5. “*Allocation Statute*” means a state law that governs allocation, distribution, and/or use of some or all of the Settlement Fund amounts allocated to that State and/or its Subdivisions. In addition to modifying the allocation, as set forth in subsection VI.D.2, an Allocation Statute may, without limitation, contain a Statutory Trust, further restrict expenditure of funds, form an advisory committee, establish oversight and reporting requirements, or address other default provisions and other matters related to the funds. An Allocation Statute is not required to address all three (3) types of funds comprising the Settlement Fund or all default provisions.

60. “*Released Claims*” means any and all Claims that directly or indirectly are based on, arise out of, or in any way relate to or concern the Covered Conduct occurring prior to the Reference Date. Released Claims also include all Claims asserted in any proceeding to be dismissed pursuant to the Agreement, whether or not such claims relate to Covered Conduct. The Parties intend that “Released Claims” be interpreted broadly. This Agreement does not release Claims by private individuals. It is the intent of the Parties that Claims by private individuals be treated in accordance with applicable law. Any person or entity described in subsections (3)-(5) shall be a Released Entity solely in the capacity described in such clause and shall not be a Released Entity with respect to its conduct in any other capacity. For the avoidance of doubt, the entities listed in Exhibit Q are not Released Entities; *and provided further* that any joint venture partner of Janssen or Janssen's subsidiary is not a Released Entity unless it falls within subsections (1)-(5) above. A list of Janssen's present subsidiaries and affiliates can be found at <https://johnsonandjohnson.gcs-web.com/static-files/f61ae5f3-ff03-46c1-bfc9-174947884db2>. Janssen's predecessor entities include but are not limited to those entities listed on Exhibit J. For the avoidance of doubt, any entity acquired, or joint venture entered into, by Janssen after the Reference Date is not a Released Entity.

62. “*Releasers*” means (1) each Settling State; (2) each Participating Subdivision; and (3) without limitation and to the maximum extent of the power of each Settling State's Attorney General and/or Participating Subdivision to release Claims, (a) the Settling State's and Participating Subdivision's departments, agencies, divisions, boards, commissions, Subdivisions, districts, instrumentalities of any kind and attorneys, including its Attorney General, and any person in their official capacity whether elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, (b) any public entities, public instrumentalities, public educational institutions, unincorporated districts, fire districts, irrigation districts, water districts, law enforcement districts, emergency services districts, school districts, hospital districts and other Special Districts in a Settling State, and (c) any person or entity acting in a *parens patriae*, sovereign, quasi-sovereign, private attorney general, *qui tam*, taxpayer, or other capacity seeking relief on behalf of or generally applicable to the general public with respect to a Settling State or Subdivision in a Settling State, whether or not any of them participate in the Agreement. The inclusion of a specific reference to a type of entity in this definition shall not be construed as meaning that the entity is not a Subdivision. In addition to being a Releaser as provided herein, a Participating Subdivision shall also provide the Subdivision Settlement Participation Form or the Election and Release Form referenced in Section VII providing for a release to the fullest extent of the Participating Subdivision's authority, which shall be attached as an exhibit to the Agreement. Each Settling State's Attorney General represents that he or she has or has obtained (or will obtain no later than the Initial Participation Date) the authority set forth in the Representation and Warranty subsection of Section IV.
63. “*Revocation Event*” means with respect to a Bar, Settlement Class Resolution, or Case-Specific Resolution, a legislative amendment or a revocation, rescission, reversal, overruling, or interpretation that in any way limits the effect of such Bar,

64. “*Settlement Class Resolution*” means a class action resolution in a court of competent jurisdiction in a Settling State with respect to a class of Subdivisions and Special Districts in that State that (1) conforms with that Settling State’s statutes, case law, and/or rules of procedure regarding class actions; (2) is approved and entered as an order of a court of competent jurisdiction in that State and has become final as defined in “State-Specific Finality”; (3) is binding on all Non-Participating Subdivisions and Special Districts in that State (other than opt outs as permitted under the next sentence); (4) provides that all such Non-Participating Subdivisions or Special Districts may not bring Released Claims against Released Entities, whether on the ground of the Agreement (or the releases herein) or otherwise; and (5) does not impose any costs or obligations on Janssen other than those provided for in the Agreement, or contain any provision inconsistent with any provision of the Agreement. If applicable state law requires that opt-out rights be afforded to members of the class, a class action resolution otherwise meeting the foregoing requirements shall qualify as a Settlement Class Resolution unless Subdivisions collectively representing more than 1% of the total population of all of that State’s Subdivisions listed in Exhibit G opt out. In seeking certification of any Settlement Class, the applicable State and Participating Subdivisions shall make clear that certification is sought solely for settlement purposes and shall have no applicability beyond approval of the settlement for which certification is sought. Nothing in this Agreement constitutes an admission by any Party that class certification would be appropriate for litigation purposes in any case.
65. “*Settlement Fund*” means the interest-bearing fund established under the Agreement into which all payments by Janssen are made other than amounts paid as attorneys’ fees and costs or identified pursuant to subsection VI.B.2 as being used to pay attorneys’ fees and costs. The duties of the Settlement Fund Administrator shall be governed by this Agreement. Prior to the Initial Participation Date, the Parties shall agree to selection and removal processes for and a detailed description of the Settlement Fund Administrator’s duties, including a detailed mechanism for paying the Settlement Fund Administrator’s fees and costs, all of which shall be appended to the Agreement as Exhibit L.

71. “*State*” means any state of the United States of America, the District of Columbia, American Samoa, Guam, the Northern Mariana Islands, Puerto Rico, and the U.S. Virgin Islands. Additionally, the use of non-capitalized “state” to describe something (e.g., “state court”) shall also be read to include parallel entities in commonwealths, territories, and the District of Columbia (e.g., “territorial court”).
72. “*State Fund*” means a component of the Settlement Fund described in subsection VI.C.
73. “*State-Specific Finality*” means, with respect to the Settling State in question:

longer subject to further appeal (including, without limitation, review by the United States Supreme Court).

74. “*State-Subdivision Agreement*” means an agreement that a Settling State reaches with the Subdivisions in that State regarding the allocation, distribution, and/or use of funds allocated to that State and to Participating Subdivisions in that State. A State-Subdivision Agreement shall be effective if approved pursuant to the provisions of Exhibit O or if adopted by statute. Preexisting agreements addressing funds other than those allocated pursuant to this Agreement shall qualify if the approval requirements of Exhibit O are met. A State and its Subdivisions may revise, supplement, or refine a State-Subdivision Agreement if approved pursuant to the provisions of Exhibit O or if adopted by statute.
75. “*Statutory Trust*” means a trust fund established by state law to receive funds allocated to a State’s Abatement Accounts Fund and restrict their expenditure to Opioid Remediation purposes subject to reasonable administrative expenses. Historic, non-functioning sub-entities of a State (such as Connecticut counties) are not Subdivisions, unless the entity has filed a lawsuit that includes a Released Claim against a Released Entity in a direct, parens patriae, or any other capacity. For purposes of this Agreement, the term Subdivision does not include Special Districts. A list of Subdivisions by state will be agreed to prior to any Subdivision sign-on period.
77. “*Subdivision Allocation Percentage*” means for Subdivisions in a Settling State that are eligible to receive an allocation from the Subdivision Fund pursuant to subsection VI.C or subsection VI.D, the percentage as set forth in Exhibit G. The aggregate Subdivision Allocation Percentage of all Subdivisions receiving a Subdivision Allocation Percentage in each State shall equal 100%. Immediately upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VI.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VI.D.3) that addresses allocation from the Subdivision Fund, or upon any, whether before or after the Initial Participation Date, Exhibit G will automatically be amended to reflect the allocation from the Subdivision Fund pursuant to the State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3. The Subdivision Allocation Percentages contained in Exhibit G may not change once notice is distributed pursuant to subsection VII.A, except upon the effectiveness of any State-

Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VI.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VI.D.3) that addresses allocation from the Subdivision Fund. The States’ Attorneys General shall then have a period of thirty (30) days to decide whether to become Settling States. States that determine to become Settling States shall so notify the National Association of Attorneys General and Janssen and shall further commit to obtaining any necessary additional State releases prior to the Reference Date. This notice period may be extended by written agreement of Janssen and the Enforcement Committee.
- B. *Condition to Preliminary Agreement.* Following the notice period set forth in subsection II.A above, Janssen shall determine on or before the Preliminary Agreement Date whether, in its sole discretion, enough States have agreed to become Settling States to proceed with notice to Subdivisions as set forth in Section VII below. If Janssen determines that this condition has been satisfied, and that notice to the Litigating Subdivisions should proceed, it will so notify the Settling States by providing notice to the Enforcement Committee and Settlement Fund Administrator on the Preliminary Agreement Date. If Janssen determines that this condition has not been satisfied, it will so

notify the Settling States by providing notice to the Enforcement Committee and Settlement Fund Administrator, and this Agreement will have no further effect and all releases and other commitments or obligations contained herein will be void.

- C. *Later Joinder by States.* After the Preliminary Agreement Date, a State may only become a Settling State with the consent of Janssen, in its sole discretion. If a State becomes a Settling State more than sixty (60) days after the Preliminary Agreement Date, but on or before January 1, 2022, the Subdivisions and Special Districts in that State that become Participating Subdivisions and Participating Special Districts within ninety (90) days of the State becoming a Settling State shall be considered Initial Participating Subdivisions or Initial Participating Special Districts. A State may not become a Settling State after January 1, 2022.

III. Injunctive Relief

- A. *Entry of Injunctive Relief.* As part of the Consent Judgment, the Parties agree to the injunctive relief terms attached as Exhibit P.

