

## Alaska DOT&PF Title VI (Civil Rights) Acquisitions Survey

Title VI of the 1964 Civil Rights Act, as amended, 42 USC 2000d, and U.S. Department of Transportation regulations provide that “no person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.” The Alaska Department of Transportation and Public Facilities (DOT&PF) strives to ensure compliance on all federally-funded transportation programs.

To assist DOT&PF in reporting our efforts to observe the provisions of Title VI, we would appreciate your assistance with the following survey. This survey relates to your recent contact with DOT&PF staff regarding the transfer of real property rights. The DOT&PF Right of Way team strives to conduct themselves in compliance with Title VI as well as the Uniform Relocation Assistance and Real Property Acquisition Act (1970). Completing this survey is voluntary. If you choose to respond, please mark all that apply. Please use the enclosed self-addressed stamped envelope provided. Thank you.
