Governor Tony Evers

Department of Agriculture, Trade and Consumer Protection
Secretary Randy Romanski

WEDC Global Trade Ventures | September 2022 – May 2023 | [Global Trade Ventures | WEDC](#)

The Wisconsin Economic Development Corporation (WEDC), with support from the Small Business Administration, provides opportunities to meet foreign buyers with a trade mission style activity to meet prospective end-user customers, distributors, dealers, agents or representatives in one on one meetings. WEDC Trade Ventures are available to all goods and services exporters and provide a high-level country briefing from WEDC's market development director before each venture. Ventures, or missions, often contain tours of a country's major markets and pre-arranged customized meetings with companies whose needs or capabilities align with your export objectives.