IV. Release

- A. *Scope.* As of the Effective Date, the Released Entities will be released and forever discharged from all of the Releasers' Released Claims. Each Settling State (for itself and its Releasers) and Participating Subdivision (for itself and its Releasers) will, on or before the Effective Date, absolutely, unconditionally, and irrevocably covenant not to bring, file, or claim, or to cause, assist in bringing, or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Agreement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of each Settling State and its Attorney General to release claims. The Release shall be a complete bar to any Released Claim.
- B. *Claim Over and Non-Party Settlement.*

1. *Statement of Intent.* It is the intent of the Parties that:
 - a. Released Entities should not seek contribution or indemnification (other than pursuant to an insurance contract) from other parties for their payment obligations under this Settlement Agreement;
 - b. the payments made under this Settlement Agreement shall be the sole payments made by the Released Entities to the Releasers involving, arising out of, or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity);
 - c. Claims by Releasers against non-Parties should not result in additional payments by Released Entities, whether through contribution, indemnification or any other means; and

- d. the Settlement meets the requirements of the Uniform Contribution Among Joint Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to any other parties.
 - e. The provisions of this subsection IV.B are intended to be implemented consistent with these principles. This Agreement and the releases and dismissals provided for herein are made in good faith.
2. *Contribution/Indemnity Prohibited.* No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner, provided that a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim-Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.
3. *Non-Party Settlement.* To the extent that, on or after the Reference Date, any Releasor enters into a Non-Party Settlement, including in any bankruptcy case or through any plan of reorganization (whether individually or as a class of creditors), the Releasor will include (or in the case of a Non-Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on contribution or indemnity of any kind substantially equivalent to that required from Janssen in subsection IV.B.2, or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases contained in this Agreement) of any Claim-Over. The obligation to obtain the prohibition and/or release required by this subsection is a material term of this Agreement.
4. *Claim-Over.* In the event that any Releasor obtains a judgment with respect to Non-Party Covered Conduct against a Non-Released Entity that does not contain a prohibition like that in subsection IV.B.3, or any Releasor files a Non-Party Covered Conduct Claim against a non-Released Entity in bankruptcy or a Releasor is prevented for any reason from obtaining a prohibition/release in a Non-Party Settlement as provided in subsection IV.B.3, and such Non-Released Entity asserts a Claim-Over against a Released Entity, that Releasor and Janssen shall take the following actions to ensure that the Released Entities do not pay more with respect to Covered Conduct to Releasors or to Non-Released Entities than the amounts owed under this Settlement Agreement by Janssen:
- a. Janssen shall notify that Releasor of the Claim-Over within sixty (60) days of the assertion of the Claim-Over or sixty (60) days of the Effective Date of this Settlement Agreement, whichever is later;
 - b. Janssen and that Releasor shall meet and confer concerning the means to hold Released Entities harmless and ensure that it is not required to pay

more with respect to Covered Conduct than the amounts owed by Janssen under this Settlement Agreement;

- c. That Releasor and Janssen shall take steps sufficient and permissible under the law of the State of the Releasor to hold Released Entities harmless from the Claim-Over and ensure Released Entities are not required to pay more with respect to Covered Conduct than the amounts owed by Janssen under this Settlement Agreement. Such steps may include, where permissible:
- (1) Filing of motions to dismiss or such other appropriate motion by Janssen or Released Entities, and supported by Releasors, in response to any claim filed in litigation or arbitration;
 - (2) Reduction of that Releasor's Claim and any judgment it has obtained or may obtain against such Non-Released Entity by whatever amount or percentage is necessary to extinguish such Claim-Over under applicable law, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;
 - (3) Placement into escrow of funds paid by the Non-Released Entities such that those funds are available to satisfy the Claim-Over;
 - (4) Return of monies paid by Janssen to that Releasor under this Settlement Agreement to permit satisfaction of a judgment against or settlement with the Non-Released Entity to satisfy the Claim-Over;
 - (5) Payment of monies to Janssen by that Releasor to ensure it is held harmless from such Claim-Over, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;
 - (6) Credit to Janssen under this Settlement Agreement to reduce the overall amounts to be paid under the Settlement Agreement such that it is held harmless from the Claim-Over; and
 - (7) Such other actions as that Releasor and Janssen may devise to hold Janssen harmless from the Claim Over.
- d. The actions of that Releasor and Janssen taken pursuant to paragraph (c) must, in combination, ensure Janssen is not required to pay more with respect to Covered Conduct than the amounts owed by Janssen under this Settlement Agreement.
- e. In the event of any dispute over the sufficiency of the actions taken pursuant to paragraph (c), that Releasor and Janssen may seek review by

the National Arbitration Panel, provided that, if the parties agree, such dispute may be heard by the state court where the relevant Consent Judgment was filed. The National Arbitration Panel shall have authority to require Releasers to implement a remedy that includes one or more of the actions specified in paragraph (c) sufficient to hold Released Entities fully harmless. In the event that the panel's actions do not result in Released Entities being held fully harmless, Janssen shall have a claim for breach of this Settlement Agreement by Releasers, with the remedy being payment of sufficient funds to hold Janssen harmless from the Claim-Over. For the avoidance of doubt, the prior sentence does not limit or eliminate any other remedy that Janssen may have.

5. To the extent that the Claim-Over is based on a contractual indemnity, the obligations under subsection IV.B.4 shall extend solely to a Non-Party Covered Conduct Claim against a pharmacy, clinic, hospital or other purchaser or dispenser of Products, a manufacturer that sold Products, a consultant, and/or a pharmacy benefit manager or other third-party payor. Janssen shall notify the Settling States, to the extent permitted by applicable law, in the event that any of these types of Non-Released Entities asserts a Claim-Over arising out of contractual indemnity against it.

- C. *General Release.* In connection with the releases provided for in the Agreement, each Settling State (for itself and its Releasers) and Participating Subdivision expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

General Release; extent. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releaser may thereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Settling State (for itself and its Releasers) and Participating Subdivision hereby expressly waives and fully, finally, and forever settles, releases, and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasers do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Settling States' decision to enter into the Agreement or the Participating Subdivisions' decision to participate in the Agreement.

- D. *Res Judicata.* Nothing in the Agreement shall be deemed to reduce the scope of the res judicata or claim preclusive effect that the settlement memorialized in the Agreement,

and/or any Consent Judgment or other judgment entered on the Agreement, gives rise to under applicable law.

- E. *Representation and Warranty.* The signatories hereto on behalf of their respective Settling States and its Participating Subdivisions expressly represent and warrant that they will obtain on or before the Effective Date (or have obtained) the authority to settle and release, to the maximum extent of the State's power, all Released Claims of (1) their respective Settling States; (2) all past and present executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal controlled substances acts; (3) any of their respective Settling State's past and present executive departments, agencies, divisions, boards, commissions and instrumentalities that have the authority to bring Claims related to Covered Conduct seeking money (including abatement and/or remediation) or revocation of a pharmaceutical distribution license; and (4) any Participating Subdivisions. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commissions, and instrumentalities are those that are under the executive authority or direct control of the State's Governor. Also, for the purposes of clause (3), a release from a State's Governor is sufficient to demonstrate that the appropriate releases have been obtained.
- F. *Effectiveness.* The releases set forth in the Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasors. Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use of the Settlement Fund or any portion thereof, or by the enactment of future laws, or by any seizure of the Settlement Fund or any portion thereof.
- G. *Cooperation.* Releasors (i) will not encourage any person or entity to bring or maintain any Released Claim against any Released Entity and (ii) will reasonably cooperate with and not oppose any effort by a Released Entity to secure the prompt dismissal of any and all Released Claims.
- H. *Non-Released Claims.* Notwithstanding the foregoing or anything in the definition of Released Claims, the Agreement does not waive, release or limit any criminal liability, Claims for any outstanding liability under any tax or securities law, Claims against parties who are not Released Entities, Claims by private individuals and any claims arising under the Agreement for enforcement of the Agreement.

V. Monetary Relief and Payments

A. Structure of Payments

1. All payments under this Section V shall be made into the Settlement Fund, except that where specified, they shall be made into the Settlement Fund Escrow. The Settlement Fund shall be allocated and used only as specified in Section VI.
2. Janssen shall pay into the Settlement Fund the sum of Four Billion, Five Hundred Thirty-Four Million, Six Hundred Fifteen Thousand, Three Hundred Eighty-Five

Dollars (\$4,534,615,385) minus (1) the offsets and credits specified in subsection V.C below, (2) any unearned incentive payments under subsection V.E below, and (3) any adjustments under Section IX below.

3. The payments to the Settlement Fund shall be divided into base and incentive payments as provided in subsections V.D and V.E below.

B. Payment Process

1. Except as otherwise provided in this Agreement, Janssen shall make two Initial Year Payments and nine (9) Annual Payments. The Initial Year Payments will consist of base payments. The first Annual Payment shall consist of incentive payments and subsequent Annual Payments shall each consist of base and incentive payments. The amount of all Initial Year Payments and Annual Payments shall be determined by the Settlement Fund Administrator applying Section V and Exhibit M. The Payment Date for the first Initial Year Payment shall be no later than ninety (90) days after the Effective Date. The Payment Date for the second Initial Year Payment shall be no later than July 15, 2022. The Payment Date for the first Annual Payment shall be no later than one year and sixty days following the Effective Date; the Payment Date for the second Annual Payment shall be no later than two years and sixty days following the Effective Date, and so forth, until all Annual Payments are made.
2. All data relevant to the determination of each such payment shall be submitted to the Settlement Fund Administrator sixty (60) days prior to the Payment Date for each payment. Prior to the Initial Participation Date, the Parties will include an exhibit to the Agreement setting forth in detail the process for submitting such data to the Settlement Fund Administrator prior to each Payment Date. The Settlement Fund Administrator shall then determine the Initial Year Payment or Annual Payment and the amount to be paid to each Settling State and its Participating Subdivisions, consistent with the provisions in Exhibit L, by:
 - a. determining, for each Settling State, the amount of base and incentive payments to which the State is entitled by applying the criteria in this Section;
 - b. applying any reductions, suspensions, or offsets required by Sections V and IX; and
 - c. determining the total amount owed by Janssen to all Settling States and Participating Subdivisions.
3. The Settlement Fund Administrator shall then allocate the Initial Year Payment or Annual Payment pursuant to Section VI among the Settling States, among the separate types of funds for each Settling State (if applicable), and among the Participating Subdivisions.

4. As soon as possible, but no later than fifty (50) days prior to the Payment Date for each payment and following the determination described in subsection V.B.2, the Settlement Fund Administrator shall give notice to Janssen, the Settling States, and the Enforcement Committee of the amount of the Initial Year Payment or Annual Payment, the amount to be received by each Settling State, the amount to be received by the separate types of funds for each Settling State (if applicable), and the amount to be received by each Settling State's Participating Subdivisions.
5. Within twenty-one (21) days of the notice provided by the Settlement Fund Administrator, any party may dispute, in writing, the calculation of the Initial Year Payment or Annual Payment, or the amount to be received by a Settling State and/or its Participating Subdivisions. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Janssen identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.
6. Within twenty-one (21) days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Janssen identifying the basis for disagreement with the notice of dispute.
7. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute, and Janssen shall pay the adjusted amount as the Initial Year Payment or Annual Payment on the Payment Date. If a written response to the written notice of dispute is timely sent to the Settlement Fund Administrator, the Settlement Fund Administrator shall notify Janssen of the preliminary amount to be paid, which shall be the greater of the amount originally calculated by the Settlement Fund Administrator or the amount that would be consistent with the notice of dispute, *provided, however* that in no circumstances shall the preliminary amount to be paid be higher than the maximum amount of base and incentive payments for that payment as set forth in Exhibit M. For the avoidance of doubt, a transfer of suspended payments from the Settlement Fund Escrow does not count toward determining whether the amount to be paid is higher than the maximum amount of base and incentive payments for that payment as set forth in Exhibit M.
8. The Settlement Fund Administrator shall place any disputed amount of the preliminary amount paid by Janssen into the Settlement Fund Escrow and shall disburse any undisputed amount to each Settling State and its Participating Subdivisions receiving direct allocations within fifteen (15) days of the Payment Date or at such later time as directed by each Settling State.
9. Disputes described in this subsection (other than those for which no response is filed under subsection V.B.6) shall be resolved in accordance with the terms of Section XII.

