<b>Late Payment Fee</b>	<p><b>3%</b> of any Total Due balances outstanding and past due for two (2) or more Billing Cycles</p> <p><b>How to Avoid Late Payment Fees</b>  Your due date is <b>15</b> days after the close of each billing cycle. Your entire balance must be paid in full by the due date each month, to avoid a late fee.</p>

**How We Will Calculate Your Balance**

To calculate your balance, we begin with the outstanding balance from the previous billing cycle, and add purchases, transactions, and any applicable fees and other charges posted to your Account associated with your Card from the current billing cycle. We subtract any payments we receive and credits that we post.

**Billing Rights**

Information on your rights to dispute transactions and how to exercise those rights is provided in the Current Build Credit Card Agreement.
