application?