10. The process described in this subsection V.B shall also apply to accelerated payments made pursuant to Incentive A under subsection V.E.4.
11. For the avoidance of doubt, Subdivisions not listed on Exhibit G shall not receive an allocation from the Subdivision Fund.

C. Offsets for Non-Settling States and Credits

1. An offset equal to Four Billion, Five Hundred Thirty-Four Million, Six Hundred Fifteen Thousand, Three Hundred Eighty-Five Dollars (\$4,534,615,385) times the percentage allocation assigned to each Non-Settling State in Exhibit F shall be deducted from the total amount to be paid by Janssen to the Settlement Fund under subsection V.A.2 above.
2. In addition to the offset, a credit of Two Hundred and Seventy Million Dollars (\$270,000,000) shall be deducted from the maximum Settlement Fund amount to be paid by Janssen under subsection V.A.2 above and applied to the payment amounts as specified by Exhibit M. For the avoidance of doubt, the base payments and maximum incentive payment amounts shown on Exhibit M already reflect the deduction of the offset.
3. Notwithstanding any other provision of this Agreement or any other agreement, in the event that: (1) Janssen enters into an agreement with any Settling State that resolves with finality such Settling State's Claims consistent with Section IV of this Agreement and such agreement has an effective date prior to the Effective Date of this Agreement (such agreement, a "State-Specific Agreement") and (2) pursuant to the terms of the State-Specific Agreement, any payments, or any portion thereof, made by Janssen thereunder are made in lieu of any payments (for the avoidance of doubt, including the Additional Restitution Amount), or any portion thereof, to be made under this Agreement and Janssen makes such a payment pursuant to the State-Specific Agreement, then Janssen will reduce any payments allocable to such Settling State (whether made to the Settlement Fund Escrow or the Settlement Fund) made pursuant to this Agreement to the extent such amount was already paid pursuant to the terms of the State-Specific Agreement. This provision includes but is not limited to any corresponding amounts already paid to the Qualified Settlement Fund established under the Agreement between Janssen and the State of New York dated June 25, 2021.
4. Non-Settling States shall not be eligible for any payments or have any rights in connection with this Agreement. Accordingly, the stated maximum dollar amounts of the payments specified in Exhibit M are reduced by the aggregate Overall Allocation Percentage of Non-Settling States as set forth in Exhibit F.

D. Base Payments

1. Janssen shall make base payments into the Settlement Fund totaling One Billion, Nine Hundred Forty-Two Million, Three Hundred Forty-Six Thousand, One Hundred Fifty-Five Dollars (\$1,942,346,155) minus the offsets and credits

specified in subsection V.C above. The base payments will be paid in accordance with the payment schedule specified by Exhibit M, subject to potential acceleration and potential deductions as provided herein.

2. The base payments will be allocated by Settling State proportionate to each Settling State's assigned percentages in Exhibit F, adjusted for any Non-Settling States.
3. If a State qualifies for Incentive A (described below), Janssen will accelerate the base payment schedule so that the State receives its Payment Year 1-4 base payment allocations and full Payment Year 1-4 Incentive A payment amounts within ninety (90) days of notice, on or after the Effective Date, of the Bar's implementation. Payment Year 5-10 payments are made annually and cannot be accelerated.
4. The exemplar payment schedule in Exhibit M does not account for deductions for offsets or unearned incentives, which will be separately calculated for each payment.

E. Incentive Payments

1. Janssen shall make incentive payments into the Settlement Fund potentially totaling up to Two Billion, Three Hundred Twenty-Two Million, Two Hundred Sixty-Nine Thousand, Two Hundred Thirty Dollars (\$2,322,269,230), consisting of \$2,109,038,461 for Incentive A (or, alternatively up to \$2,109,038,461 for combined Incentives B and C if Incentive A is not achieved) and \$213,230,769 for Incentive D, prior to being adjusted for credits if every State is a Settling State and were to satisfy the requirements specified below to earn its maximum incentive amount. The incentive payments will be paid in accordance with the payment schedule in Exhibit M, subject to potential acceleration and potential deductions as provided herein.
2. The maximum incentive amount for any Settling State shall be \$2,322,269,230 times the percentage allocation assigned that Settling State in Exhibit F.
3. A Settling State may qualify to receive incentive payments in addition to base payments if, as of the Incentive Payment Final Eligibility Date, it meets the incentive eligibility requirements specified below. Settling States may qualify for incentive payments in four ways. If a Settling State qualifies for "Incentive A," it will become entitled to receive the maximum Incentive A payment allocable to the State as stated in subsection V.E.1. If a Settling State does not qualify for Incentive A, it can alternatively qualify for "Incentive B" and/or "Incentive C." A Settling State can qualify for "Incentive D" regardless of whether it qualifies for another incentive payment. The Incentive Payment Final Eligibility Date is not relevant to Incentive D.

4. *Incentive A: Accelerated Incentive Payment for Full Participation.*
- a. A Settling State shall receive an accelerated Incentive A payment allocable to the State for full participation as described in subsection V.E.4.b.
 - b. A State qualifies for Incentive A by: (1) complete participation in the form of releases consistent with Section IV above from all Litigating Subdivisions and Litigating Special Districts, Non-Litigating Subdivisions with population over 10,000, and Non-Litigating Covered Special Districts (as defined in subsection V.E.7.e); (2) a Bar; or (3) a combination of approaches in clauses (1)-(2) that achieves the same level of resolution of Subdivision and Special District claims (e.g., a law barring future litigation combined with full joinder by Litigating Subdivisions and Litigating Special Districts). For purposes of Incentive A, a Subdivision or Special District is considered a “Litigating Subdivision” or “Litigating Special District” if it has brought Released Claims against Released Entities on or before the Reference Date; all other Subdivisions and Special Districts are considered “Non-Litigating.” For purposes of Incentive A, Non-Litigating Special Districts shall not include a Special District with any of the following words or phrases in its name: mosquito, pest, insect, spray, vector, animal, air quality, air pollution, clean air, coastal water, tuberculosis, and sanitary.
 - c. Qualification for Incentive A entitles the qualifying Settling State to expedited payment of base payments and incentive payments for Payment Years 1-4, which Janssen shall pay into the Settlement Fund within ninety (90) days after receiving notice from the Settlement Fund Administrator that a State has qualified for Incentive A, but in no event less than ninety (90) days from the Effective Date. Base and incentive payments for Payment Years 5-10 will not be expedited.
 - d. If a Settling State qualifies for Incentive A after receiving an incentive payment under Incentives B or C, described below, the Settling State’s payments under Incentive A will equal the remainder of its total Incentive A payments less any payments previously received under Incentives B or C. A Settling State that receives all of its maximum incentive allocation under Incentive A shall not receive additional incentive payments under Incentives B or C.
 - e. A Settling State that is not eligible for Incentive A as of the Incentive Payment Final Eligibility Date shall not be eligible for Incentive A for that Payment Year or any subsequent Payment Years.

5. *Incentive B: Early Participation or Released Claims by Litigating Subdivisions and Litigating Special Districts.*
- a. If a Settling State does not qualify for Incentive A, it may still qualify to receive up to 60% of its total potential Incentive A payment allocation under Incentive B.
 - b. A Settling State can qualify for an Incentive B payment if Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of the Settling State’s litigating population are either Participating Subdivisions or have their claims resolved through Case-Specific Resolutions.
 - (1) A Settling State’s litigating population is the sum of the population of all Litigating Subdivisions and Litigating Special Districts. A Settling State’s litigating population shall include all Litigating Subdivisions and Litigating Special Districts whose populations overlap in whole or in part with other Litigating Subdivisions and Litigating Special Districts, for instance in the case of a Litigating Special District, city, or township contained within a county.
 - (2) For example, if a Litigating Special District and a city that is a Litigating Subdivision are located within a county that is a Litigating Subdivision, then each of their individual populations would be added together to determine the total litigating population. Special District populations shall be counted in the manner set forth in subsection XIII.B. If each qualifies as a Litigating Subdivision or Litigating Special District and the county has a population of 10, the City has a population of 8, and the Special District has a population of 1, the total litigating population would be 19.
 - c. The following time periods apply to Incentive B payments:
 - (1) Period 1: Zero to two hundred ten (210) days after the Effective Date.
 - (2) Period 2: Two hundred eleven (211) days to one year after the Effective Date.
 - (3) Period 3: One year and one day to two years after the Effective Date.
 - d. Within Period 1: If Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of a Settling State’s litigating population are Participating Subdivisions or have their claims resolved through Case-Specific Resolutions during Period 1, a sliding scale will determine the share of the funds available under Incentive B, with a

maximum of 60% of the Settling State’s total potential incentive payment allocation available. Under that sliding scale, if Litigating Subdivisions and Litigating Special Districts collectively representing 75% of a Settling State’s litigating population become Participating Subdivisions or achieve Case-Specific Resolution status by the end of Period 1, a Settling State will receive 50% of the total amount available to it under Incentive B. If more Litigating Subdivisions and Litigating Special Districts become Participating Subdivisions or achieve Case-Specific Resolution status, the Settling State shall receive an increased percentage of the total amount available to it under Incentive B as shown in the table below.

Participation or Case-Specific Resolution Levels (As percentage of litigating population)	Incentive B Award (As percentage of total amount available to State under Incentive B)
75%	50%
76%	52%
77%	54%
78%	56%
79%	58%
80%	60%
85%	70%
90%	80%
95%	90%
100%	100%

- e. Within Period 2: If a Settling State did not qualify for an Incentive B payment in Period 1, but Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of the Settling State’s litigating population become Participating Subdivisions or achieve Case-Specific Resolution status by the end of Period 2, then the Settling State qualifies for 75% of the Incentive B payment it would have qualified for in Period 1.
- f. Within Period 3: If a Settling State did not qualify for an Incentive B payment in Periods 1 or 2, but Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of the Settling State’s litigating population become Participating Subdivisions or achieve Case-Specific Resolution status by the end of Period 3, then the Settling State qualifies for 50% of the Incentive B payment it would have qualified for in Period 1.
- g. A Settling State that receives the Incentive B payment for Periods 1 and/or 2 can receive additional payments if it secures participation from additional Litigating Subdivisions and Litigating Special Districts (or Case-Specific Resolutions of their claims) during Periods 2 and/or 3.

