Administration Cap: EFAP Lead Agencies are limited to ten percent (10%) administrative costs of the total award if performing one function (e.g., Lead Agency). If the Lead Agency is also a Food Bank and/or a Food Pantry then the combined administrative costs cannot exceed fifteen percent (15%) of the total award, even if the combined total of the administrative funding for Lead Agency, Food Bank, and/or Food Pantry is greater than the fifteen percent (15%) of the total award. A Food Bank is limited to ten percent (10%) of their individual award total for administrative costs. A Food Pantry is limited to ten percent (10%) of their individual award total for administrative costs. The Administration Cap includes administrative direct expenses and indirect expenses but excludes the "up to one percent (1%)" of total award for allowable dues.

Administrative Expenses: The expenses incurred in the overall operation and management of the organization that are direct billed. Salaries, wages, supplies, general expenses, and membership dues that are direct billed.

Biennial Meetings: Prior to the start of each biennium, the current Lead Agency for each county is required to hold a local meeting (or multiple meetings) to lay the groundwork for the next two-year EFAP Agreement period.
