

Mounted Police Civilian Equine Sensory Training Clinics

Saturday & Sunday, September 14 & 15, 2024 - Alltech Arena
(Identical One-Day Clinics)

Our clinics, grounded in natural horsemanship techniques, are fun and laid back with lots of help and encouragement from our mounted police clinicians. Limit - 30 riders per clinic. Riders are divided into three groups rotating through the following sessions, each group with two mounted police instructors.

Obstacle Session: done in-hand first until rider and horse are comfortable with the various obstacles. There is no pressure to work the obstacle session under saddle until you and your horse feel comfortable. Riders often choose to spend the whole session working in-hand to build the horse's self-confidence.

Drill/Sensory Session: rider/horse teams work side by side allowing horses to gain confidence working close to other horses. When the group is comfortable, the trainers will introduce sensory items - "horse toys" - such as large balls, flags, noises, etc. This sensory work is done with safety in mind. Riders and horses are not pushed beyond their comfort level. We want each rider and horse to leave the arena with a sense of accomplishment and confidence.

Working Equitation Session: mounted work to promote balance, agility and ease of handling using riding patterns with obstacles.

We welcome horses of all breeds (gaited and non-gaited) and riders from all riding disciplines with western or English tack. Our riders typically have a wide range of riding skills and experience and may range in age from 18 to 60+.

Must be 18 yrs. old to register.

Our annual clinics are fundraisers for the mounted police horses and are co-sponsored by the Friends of the Lexington Mounted Police, Inc. a 501c3 nonprofit and the Kentucky Horse Park.

Contact: Anne Anderson for more information 895/299-5744 or annependeranderson@gmail.com

Mounted Police Civilian Equine Sensory Training Clinics

Saturday & Sunday, September 14 & 15, 2024 - Alltech Arena
(Identical One-Day Clinics)

Must be 18 yrs. old to ride. Maximum of 30 riders per clinic. In case of cancellations, there will be a waiting list.

Rider Registration Fee: \$240 (fee includes morning donuts & coffee, hot buffet lunch, and a horse stall the night prior to the clinic and day of clinic). **Tack stall fee: \$25**

Auditor registration fee: \$25. Please register online. (**Audit fee does not include lunch**)
(No audit charge for rider's family members.)

Cancellation Policy: Cancellations 30 days out will receive a full refund.
Cancellations 29-10 days out will receive a \$75 refund

Required by clinic: A copy of horse's Coggins (which must be current at the time of the clinic).
The clinic organizer will contact registrants with instructions for submitting the Coggins copy.

KY State Veterinarian requirement: You must have a copy of current Coggins & Health Certificate when entering the KY Horse Park. (12 months - for in-state, 30 days for out-of-state Health Certificate)

Please bring: Helmets! Riders must wear helmets during all clinic sessions.

- A saddle with stirrups is required. NO bareback pads allowed during clinic sessions
- A rope-style halter (if you don't have this, we'll have plenty to loan during the obstacle session)
- 12 ft. lead rope

Stall Information: Stalls are 10 x10 (asphalt flooring) in the enclosed Alltech Arena (barn 24).
Bathroom, wash racks and water hydrants are in each barn. You must provide your own bedding (**shavings only**)
hose, water/feed buckets with hanging hooks. Shavings/hay can be purchased from on-site concessionaire:
Devers, Inc. at 859-233-9702. However, it's cheaper to bring your own.
Riders will be notified of their assigned stall numbers.

Parking: Horse trailer parking location: TBA
No parking between Alltech Barns #22-24 except for unloading and loading

Check in: ship in any time Friday Sept. 13th for the Sat. clinic or anytime Sat for the Sunday clinic.
Contact clinic organizer if you need to arrive prior to Friday or stay over on Sunday night. There is a \$25 stall fee for each night extra night. Stabling and trailer parking instructions and a KHP map with our locations marked will be emailed after your register.

Check out: must be completed by **Noon on Monday Sept. 16th**

Medical & Veterinary Information: EMTs, Lexington Division of Fire, will be on-site during clinic hours.
Veterinary coverage will be provided by Hagyard Equine Medical Institute: 859-255-8741
An on-call farrier will be available.