Those additional payments would equal 75% (for additional participation or Case-Specific Resolutions during Period 2) and 50% (for additional participation or Case-Specific Resolutions during Period 3) of the amount by which the increased litigating population levels would have increased the Settling State's Incentive B payment if they had been achieved in Period 1.

- h. If Litigating Subdivisions and Litigating Special Districts that have become Participating Subdivisions or achieved Case-Specific Resolution status collectively represent less than 75% of a Settling State's litigating population by the end of Period 3, the Settling State shall not receive any Incentive B payment.
- i. If there are no Litigating Subdivisions or Litigating Special Districts in a Settling State, and that Settling State is otherwise eligible for Incentive B, that Settling State will receive its full allocable share of Incentive B.
- j. Incentives earned under Incentive B shall accrue after each of Periods 1, 2, and 3. After each period, the Settlement Fund Administrator shall conduct a look-back to assess which Settling States vested an Incentive B payment in the preceding period. Based on the look-back, the Settlement Fund Administrator will calculate the incentives accrued under Incentive B for the period; *provided* that the percentage of Incentive B for which a Settling State is eligible as of the Incentive Payment Final Eligibility Date shall cap its eligibility for that Payment Year and all subsequent Payment Years.

6. *Incentive C: Early Participation of Subdivisions*

- a. If a Settling State does not qualify for Incentive A, it may still qualify to receive up to 40% of its total potential Incentive A payment allocation under Incentive C, which has two parts.
 - (1) Part 1: Under Incentive C, Part 1, a Settling State can receive up to 75% of its Incentive C allocation. A Settling State can qualify for a payment under Incentive C, Part 1 only if Primary Subdivisions (whether Litigating Primary Subdivisions or Non-Litigating Primary Subdivisions as of the Reference Date) representing at least 60% of the Settling State's Primary Subdivision population become Participating Subdivisions or achieve Case-Specific Resolution status.
 - (2) A Settling State's Primary Subdivision population is the sum of the population of all Primary Subdivisions (whether Litigating Primary Subdivisions or Non-Litigating Primary Subdivisions as of the Reference Date). Because Subdivisions include Subdivisions whose populations overlap in whole or in part with other

Subdivisions, for instance in the case of a city or township contained within a county, the Settling State’s Primary Subdivision population is greater than Settling State’s total population. (Special Districts are not relevant for purposes of Incentive C calculations.)

- (3) A sliding scale will determine the share of the funds available under Incentive C, Part 1 to Settling States meeting the minimum 60% threshold. Under that sliding scale, if a Settling State secures participation or Case-Specific Resolutions from Primary Subdivisions representing 60% of its total Primary Subdivision population, it will receive 40% of the total amount potentially available to it under Incentive C, Part 1. If a Settling State secures participation or Case-Specific Resolutions from Primary Subdivisions representing more than 60% of its Primary Subdivision population, the Settling State shall be entitled to receive a higher percentage of the total amount potentially available to it under Incentive C, Part 1, on the scale shown in the table below. If there are no Primary Subdivisions, and that Settling State is otherwise eligible for Incentive C, that Settling State will receive its full allocable share of Incentive C, Part 1.

Participation or Case-Specific Resolution Levels (As percentage of total Primary Subdivision population)	Incentive C Award (As percentage of total amount available to State under Incentive C, Part 1)
60%	40%
70%	45%
80%	50%
85%	55%
90%	60%
91%	65%
92%	70%
93%	80%

- b. Part 2: If a Settling State qualifies to receive an incentive under Incentive C, Part 1, the State can also qualify to receive an additional incentive amount equal to 25% of its total potential Incentive C allocation by securing 100% participation of the ten (10) largest Subdivisions by population in the Settling State. (Special Districts are not relevant for purposes of this calculation.) If a Settling State does not qualify for any amount under Incentive C, Part 1, it cannot qualify for Incentive C, Part 2.
- c. Incentives earned under Incentive C shall accrue on an annual basis up to three years after the Effective Date. At one, two, and three years after the

Effective Date, the Settlement Fund Administrator will conduct a look-back to assess which Subdivisions had agreed to participate or had their claim resolved through a Case-Specific Resolution that year. Based on the look-back, the Settlement Fund Administrator will calculate the incentives accrued under Incentive C for the year; *provided* that the percentage of Incentive C for which a Settling State is eligible as of the Incentive Payment Final Eligibility Date shall cap its eligibility for that Payment Year and all subsequent Payment Years.

7. *Incentive D: Release of Payments if No Qualifying Special District Litigation.*
- a. \$213,230,769 shall be available for potential Incentive D payments according to the terms specified in this subsection V.E.7.
 - b. If, within five years of the Reference Date, a Covered Special District files litigation against any Released Entity, Janssen shall, within thirty (30) days of Janssen being served, provide notice of the litigation to the Settling State in which the Covered Special District sits, which shall file a motion to intervene in the litigation and use its best efforts to obtain either dismissal of the litigation in cooperation with Janssen, or a release consistent with Section IV of the Special District's Claims.
 - c. A Settling State shall receive its allocation of the Incentive D payment if, within five years after the Effective Date (the "look-back date"), no Covered Special District within the Settling State has filed litigation which has survived a Threshold Motion and remains pending as of the look-back date, unless the dismissal after the litigation survived the Threshold Motion is conditioned or predicated upon payment by a Released Entity (apart from payments by Janssen incurred under the Agreement or injunctive relief obligations incurred by it).
 - d. Prior to the look-back date, a Released Entity shall not enter into a settlement with a Covered Special District unless the State in which the Covered Special District sits consents to such a settlement or unreasonably withholds consent of such a settlement.
 - e. "*Covered Special Districts*" are school districts, healthcare/hospital districts, and fire districts, subject to the following population thresholds:
 - (1) For school districts, the K-12 student enrollment must be 25,000 or 0.12% of a State's population, whichever is greater;
 - (2) For fire districts, the district must cover a population of 25,000, or 0.20% of a State's population if a State's population is greater than 18 million. If not easily calculable from state data sources and agreed to between the State and Janssen, a fire district's population is calculated by dividing the population of the county or counties a

fire district serves by the number of fire districts in the county or counties.

- (3) For healthcare/hospital districts, the district must have at least 125 hospital beds in one or more hospitals rendering services in that district.

VI. Allocation and Use of Settlement Funds

- A. *Components of Settlement Fund.* The Settlement Fund shall be comprised of an Abatement Accounts Fund, a State Fund, and a Subdivision Fund for each Settling State. The payments under Section V into the Settlement Fund shall be initially allocated among those three (3) sub-funds and distributed and used as provided below or as provided for by a State-Subdivision Agreement (or other State-specific allocation of funds). Unless otherwise specified herein, payments placed into the Settlement Fund do not revert back to Janssen.
- B. *Use of Settlement Payments.*
 1. It is the intent of the Parties that the payments disbursed from the Settlement Fund to Settling States and Participating Subdivisions listed in Exhibit G be for Opioid Remediation, subject to limited exceptions that must be documented in accordance with subsection VI.B.2. In no event may less than 86.5% of Janssen’s maximum amount of payments pursuant to Sections V, X, and XI over the entirety of all Payment Years (but not any single Payment Year) be spent on Opioid Remediation.
 2. While disfavored by the Parties, a Settling State or Participating Subdivision listed on Exhibit G may use monies from the Settlement Fund (that have not been restricted by this Agreement solely to future Opioid Remediation) for purposes that do not qualify as Opioid Remediation. If, at any time, a Settling State or a Participating Subdivision listed on Exhibit G uses any monies from the Settlement Fund for a purpose that does not qualify as Opioid Remediation, such Settling State or Participating Subdivision shall identify such amounts and report to the Settlement Fund Administrator and Janssen how such funds were used, including if used to pay attorneys’ fees, investigation costs, litigation costs, or costs related to the operation and enforcement of this Agreement, respectively. It is the intent of the Parties that the reporting under this subsection VI.B.2 shall be available to the public. For the avoidance of doubt, (a) any amounts not identified under this subsection VI.B.2 as used to pay attorneys’ fees, investigation costs, or litigation costs shall be included in the “Compensatory Restitution Amount” for purposes of subsection VI.F and (b) Participating Subdivisions not listed on Exhibit G or Participating Special Districts that receive monies from the Settlement Fund indirectly may only use such monies from the Settlement Fund for purposes that qualify as Opioid Remediation.

- C. *Allocation of Settlement Fund.* The allocation of the Settlement Fund allows for different approaches to be taken in different states, such as through a State-Subdivision Agreement. Given the uniqueness of States and their Subdivisions, Settling States and Participating Subdivisions are encouraged to enter into State-Subdivision Agreements in order to direct the allocation of their portion of the Settlement Fund. As set out below, the Settlement Fund Administrator will make an initial allocation to three (3) state-level sub-funds. The Settlement Fund Administrator will then, for each Settling State and its Participating Subdivisions listed on Exhibit G, apply the terms of this Agreement and any relevant State-Subdivision Agreement, Statutory Trust, Allocation Statute, or voluntary redistribution of funds as set out below before disbursing the funds.
1. Base Payments. The Settlement Fund Administrator will allocate base payments under subsection V.D among the Settling States in proportion to their respective Overall Allocation Percentages. Base payments for each Settling State will then be allocated 15% to its State Fund, 70% to its Abatement Accounts Fund, and 15% to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in subsection VI.D.
 2. Incentive Payments. The Settlement Fund Administrator will treat incentive payments under subsection V.E on a State-specific basis. Incentive payments for which a Settling State is eligible under subsection V.E will be allocated 15% to its State Fund, 70% to its Abatement Accounts Fund, and 15% to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in subsection VI.D.
 3. Application of Adjustments. If a reduction, offset, or suspension under Section IX applies with respect to a Settling State, the reduction, offset, or suspension shall be applied proportionally to all amounts that would otherwise be apportioned and distributed to the State Fund, the Abatement Accounts Fund, and the Subdivision Fund for that State.
 4. Settlement Fund Administrator. Prior to the Initial Participation Date, Janssen and the Enforcement Committee will agree to a detailed mechanism consistent with the foregoing for the Settlement Fund Administrator to follow in allocating, apportioning, and distributing payments, which shall be appended hereto as Exhibit L.
 5. Settlement Fund Administrator Costs. Any costs and fees associated with or arising out of the duties of the Settlement Fund Administrator as described in Exhibit L with regard to Janssen's payments to the Settlement Fund shall be paid out of interest accrued on the Settlement Fund and from the Settlement Fund should such interest prove insufficient.
- D. *Settlement Fund Reallocation and Distribution.* As set forth below, within a particular Settling State's account, amounts contained in the Settlement Fund sub-funds may be reallocated and distributed per a State-Subdivision Agreement or other means. If the

apportionment of amounts is not addressed and controlled under subsections VI.D.1-2, then the default provisions of subsection VI.D.4 apply. It is not necessary that a State-Subdivision Agreement or other means of allocating funds pursuant to subsections VI.D.1-2 address all of the Settlement Fund sub-funds. For example, a Statutory Trust might only address disbursements from a Settling State's Abatement Accounts Fund.

