

Netflix & Pro Wi-Fi Bundle Offer Terms

- The Netflix service is provided to you by Netflix, Inc. under the Netflix Terms of Use at netflix.com/termsfuse. The other services included in the Netflix & Pro Wi-Fi Bundle are provided by Frontier under its General Terms and Conditions for Residential Services available at frontier.com/corporate/terms.
- In order to enjoy the Netflix service as part of your Netflix & Pro Wi-Fi Bundle offer, you will need to activate the Netflix service by completing the Netflix activation process. You will receive instructions on how to activate the Netflix service via email or text message. You will be billed for the full price of the Netflix & Pro Wi-Fi bundle upon order completion whether or not you activate the Netflix service.
- If you already have an existing Netflix account, you can link it to your Netflix & Pro Wi-Fi Bundle offer when you activate Netflix as part of your Netflix & Pro Wi-Fi Bundle offer. You will continue to be charged separately for any existing Netflix account until you link that account to your Netflix & Pro Wi-Fi Bundle offer. For any queries regarding your billing with Netflix for your existing Netflix account please contact Netflix directly.
- If you link an existing Netflix account to your Netflix & Pro Wi-Fi Bundle offer, terminating your Netflix & Pro Wi-Fi Bundle offer will not automatically cancel your Netflix membership, and Netflix will automatically resume charging your existing payment method that they have on file once your Netflix & Pro Wi-Fi Bundle offer ends. If you wish to review the details of your Netflix membership please visit the 'Account' pages on the Netflix website.
- If and to the extent that the Netflix Terms of Use related to billing, payments and cancellations conflict with the terms of your customer contract with Frontier, the latter shall prevail with the exception of the terms regarding updates to any existing payment methods on file with Netflix (currently Section 3.3 of the Netflix Terms of Use).

- Frontier will share the email address and mobile phone number registered to your Frontier account with Netflix to facilitate your activation of the Netflix service included in your Netflix & Wi-Fi Bundle offer. For further information about how Frontier handles your personal data, please visit the Frontier Privacy Policies at <https://frontier.com/corporate/privacy-policy>.
