The ideal location depends on the edge of your refrigerator water supply. If under the sink, the system can be installed over the water line. Filter must sit upright. It is not susceptible to freezing temperatures. Do not touch or clean upright. Prolonged exposure to light may weaken plastic components.  <small>See owners manual for complete installation instructions.</small>	\$55	200 kañan (757 Lita) ak 6 allōñ	½ kañan (1.9 Lita) kajojo minit	\$30	1 yiiō in kakāal ñe ejjab eman an jerbale