1. Distribution by State-Subdivision Agreement. If a Settling State has a State-Subdivision Agreement, amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under subsection VI.C shall be reallocated and distributed as provided by that agreement. Any State-Subdivision Agreement entered into after the Preliminary Agreement Date shall be applied only if it requires: (1) that all amounts be used for Opioid Remediation, except as allowed by subsection VI.B.2, and (2) that at least 70% of amounts be used solely for future Opioid Remediation (references to "future Opioid Remediation" include amounts paid to satisfy any future demand by another governmental entity to make a required reimbursement in connection with the past care and treatment of a person related to the Alleged Harms). For a State-Subdivision Agreement to be applied to the relevant portion of an Initial Year Payment or an Annual Payment, notice must be provided to Janssen and the Settlement Fund Administrator at least sixty (60) days prior to the Payment Date.
2. Distribution by Allocation Statute. If a Settling State has an Allocation Statute and/or a Statutory Trust that addresses allocation or distribution of amounts apportioned to such State's State Fund, Abatement Accounts Fund, and/or Subdivision Fund and that, to the extent any or all such sub-funds are addressed, requires (1) all amounts to be used for Opioid Remediation, except as allowed by subsection VI.B.2, and (2) at least 70% of all amounts to be used solely for future Opioid Remediation, then, to the extent allocation or distribution is addressed, the amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under subsection VI.C shall be allocated and distributed as addressed and provided by the applicable Allocation Statute or Statutory Trust. For the avoidance of doubt, an Allocation Statute or Statutory Trust need not address all three (3) sub-funds that comprise the Settlement Fund, and if the applicable Allocation Statute or Statutory Trust does not address distribution of all or some of these three (3) sub-funds, the applicable Allocation Statute or Statutory Trust does not replace the default provisions in subsection VI.D.4 of any such unaddressed fund. For example, if an Allocation Statute or Statutory Trust that meets the requirements of this subsection VI.D.2 only addresses funds restricted to abatement, then the default provisions in this Agreement concerning allocation among the three (3) sub-funds comprising the Settlement Fund and the distribution of the State Fund and Subdivision Fund for that State would still apply, while the distribution of the applicable State's Abatement Accounts Fund would be governed by the qualifying Allocation Statute or Statutory Trust.
3. Voluntary Redistribution. A Settling State may choose to reallocate all or a portion of its State Fund to its Abatement Accounts Fund. A Participating Subdivision listed on Exhibit G may choose to reallocate all or a portion of its

allocation from the Subdivision Fund to the State's Abatement Accounts Fund or to another Participating Subdivision or Participating Special District. For a voluntary redistribution to be applied to the relevant portion of an Initial Year Payment or an Annual Payment, notice must be provided to the Settling Distributors and the Settlement Fund Administrator at least sixty (60) days prior to the Payment Date.

4. Distribution in the Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. If subsections VI.D.1-2 do not apply, amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under subsection VI.C shall be distributed as follows:
 - a. Amounts apportioned to that State's State Fund shall be distributed to that State.
 - b. Amounts apportioned to that State's Abatement Accounts Fund shall be distributed consistent with subsection VI.E. Each Settling State shall submit to the Settlement Fund Administrator a designation of a lead state agency or other entity to serve as the single point of contact for that Settling State's funding requests from the Abatement Accounts Fund and other communications with the Settlement Fund Administrator. The designation of an individual entity is for administrative purposes only and such designation shall not limit funding to such entity or even require that such entity receive funds from this Agreement. The designated entity shall be the only entity authorized to request funds from the Settlement Fund Administrator to be disbursed from that Settling State's Abatement Accounts Fund. If a Settling State has established a Statutory Trust then that Settling State's single point of contact may direct the Settlement Fund Administrator to release the State's Abatement Accounts Fund to the Statutory Trust.
 - c. Amounts apportioned to that State's Subdivision Fund shall be distributed to Participating Subdivisions in that State listed on Exhibit G per the Subdivision Allocation Percentage listed in Exhibit G. Subsection VII.I shall govern amounts that would otherwise be distributed to Non-Participating Subdivisions listed in Exhibit G.
 - d. Special Districts shall not be allocated funds from the Subdivision Fund, except through a voluntary redistribution allowed by subsection VI.D.3. A Settling State may allocate funds from its State Fund or Abatement Accounts Fund for Special Districts.
5. Restrictions on Distribution. No amounts may be distributed from the Subdivision Fund contrary to Section VII, *i.e.*, no amounts may be distributed directly to Non-Participating Subdivisions or to Later Participating Subdivisions in excess of what is permissible under subsection VII.E. Amounts allocated to the Subdivision Fund that cannot be distributed by virtue of the preceding sentence shall be distributed

into the sub-account in the Abatement Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement described in subsection VI.D.1 or by an Allocation Statute or a Statutory Trust described in subsection VI.D.2.

E. *Provisions Regarding Abatement Accounts Fund.*

1. State-Subdivision Agreement, Allocation Statute, and Statutory Trust Fund Provisions. A State-Subdivision Agreement, Allocation Statute, or Statutory Trust may govern the operation and use of amounts in that State's Abatement Accounts Fund so long as it complies with the requirements of subsection VI.D.1 or VI.D.2 as applicable, and all direct payments to Subdivisions comply with subsections VII.E-H.
2. Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. In the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust that addresses distribution, the Abatement Accounts Fund will be used solely for future Opioid Remediation and the following shall apply with respect to a Settling State:
 - a. *Regional Remediation.*
 - (1) At least 50% of distributions for remediation from a State's Abatement Accounts Fund shall be annually allocated and tracked to the regional level. A Settling State may allow the Advisory Committee established pursuant to subsection VI.E.2.d to define its regions and assign regional allocations percentages. Otherwise, a Settling State shall (1) define its initial regions, which shall consist of one (1) or more Subdivisions and which shall be designated by the State agency with primary responsibility for substance abuse disorder services employing, to the maximum extent practical, existing regions established in that State for opioid abuse treatment or other public health purposes; and (2) assign initial regional allocation percentages to the regions based on the Subdivision Allocation Percentages in Exhibit G and an assumption that all Subdivisions listed on Exhibit G will become Participating Subdivisions.
 - (2) This minimum regional expenditure percentage is calculated on the Settling State's initial Abatement Accounts Fund allocation and does not include any additional amounts a Settling State has directed to its Abatement Accounts Fund from its State Fund, or any other amounts directed to the fund. A Settling State may dedicate more than 50% of its Abatement Accounts Fund to the regional expenditure and may annually adjust the percentage of its Abatement Accounts Fund dedicated to regional expenditures as long as the percentage remains above the minimum amount.

- (3) The Settling State (1) has the authority to adjust the definition of the regions, and (2) may annually revise the percentages allocated to each region to reflect the number of Subdivisions in each region that are Non-Participating Subdivisions.
- b. *Subdivision Block Grants.* Certain Subdivisions listed on Exhibit G shall be eligible to receive regional allocation funds in the form of a block grant for future Opioid Remediation. A Participating Subdivision listed on Exhibit G eligible for block grants is a county or parish (or in the case of States that do not have counties or parishes that function as political subdivisions, a city) that (1) does not contain a Litigating Subdivision or a Later Litigating Subdivision for which it has the authority to end the litigation through a release, bar, or other action; (2) either (i) has a population of 400,000 or more or (ii) in the case of California has a population of 750,000 or more; and (3) has funded or otherwise managed an established health care or treatment infrastructure (e.g., health department or similar agency). Each Subdivision listed on Exhibit G eligible to receive block grants shall be assigned its own region.
 - c. *Small States.* Notwithstanding the provisions of subsection VI.E.2.a, Settling States with populations under four (4) million that do not have existing regions described in subsection VI.E.2.a shall not be required to establish regions. However, such a Settling State that contains one (1) or more Subdivisions listed on Exhibit G eligible for block grants under subsection VI.E.2.b shall be divided regionally so that each block-grant eligible Subdivision listed on Exhibit G is a region and the remainder of the state is a region.
 - d. *Advisory Committee.* The Settling State shall designate an Opioid Settlement Remediation Advisory Committee (the “*Advisory Committee*”) to provide input and recommendations regarding remediation spending from that Settling State’s Abatement Accounts Fund. A Settling State may elect to use an existing advisory committee or similar entity (created outside of a State-Subdivision Agreement or Allocation Statute); provided, however, the Advisory Committee or similar entity shall meet the following requirements:
 - (1) Written guidelines that establish the formation and composition of the Advisory Committee, terms of service for members, contingency for removal or resignation of members, a schedule of meetings, and any other administrative details;
 - (2) Composition that includes at least an equal number of local representatives as state representatives;
 - (3) A process for receiving input from Subdivisions and other communities regarding how the opioid crisis is affecting their

communities, their abatement needs, and proposals for abatement strategies and responses; and

- (4) A process by which Advisory Committee recommendations for expenditures for Opioid Remediation will be made to and considered by the appropriate state agencies.

3. Abatement Accounts Fund Reporting. The Settlement Fund Administrator shall track and assist in the report of remediation disbursements as agreed to among the Parties.

