

## **LEADERSHIP DEVELOPMENT**

All Educational Chairmen within our KEHA organization are expected to work together to integrate their programs of work and other community projects where possible. Our educational focus deals with developing a strong leadership base for the organization and community. By doing this we will strengthen our community outreach efforts and increase the application and use of our scholarships.

All chairmen should take the following ideas into consideration when planning their own programs and projects.

- Make use of available training materials for all officers, chairmen, and membership statewide.
- Promote Master Volunteer Programs.
- Encourage members, as individuals and groups, to volunteer for community agencies and projects.
- Encourage donations to and applications for the Evans/Hansen/Weldon and KEHA Homemaker Scholarship funds.
- Promote activities that encourage community involvement in strengthening families and education, such as tutoring in schools, mentoring new moms, Project Graduation, Big Brothers/Sisters, adult literacy, etc.
- Encourage members to learn about how local and state government works and what they can do to affect decisions and actions.
- Encourage voter registration and voter participation.
- Encourage and promote applications to the KEHA Endowed Scholarship at the University of Kentucky.
