(2019-2020)  
\_\_\_\_\_

An Act to ensure affordable health connector coverage.

*Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:*

1 SECTION 1. Section 2000 of chapter 29 of the Massachusetts General Laws is hereby  
2 amended by striking out the second paragraph, as appearing in the 2016 Official Edition, and  
3 inserting in place thereof the following paragraph:-

4 Section 2000. There shall be credited to the trust fund: (a) employer medical assistance  
5 contributions under section 189 of chapter 149; (b) all revenue from surcharges imposed under  
6 section 18 of chapter 176Q; (c) any transfers from the Health Safety Net Trust Fund established  
7 in section 66 of chapter 118E; (d) revenues deposited from penalties collected under chapter  
8 111M; and (e) any revenue from appropriations or other monies authorized by the general court  
9 and specifically designated to be credited to the fund. Amounts credited to the fund shall be  
10 expended without further appropriation for programs administered by the commonwealth health

11 insurance connector authority pursuant to chapter 176Q that are designed to increase health  
12 coverage for residents of the commonwealth. A sufficient portion of money from the fund shall  
13 be designated to ensure affordable premiums and cost-sharing for enrollees with income at or  
14 below 300 per cent of the federal poverty guidelines, who are eligible for premium assistance  
15 payments and point-of-service cost-sharing subsidies pursuant to section 3 of chapter 176Q of  
16 the General Laws. Money from the fund may be transferred to the Health Safety Net Trust Fund  
17 or any successor fund, as necessary to provide payments to acute hospitals and community health  
18 centers for reimbursable health services. Not later than January 1, the comptroller shall report an  
19 update of revenues for the current fiscal year and prepare estimates of revenues to be credited to  
20 the fund in the subsequent fiscal year. The comptroller shall file this report with the secretary of  
21 administration and finance, the secretary of health and human services, the joint committee on  
22 health care financing and the house and senate committees on ways and means. To accommodate  
23 timing discrepancies between the receipt of revenue and related expenditures, the comptroller  
24 may certify for payment amounts not to exceed the most recent estimate of revenues as certified  
25 by the secretary of administration and finance to be deposited under this section. A full  
26 accounting of revenue credited to the fund and transfers and expenditures out of the fund shall be  
27 reported at least annually to the board of the commonwealth health insurance connector authority  
28 established under section 2 of chapter 176Q. Monies remaining in the fund at the end of a fiscal  
29 year shall not revert to the General Fund and shall be used solely as designated in this section;  
30 provided, however, that the comptroller shall report the amount remaining in the fund at the end  
31 of each fiscal year to the house and senate committees on ways and means.

32 SECTION 2. Section 3 of chapter 176Q of the Massachusetts General Laws, as appearing  
33 in the 2016 Official Edition, is hereby amended by striking out the 14th paragraph and inserting  
34 in place thereof the following paragraph:-

35 “(14) develop criteria for plans sold through the connector that are eligible for premium  
36 assistance payments or cost sharing subsidies, taking into consideration affordability of  
37 premiums and cost-sharing and a reasonable choice of health benefit plans in each area; provided  
38 further than an enrollee with household income that does not exceed 100 per cent of the federal  
39 poverty level shall have available to them at least two health benefit plans with no premium  
40 contribution and copayments shall not exceed the highest copayments required of enrollees in the  
41 MassHealth program with household income that does not exceed 100 per cent of the federal  
42 poverty level; provided further that enrollees with income between 100 and 150 per cent of the  
43 federal poverty guidelines shall have available to them at least one health benefit plan with no  
44 premium contribution. If the health benefit plans submitted through the Seal of Approval process  
45 pursuant to section 10 of this chapter do not permit such choice of health benefit plans at a  
46 reasonable cost to the Commonwealth, the board may seek additional participation of health  
47 benefit plans in conjunction with the Division of Insurance pursuant to section 3(b) of chapter  
48 176J of the General Laws or take other measures to facilitate reasonable access to health benefit  
49 plans up to and including establishing contracts under subsection v of this section or seeking a  
50 waiver under subsection x of this section.