F. *Nature of Payment*. Janssen, the Settling States, the Participating Subdivisions, and the Participating Special Districts, acknowledge and agree that notwithstanding anything to the contrary in this Agreement, including, but not limited to, the scope of the Released Claims:

1. Janssen has entered into this Agreement to avoid the delay, expense, inconvenience, and uncertainty of further litigation;
2. The Settling States, the Participating Subdivisions, and the Participating Special Districts sought compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) as damages for the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions;
3. By executing this Agreement the Settling States, the Participating Subdivisions, and the Participating Special Districts certify that: (a) the Compensatory Restitution Amount is no greater than the amount, in the aggregate, of the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions; and (b) the portion of the Compensatory Restitution Amount received by each Settling State or Participating Subdivision is no greater than the amount of the Alleged Harms allegedly suffered by such Settling State or Participating Subdivision;
4. The payment of the Compensatory Restitution Amount by Janssen constitutes, and is paid for, compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) for alleged damage or harm (as compensation for alleged damage or harm arising out of alleged bodily injury) allegedly caused by Janssen;
5. The Compensatory Restitution Amount is being paid as compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) in order to restore, in whole or in part, the Settling States and Participating Subdivisions to the same position or condition that they would be in had the Settling States and Participating Subdivisions not suffered the Alleged Harms;
6. For the avoidance of doubt: (a) no portion of the Compensatory Restitution Amount represents reimbursement to any Settling State, Participating Subdivision, Participating Special District, or other person or entity for the costs of any investigation or litigation, (b) the entire Compensatory Restitution Amount

is properly characterized as described in subsection VI.F, and (c) no portion of the Compensatory Restitution Amount constitutes disgorgement or is properly characterized as the payment of statutory or other fines, penalties, punitive damages, other punitive assessments, or attorneys' fees; and

7. New York, on behalf of all Settling States, Participating Subdivisions, and Participating Special Districts (the "Form 1098-F Filer") shall complete and file Form 1098-F with the Internal Revenue Service on or before February 28 (March 31 if filed electronically) of the year following the calendar year in which the order entering this Agreement becomes binding. On the Form 1098-F, the Form 1098-F Filer shall identify the entire Compensatory Restitution Amount received by the Form 1098-F Filer as remediation/restitution. The Form 1098-F Filer shall also, on or before January 31 of the year following the calendar year in which the order entering this Agreement becomes binding, furnish Copy B of such Form 1098-F (or an acceptable substitute statement) to Janssen.

VII. Participation by Subdivisions and Special Districts

- A. *Notice.* No later than fifteen (15) days after the Preliminary Agreement Date, the Settling States, with the cooperation of Janssen, shall send individual written notice of the opportunity to participate in this Agreement and the requirements of participation to all Subdivisions in the Settling States of this Agreement that are (1) Litigating Subdivisions or (2) Non-Litigating Subdivisions listed on Exhibit G as eligible to become Participating Subdivisions. Janssen's share of costs of the written notice to such Subdivisions shall be advanced by Janssen and deducted from its initial settlement payment. Notice shall also be provided simultaneously to counsel of record for Litigating Subdivisions and Non-Litigating Subdivisions listed on Exhibit G as eligible to become Participating Subdivisions. The Settling States, with the cooperation of Janssen, will also provide general notice reasonably calculated to alert Non-Litigating Subdivisions listed on Exhibit G in the Settling States to this Agreement, the opportunity to participate in it and the requirements for participation. Such notice may include publication and other standard forms of notification, as well as notice to national state and county organizations such as the National Association of Counties and the National League of Cities. The notice will include that the deadline for becoming an Initial Participating Subdivision is the Initial Participation Date. Nothing contained herein shall preclude a Settling State from providing further notice to or otherwise contacting any of its Subdivisions about becoming a Participating Subdivision, including beginning any of the activities described in this paragraph prior to the Preliminary Agreement Date.
- B. *Requirements for Becoming a Participating Subdivision: Non-Litigating Subdivisions.* A Non-Litigating Subdivision in a Settling State that is listed on Exhibit G may become a Participating Subdivision by returning an executed Subdivision Settlement Participation Form specifying (1) that the Subdivision agrees to the terms of this Agreement pertaining to Subdivisions, (2) that the Subdivision releases all Released Claims against all Released Entities, (3) that the Subdivision agrees to use monies it receives, if any, from the Settlement Fund pursuant to the applicable requirements of Section VI, and (4) that the Subdivision submits to the jurisdiction of the court where the Consent Judgment is filed

for purposes limited to that court's role under the Agreement. The required Subdivision Settlement Participation Form is attached as Exhibit K.

- C. *Requirements for Becoming a Participating Subdivision: Litigating Subdivisions/Later Litigating Subdivisions.* A Litigating Subdivision or Later Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Settlement Participation Form to the Settlement Fund Administrator and upon prompt dismissal of its legal action. A Settling State may require each Litigating Subdivision in that State to specify on the Subdivision Settlement Participation Form whether its counsel has waived any contingency fee contract with that Participating Subdivision and intends to seek fees according to Exhibit R. The Settlement Fund Administrator shall provide quarterly reports of this information to the parties organized by Settling State. Except for trials begun before the Initial Participation Date, a Litigating Subdivision or a Later Litigating Subdivision may not become a Participating Subdivision after the completion of opening statements in a trial of a legal action it brought that includes a Released Claim against a Released Entity.
- D. *Initial Participating Subdivisions.* A Subdivision qualifies as an Initial Participating Subdivision if it meets the applicable requirements for becoming a Participating Subdivision set forth in subsections VII.B or VII.C by the Initial Participation Date. Provided however, all Subdivision Settlement Participation Forms shall be held by the Settlement Fund Administrator until Janssen provides the notice in subsection VIII.B that it intends to proceed with the settlement, at which time the obligations created by such forms become effective.
- E. *Later Participating Subdivisions.* A Subdivision that is not an Initial Participating Subdivision may become a Later Participating Subdivision by meeting the applicable requirements for becoming a Participating Subdivision after the Initial Participation Date and agreeing to be subject to the terms of a State-Subdivision Agreement (if any) or any other structure adopted or applicable pursuant to subsections VI.D or VI.E. The following provisions govern what a Later Participating Subdivision can receive (but do not apply to Initial Participating Subdivisions):
1. A Later Participating Subdivision shall not receive any share of any base or incentive payments paid to the Subdivision Fund that were due before it became a Participating Subdivision.
 2. A Later Participating Subdivision that becomes a Participating Subdivision after July 15, 2022 shall receive 75% of the share of future base or incentive payments that it would have received had it become a Later Participating Subdivision before that date (unless the Later Participating Subdivision is subject to subsections VII.E.3 or VII.E.4 below).
 3. A Later Participating Subdivision that, after the Initial Participation Date, maintains a lawsuit for a Released Claim(s) against a Released Entity and has judgment entered against it on every such Claim before it became a Participating Subdivision (other than a consensual dismissal with prejudice) shall receive 50%

of the share of future base or incentive payments that it would have received had it become a Later Participating Subdivision prior to such judgment; *provided, however,* that if the Subdivision appeals the judgment and the judgment is affirmed with finality before the Subdivision becomes a Participating Subdivision, the Subdivision shall not receive any share of any base payment or incentive payment.

4. A Later Participating Subdivision that becomes a Participating Subdivision while a Bar or Case-Specific Resolution involving a different Subdivision exists in its State shall receive 25% of the share of future base or incentive payments that it would have received had it become a Later Participating Subdivision without such Bar or Case-Specific Resolution.
- F. *No Increase in Payments.* Amounts to be received by Later Participating Subdivisions shall not increase the payments due from Janssen.
- G. *Ineligible Subdivisions.* Subdivisions in Non-Settling States and Prior Litigating Subdivisions are not eligible to be Participating Subdivisions.
- H. *Non-Participating Subdivisions.* Non-Participating Subdivisions shall not directly receive any portion of any base or incentive payments, including from the State Fund and direct distributions from the Abatement Accounts Fund; however, a Settling State may choose to fund future Opioid Remediation that indirectly benefits Non-Participating Subdivisions.
- I. *Unpaid Allocations to Later Participating and Non-Participating Subdivisions.* Any base payment and incentive payments allocated pursuant to subsection VI.D to a Later Participating or Non-Participating Subdivision that cannot be paid pursuant to this Section VII, will be allocated to the Abatement Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement or by a Statutory Trust.
- J. *Requirements for Becoming a Participating Special District: Non-Litigating Special Districts.* A Non-Litigating Special District may become a Participating Special District by either executing a release consistent with Section IV or by having its claims extinguished by operation of law or released by a Settling State.
- K. *Requirements for Becoming a Participating Special District: Litigating Special Districts/Later Litigating Special Districts.* A Litigating Special District or Later Litigating Special District in a Settling State may become a Participating Special District by either executing a release consistent with Section IV and upon prompt dismissal of its legal action or by having its claims extinguished by operation of law or released by a Settling State.
- L. *Initial Participating Special Districts.* A Special District qualifies as an Initial Participating Special District if it meets the applicable requirements for becoming a Participating Special District by the Initial Participation Date.

- M. *Later Participating Special Districts.* A Special District that is not an Initial Participating Special District may become a Later Participating Special District by meeting the applicable requirements for becoming a Participating Special District after the Initial Participation Date and agreeing to be subject to the terms of any agreement reached by the applicable Settling State with Initial Participating Special Districts. A Later Participating Special District shall not receive any share of any base or incentive payments paid to the Settlement Fund that were due before it became a Participating Special District.

VIII. Condition to Effectiveness of Agreement and Filing of Consent Judgment

- A. *Determination to Proceed With Settlement.* Janssen will determine on or before the Reference Date whether there has been a sufficient resolution of the Claims of the Litigating Subdivisions in the Settling States (through participation under Section VII, Case-Specific Resolution(s), and Bar(s)) to proceed with this Agreement. The determination shall be in the sole discretion of Janssen and may be based on any criteria or factors deemed relevant by Janssen.
- B. *Notice by Janssen.* On or before the Reference Date, Janssen shall inform the Settling States and MDL PEC of its determination pursuant to subsection VIII.A. If Janssen determines to proceed, the Parties will proceed to file the Consent Judgments. If Janssen determines not to proceed, this Agreement will have no further effect and all releases (including those given by Participating Subdivisions) and other commitments or obligations contained herein will be void.
- C. *Determination of the Participation Tier.*
1. On the Reference Date, provided that Janssen determines to proceed with this Agreement, the Settlement Fund Administrator shall determine the Participation Tier. The criteria used to determine the Participation Tier are set forth in Exhibit H. Any disputes as to the determination of the Participation Tier shall be decided by the National Arbitration Panel.
 2. The Participation Tier shall be redetermined by the Settlement Fund Administrator annually as of the Payment Date, beginning with Payment Year 1, pursuant to the criteria set forth in Exhibit H.
 3. After Payment Year 3, the Participation Tier cannot move higher, unless this restriction is waived by Janssen.
 4. In the event that a Participation Tier redetermination moves the Participation Tier higher, and that change is in whole or in part as a result of the post-Reference Date enactment of a Bar and there is later a Revocation Event with respect to that Bar, then on the next Payment Date that is at least one hundred eighty (180) days after the Revocation Event, the Participation Tier shall move down to the Participation Tier that would have applied had the Bar never been enacted, unless the Bar is reinstated or all Subdivisions affected by the Revocation Event become Participating Subdivisions within one hundred eighty (180) days of the

Revocation Event. This is the sole circumstance in which, on a nationwide basis, the Participation Tier can move down.

