

Hackathon planning kit

1. Use of the Site; Compliance With Laws.

We appreciate your interest in the Hackathon planning kit. This Site is made available for informational purposes. Unless otherwise specifically set forth on the Site and/or in a separate written agreement with the creators of the hackathon planning kit, you may use this Site only for your own personal viewing and non-commercial use.

Viewing and/or use of this Hackathon planning kit, www.hackathon-planning-kit.org (the "Site") is subject to the terms appearing in these Notices, which may be updated from time to time by the creators of the hackathon planning kit. Please be aware that certain pages linked to and/or included in the Site may include additional posted terms and/or policies. By accessing and/or using any portion of the Site, you are agreeing to the then-current terms and/or policies applicable to such portions of the Site, in addition to these terms.

This Site is based in the United States and intended only for the use of those who may legally access and use the Site under relevant U.S. laws and regulations (including but not limited to U.S. export control laws and regulations and/or sanctions administered by the Office of Foreign Assets Control). You agree to use this Site in compliance with any and all applicable laws and regulations. You may not use the Site for any unlawful purpose or engage in any conduct which restricts other users from enjoying the Site.

2. Disclaimers; Links to Other Sites.

This Site is made available on an AS-IS, WHERE IS basis for informational purposes, and any and all implied warranties or duties are hereby disclaimed. This Site includes links to third-party sites which are not under the control of the creators of the hackathon planning kit. The creators of the hackathon planning kit are not responsible for the content or operation of such sites, which may have their own terms. The inclusion a link to a third-party site does not imply endorsement by the creators of the hackathon planning kit.

3. Trademarks, Copyright & Proprietary Information.

This Site contains intellectual property (including but not limited to trademarks and copyrighted materials) owned by the creators of the hackathon planning kit and/or third parties. You may not copy, reproduce, publish, post, transmit, display, store, sublicense, transfer or distribute such materials from this Site without the written permission from the creators of the hackathon planning kit or the applicable third party owners, unless specifically authorized by terms appearing on this Site or covered under a separate written license obtained by you. All rights not specifically granted are reserved.

4. Miscellaneous.

These terms (along with terms, policies and/or explicit agreements for any other portions of this Site that you view or use) constitute your entire understanding with the creators of the hackathon planning kit regarding your use and access to the Site. If any such terms are declared illegal or unenforceable, the remaining terms will remain in force and effect. To the maximum extent permitted by applicable law, these terms and the Site and any claims relating thereto are governed by the laws of Pennsylvania (without regard to its conflicts of law provisions) and you consent to personal jurisdiction in the federal and state courts serving Allegheny County, Pennsylvania as the exclusive legal forum for any claims of any kind relating to this Site. To the maximum extent permitted under applicable law, the creators of the hackathon planning kit shall not be liable for any damages resulting from your inability to access or use the Site. Notwithstanding the foregoing, if there is a conflict between the terms on the Site and the terms of a separate written agreement executed by you and an authorized signatory of the creators of the hackathon planning kit, the terms of that separate written agreement will prevail over these Site terms unless otherwise explicitly stated in such agreement.

5. Google Analytics

The hackathon planning kit uses Google, a third-party analytics provider, to collect information about website usage and the users of the website, including demographic and interest-level information. Google uses cookies in order to collect demographic and interest-level information and usage information from users that visit the website, including information about the pages where users enter and exit and what pages users view, time spent, browser, operating system, and IP address. Cookies allow Google to recognize a user when a user visits the website and when the user visits other websites. Google uses the information it collects from our websites to share with us and other website operators' information about users including age range, gender, geographic regions, general interests, and details about devices used to visit websites and purchase items. We do not link information we receive from Google with any of your personally identifiable information. For more information regarding Google's use of cookies, and collection and use of information, see the Google Privacy Policy. If you would like to opt out of Google Analytics tracking, please visit the Google Analytics Opt-out Browser Add-on.
