Topic	Discussion	Action items
<b>CCTS/College Research Day</b> April 5	<b>Format:</b> maybe oral sessions: faculty and new research coming up (tele dentistry? Oral systemic health connections, disparities, opioid...). We talked about all these potential topics and it seems like <b>health disparities</b> had a more broad interest base and could be a good topic for us	<ul style="list-style-type: none"> <li>• <b>Lu</b> to send calendar appointment to all</li> <li>• <b>Lu</b> to talk to leadership again about attendance</li> <li>• <b>Lu</b> will dig into the literature and see who could be a good speaker for this.</li> <li>• <b>All:</b> please send names if you find anyone interesting</li> </ul>
<b>Knapp Lecture</b> October 6	TBD next meeting - topics could science and digital dentistry, health disparities and oral disease susceptibility, big data, integration of oral systemic health	<b>All</b> to send names in to Lu for consideration
<b>Others:</b> pilot funding opportunities	pilot funding opportunities was brought up for discussion, especially for junior faculty (small pilot initiatives, including maybe a focus on collaborative efforts?) TBD further next meeting.	<b>Lu</b> to follow up on a meeting with vicki to look at moneys and opportunities
<b>Next meeting,</b> March 14 <sup>th</sup> 1pm	Virtual as long as we are in tier 4; On everyone's calendar already	<b>All</b> to send in agenda items for discussion