5. In the event that there is a post-Reference Date Revocation Event with respect to a Bar that was enacted in a Settling State prior to the Reference Date, then, on the next Payment Date that is at least one hundred eighty (180) days after the Revocation Event, unless the Bar is reinstated or all Subdivisions affected by the Revocation Event become Participating Subdivisions within one hundred eighty (180) days of the Revocation Event, the Participation Tier shall decrease – solely for the State in which the Revocation Event occurred – to the Participation Tier commensurate with the percentage of Litigating Subdivisions in that State that are Participating Subdivisions and the percentage of Non-Litigating Subdivisions that are both Primary Subdivisions and Participating Subdivisions, according to the criteria set forth in Exhibit H, except that the calculations shall be performed as to that State alone. For the avoidance of doubt and solely for the calculation in this subparagraph, the Settling States Column of Exhibit H shall play no role. This is the sole circumstance in which one Settling State will have a different Participation Tier than other Settling States.
6. The redetermination of the Participation Tier under subsection VIII.C.2 shall not affect payments already made or suspensions or offsets already applied.

IX. Potential Payment Adjustments

A. *Later Litigating Subdivisions.*

1. If a Later Litigating Subdivision in a Settling State with a population above 10,000 brings a lawsuit or other legal proceeding against Released Entities asserting Released Claims, Janssen shall, within thirty (30) days of the lawsuit or other legal proceeding being served on Janssen, provide notice of the lawsuit or other legal proceeding to the Settlement Fund Administrator and the Settling State in which the Later Litigating Subdivision sits and provide the Settling State an opportunity to intervene in the lawsuit or other legal proceeding. A Released Entity shall not enter into a settlement with a Later Litigating Subdivision unless the State in which the Later Litigating Subdivision sits consents to such a settlement or unreasonably withholds consent to such a settlement.
2. If no Participation Tier applies and the Later Litigating Subdivision’s lawsuit or other legal proceeding survives a Threshold Motion before Janssen makes its last settlement payment to the Settling State, the following shall apply:
 - a. Janssen will, from the date of the entry of the order denying the Threshold Motion and so long as the lawsuit or other legal proceeding is pending, be entitled to a suspension of the following payments it would otherwise owe the Settling State in which the Later Litigating Subdivision is located: (1) all remaining incentive payments to the relevant state; and (2) the last two scheduled base payments, if not already paid (the “Suspended Payments”).

- b. For each Payment Year that Janssen is entitled to a suspension of payments, the Settlement Fund Administrator shall calculate the Suspended Payments applicable to the next Payment due from Janssen. The Suspended Payments shall be paid into the Settlement Fund Escrow account.
 3. If a Participation Tier applies at the time the Threshold Motion is denied, Janssen will be entitled to a suspension of the following percentages of Suspended Payments depending on the applicable Tier—75% for Tier 1, 50% for Tier 2, 35% for Tier 3, and 25% for Tier 4. Otherwise, the requirements of subsection IX.A.2 apply.
 4. If the Released Claim is resolved with finality without requirement of payment by a Released Entity, the placement of any remaining balance of the Suspended Payments into the Settlement Fund Escrow shall cease and the Settlement Fund Administrator shall immediately transfer amounts in the Settlement Fund Escrow on account of the suspension to the Settling State at issue and its Participating Subdivisions listed on Exhibit G. The lawsuit will not cause further suspensions unless the Released Claim is reinstated upon further review, legislative action, or otherwise.
 5. If the Released Claim is resolved with finality on terms requiring payment by a Released Entity (*e.g.*, if the lawsuit in which the Released Claim is asserted results in a judgment against Janssen or a settlement with Janssen), the Settlement Fund Administrator will transfer the amounts in the Settlement Fund Escrow on account of the suspension to Janssen necessary to satisfy 75% of the payment obligation of the Released Entity to the relevant Later Litigating Subdivision. The Settlement Fund Administrator shall immediately transfer any remaining balance in the Settlement Fund Escrow on account of the suspension to the Settling State at issue and its Participating Subdivisions listed on Exhibit G. If the amount to be transferred to Janssen exceeds the amounts in the Settlement Fund Escrow on account of the suspension, Janssen shall receive a dollar-for-dollar offset for the excess amount against its obligation to pay any remaining payments that would be apportioned to the Settling State at issue and to its Participating Subdivisions listed on Exhibit G.
- B. *Settlement Class Resolution Opt Outs.* If a Settling State is eligible for Incentive A on the basis of a Settlement Class Resolution, and a Primary Subdivision that opted out of the Settlement Class Resolution maintains a lawsuit asserting a Released Claim against a Released Entity, the following shall apply. If the lawsuit asserting a Released Claim either survives a Threshold Motion or has an unresolved Threshold Motion fewer than sixty (60) days prior to the scheduled start of a trial involving a Released Claim, and is resolved with finality on terms requiring payment by the Released Entity, Janssen shall receive a dollar-for-dollar offset for the amount paid against its obligation to make remaining Incentive A payments that would be apportioned to that State or Participating Subdivisions listed on Exhibit G. For the avoidance of doubt, an offset shall not be

applicable under this subsection if it is applicable under subsection IX.A with respect to the Subdivision at issue.

C. *Revoked Bar, Settlement Class Resolution, or Case-Specific Resolution.*

1. If Janssen made a payment as a result of the existence of a Bar, Settlement Class Resolution, or Case-Specific Resolution in a Settling State, and that Bar, Settlement Class Resolution, or Case-Specific Resolution is subject to a Revocation Event, Janssen shall receive a dollar-for-dollar offset against its obligation to make remaining payments that would be apportioned to that State or Participating Subdivisions listed on Exhibit G. This offset will be calculated as the dollar amount difference between (1) the total amount of incentive payments paid by Janssen during the time the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event was in effect, and (2) the total amount of Incentive Payments that would have been due from Janssen during that time without the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event being in effect. The amount of incentive payments that would have been due, referenced in (2) above, will be calculated based on considering any Subdivision that provides a release within one hundred eighty (180) days after the Revocation Event as having been a Participating Subdivision (in addition to all other Participating Subdivisions) during the time that the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event was in effect. If a Revocation Event causes a Settling State to no longer qualify for Incentive D, the Settling State shall return to Janssen all payments made under Incentive D.
2. Notwithstanding anything to the contrary in paragraph 1 above, if a Bar or Case-Specific Resolution is reinstated by the Settling State, either through the same or different means as the initial Bar or Case-Specific Resolution, Janssen's right to an offset is extinguished and any amounts withheld to offset amounts paid on account of the revoked, rescinded, reversed, or overruled Bar or Case-Specific Resolution shall be returned to the Settling State, less and except any incentive payments that would have been paid during the period in which the Bar or Case-Specific Resolution was revoked, rescinded, reversed, or overruled.

X. Additional Restitution Amount

- A. *Additional Restitution Amount.* Pursuant to the schedule set forth below and subject to the reduction specified in subsection X.B below, Janssen shall pay an Additional Restitution Amount to the Settling States listed in Exhibit N. Such funds shall be paid on the schedule set forth on Exhibit M on the Payment Date for each relevant Payment Year to such Settling States as allocated by the Settlement Fund Administrator pursuant to Exhibit N.

Payment Year 1	\$15,384,615.38
Payment Year 2	\$26,923,076.92

Payment Year 3 \$25,000,000.00

- B. *Reduction of Additional Restitution Amount.* In the event that any Non-Settling State appears on Exhibit N, the amounts owed by Janssen pursuant to this Section X shall be reduced by the allocation set forth on Exhibit N for any such Non-Settling States.
- C. *Use of Funds.* All funds paid as an Additional Restitution Amount shall be part of the Compensatory Restitution Amount, shall be used for Opioid Remediation, except as allowed by subsection VI.B.2, and shall be governed by the same requirements as specified in subsection VI.F.

XI. Plaintiffs’ Attorneys’ Fees and Costs

- A. The Agreement on Attorneys’ Fees, Expenses and Costs is set forth in Exhibit R and incorporated herein by reference. The Agreement on the State Outside Counsel Fee Fund and Agreement on the State Cost Fund Administration are set forth in Exhibit U and Exhibit S, respectively, and are incorporated herein by reference.

XII. Enforcement and Dispute Resolution

- A. *Enforceability.* The terms of the Agreement and Consent Judgment applicable to or in a Settling State will be enforceable solely by that Settling State and Janssen. Settling States or Participating Subdivisions shall not have enforcement rights with respect either to the terms of this Agreement that apply only to or in other States or to any Consent Judgment entered into by another Settling State. Participating Subdivisions shall not have enforcement rights against Janssen with respect to the Agreement or any Consent Judgment except as to payments that would be allocated to the Subdivision Fund or Abatement Accounts Fund pursuant to Section VI; *provided, however*, that each Settling State shall allow Participating Subdivisions in that State to notify it of any perceived violations of the Agreement or Consent Judgment.
- B. *Jurisdiction.* Janssen consents to the jurisdiction of the court in which the Consent Judgment is filed, limited to resolution of disputes identified in subsection XII.F.2 for resolution in the court in which the Consent Judgment is filed.
- C. *Specific Terms Dispute Resolution.*
 - 1. Any dispute that is addressed by the provisions set forth in the Injunctive Relief terms in Exhibit P shall be resolved as provided therein.
 - 2. In the event Janssen believes the 86.5% threshold established in subsection VI.B.1 is not being satisfied, any Party may request that Janssen and the Enforcement Committee meet and confer regarding the use of funds under subsection VI.B.1. The completion of such meet-and-confer process is a precondition to further action regarding any such dispute. Further action concerning subsection VI.B.1 shall: (i) be limited to Janssen seeking to reduce its Annual Payments by no more than 5% of the difference between the actual amount of Opioid Remediation and the 86.5% threshold established in subsection VI.B.1; (ii) only reduce Annual

Payments to those Settling States and its Participating Subdivisions that are below the 86.5% threshold established in subsection VI.B.1; and (iii) not reduce Annual Payments restricted to future Opioid Remediation.

