Team Indigo

Enehi Ameh, Christine Jones, Frieda Farias

What factors affect the number of days someone is sick?
(immunocompromised; vaccinated, age, etc?)

Team Indigo

How does immunocompromisation affect the number of days someone is sick?

- Our code has given birth to Jane… along with 99 other people
- We have also implemented Big Brother to track identities and status of infection
- (Also Christine has begun researching immunocompromisation data)

Tasks

Alter code to create immunocompromised citizens

Possibly track immunocompromisation by age