D. *State-Subdivision Enforcement.*

1. A Participating Subdivision shall not have enforcement rights against a Settling State in which it is located with respect to the Agreement or any Consent Judgment except: (1) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust with respect to intrastate allocation; or (2) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, as to allegations that: (a) the Settling State's use of Abatement Accounts Fund monies were not used for uses similar to or in the nature of those uses contained in Exhibit E; or (b) a Settling State failed to pay funds directly from the Abatement Accounts Fund to a Participating Subdivision eligible to receive a block grant pursuant to subsection VI.E.2.b.
2. A Settling State shall have enforcement rights against a Participating Subdivision located in its territory: (1) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust; or (2) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, as to allegations that the uses of Abatement Accounts Fund monies by Participating Subdivisions listed on Exhibit G were not for uses similar to or in the nature of those uses contained in Exhibit E.
3. As between Settling States and Participating Subdivisions, the above rights are contractual in nature and nothing herein is intended to limit, restrict, change, or alter any other existing rights under law.

E. *Subdivision Payment Enforcement.* A Participating Subdivision shall have the same right as a Settling State pursuant to subsection XII.F.4.a(4) to seek resolution of any failure by Janssen to make its required base and/or incentive payments in a Payment Year.

F. *Other Dispute Resolution Terms.*

1. Except as provided in subsection XII.C, the parties to a dispute shall promptly meet and confer in good faith to resolve any dispute. If the parties cannot resolve the dispute informally, and unless otherwise agreed in writing, they shall follow the remaining provisions of this subsection XII.F to resolve the dispute.
2. Except as provided in subsections XII.C and XII.F.4, disputes not resolved informally shall be resolved in either the court that entered the relevant Consent Judgment or, if no Consent Judgment was entered, a state or territorial court with jurisdiction located wherever the seat of state government is located. State court proceedings shall be governed by the rules and procedures of the forum. For the avoidance of doubt, disputes to be resolved in state court include, but are not limited to, the following:

- a. disputes concerning whether expenditures qualify for Opioid Remediation;
 - b. disputes between a Settling State and Participating Subdivisions located in such Settling State as provided by subsection XII.D, except to the extent the State-Subdivision Agreement provides for other dispute resolution mechanisms. For the avoidance of doubt, disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes;
 - c. whether this Agreement and relevant Consent Judgment are binding under state law;
 - d. the extent of the Attorney General’s or other participating entity’s authority under state law, including the extent of the authority to release claims;
 - e. whether the requirements of a Bar, a Case-Specific Resolution, State-Specific Finality, Later Litigating Subdivision, Litigating Subdivision, or a Threshold Motion have been met; and
 - f. all other disputes not specifically identified in subsections XII.C and XII.F.4.
3. Any Party may request that the National Arbitration Panel provide an interpretation of any provision of the settlement that is relevant to the state court determination, and the National Arbitration Panel shall make reasonable best efforts to supply such interpretation within the earlier of thirty (30) days or the time period required by the state court proceedings. Any Party may submit that interpretation to the state court to the extent permitted by, and for such weight provided by, the state court’s rules and procedures. If requested by a Party, the National Arbitration Panel shall request that its interpretation be accepted in the form of an amicus curiae brief, and any attorneys’ fees and costs for preparing any such filing shall be paid for by the requesting Party.
4. National Disputes involving a Settling State, Participating Subdivision, and/or Janssen shall be resolved by a National Arbitration Panel.
- a. “*National Disputes*” are disputes that are exceptions to subsection XII.F.2’s presumption of resolution in state courts because they involve issues of interpretation of Agreement terms applicable to all Settling States without reference to a particular State’s law. Disputes between a State and any Participating Subdivisions shall not be considered National Disputes. National Disputes are limited to the following:
 - (1) the amount of offset and/or credit attributable to Non-Settling States and Tribes;
 - (2) issues involving the scope and definition of “Product”;

- (3) interpretation and application of the terms “Covered Conduct” and “Released Entities”;
- (4) disputes over a given year’s payment or the payment of the Additional Restitution Amount to all Settling States (for the avoidance of doubt, disputes between a Settling State and Janssen over the amounts owed to only that State shall not be considered National Disputes);
- (5) questions regarding the performance and/or removal of the Settlement Fund Administrator;
- (6) disputes involving liability of successor entities;
- (7) disputes that require a determination of sufficient Subdivision and Special District participation to qualify for Incentives A, B, C, or D, as well as disputes over qualification for Participation Tiers;
- (8) disputes that require interpretation of Agreement terms (i) that concretely affect four (4) or more Settling States; and (ii) do not turn on unique definitions and interpretations under State law; and
- (9) any dispute subject to resolution under subsection XII.F.2 but for which all parties to the dispute agree to arbitration before the National Arbitration Panel under the provisions of this subsection XII.F.4.

b. The “*National Arbitration Panel*” shall be comprised of three (3) neutral arbitrators. One (1) arbitrator shall be chosen by Janssen, one (1) arbitrator shall be chosen by the Enforcement Committee with due input from Participating Subdivisions, and the third arbitrator shall be agreed upon by the first two (2) arbitrators. The membership of the National Arbitration Panel is intended to remain constant throughout the term of this Agreement, but in the event that replacements are required, the retiring arbitrator shall be replaced by the party that selected him/her.

- (1) The National Arbitration Panel shall make reasonable best efforts to decide all matters within one hundred eighty (180) days of filing, and in no event shall it take longer than one (1) year.
- (2) The National Arbitration Panel shall conduct all proceedings in a reasonably streamlined process consistent with an opportunity for the parties to be heard. Issues shall be resolved without the need for live witnesses where feasible, and with a presumption in favor of remote participation to minimize the burdens on the parties.
- (3) To the extent allowed under state law, a Settling State, Participating Subdivision, and (at any party’s request) the National

Arbitration Panel may certify to an appropriate state court any question of state law. The National Arbitration Panel shall be bound by a final state court determination of such a certified question. The time period for the arbitration shall be tolled during the course of the certification process.

- (4) The arbitrators will give due deference to any authoritative interpretation of state law, including any declaratory judgment or similar relief obtained by a Settling State, Participating Subdivision, or Janssen on a state law issue.
 - (5) The decisions of the National Arbitration Panel shall be binding on Settling States, Participating Subdivisions, Janssen, and the Settlement Fund Administrator. In any proceeding before the National Arbitration Panel involving a dispute between a Settling State and Janssen whose resolution could prejudice the rights of a Participating Subdivision(s) or Participating Special District(s) in that Settling State, such Participating Subdivision(s) or Participating Special District(s) shall be allowed to file a statement of view in the proceeding.
- c. Nothing herein shall be construed so as to limit or otherwise restrict a State from seeking injunctive or other equitable relief in state court to protect the health, safety, or welfare of its citizens.
 - d. Each party shall bear its own costs in any arbitration or court proceeding arising under this subsection XII.F. The costs for the arbitrators on the National Arbitration Panel shall be divided and paid equally by the disputing sides for each individual dispute, *e.g.*, a dispute between Janssen and Settling States/Participating Subdivisions shall be split 50% by Janssen and 50% by the Settling States/Participating Subdivisions that are parties to the dispute; a dispute between a Settling State and a Participating Subdivision shall be split 50% by the Settling State and 50% by any Participating Subdivisions that are party to the dispute.
5. Prior to initiating an action to enforce pursuant to this subsection XII.F, the complaining party must:
- a. Provide written notice to the Enforcement Committee of its complaint, including the provision of the Consent Judgment and/or Agreement that the practice appears to violate, as well as the basis for its interpretation of the disputed provision. The Enforcement Committee shall establish a reasonable process and timeline for obtaining additional information from the involved parties; *provided, however*, that the date the Enforcement Committee establishes for obtaining additional information from the parties shall not be more than forty-five (45) days following the notice.

The Enforcement Committee may advise the involved parties of its views on the complaint and/or seek to resolve the complaint informally.

- b. Wait to commence any enforcement action until thirty (30) days after the date that the Enforcement Committee establishes for obtaining additional information from the involved parties.
- 6. If the parties to a dispute cannot agree on the proper forum for resolution of the dispute under the provisions of subsections XII.F.2 or XII.F.4, a committee comprising the Enforcement Committee and sufficient representatives of Janssen such that the members of the Enforcement Committee have a majority of one (1) member will determine the forum where the dispute will be initiated within twenty-eight (28) days of receiving notification of the dispute relating to the proper forum. The forum identified by such committee shall be the sole forum for determining where the dispute shall be heard, and the committee's identification of such forum shall not be entitled to deference by the forum selected.
- G. *No Effect.* Nothing in this Agreement shall be interpreted to limit the Settling State's Civil Investigative Demand ("CID") or investigative subpoena authority, to the extent such authority exists under applicable state law and the CID or investigative subpoena is issued pursuant to such authority, and Janssen reserves all of its rights in connection with a CID or investigative subpoena issued pursuant to such authority.

XIII. Miscellaneous

- A. *No Admission.* Janssen does not admit liability or wrongdoing. Neither this Agreement nor the Consent Judgments shall be considered, construed, or represented to be (1) an admission, concession, or evidence of liability or wrongdoing or (2) a waiver or any limitation of any defense otherwise available to Janssen.
- B. *Population of Subdivisions.* The population figures for Subdivisions shall be the published U.S. Census Bureau's population estimates for July 1, 2019, released May 2020. These population figures shall remain unchanged during the term of this Agreement.
- C. *Population of Special Districts.* For any purpose in this Agreement in which the population of a Special District is used, other than the use of "Covered Special District": (a) School Districts' population will be measured by the number of students enrolled who are eligible under the Individuals with Disabilities Education Act ("*IDEA*") or Section 504 of the Rehabilitation Act of 1973; (b) Health Districts' and Hospital Districts' population will be measured at 25% of discharges; and (c) all other Special Districts' (including Fire Districts' and Library Districts') population will be measured at 10% of the population served.
- D. *Population Associated with Sheriffs.* For any purpose in this Agreement in which the population associated with a lawsuit by a sheriff is used, the population will be measured at 20% of the capacity of the jail(s) operated by the sheriff.

E. *Tax Reporting and Cooperation.*

1. Upon request by Janssen, the Settling States, Participating Subdivisions, and Participating Special Districts agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for Janssen to establish the statements set forth in subsection VI.E.3 to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance.
2. Without limiting the generality of subsection VI.C.1, each Settling State, Participating Subdivision, and Participating Special District shall cooperate in good faith with Janssen with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement.
3. The Designated State, on behalf of all Settling States, Participating Subdivisions, and Participating Special Districts, shall designate one of its officers or employees to act as the “appropriate official” within the meaning of Treasury Regulations Section 1.6050X-1(f)(1)(ii)(B) (the “Appropriate Official”).
4. For the avoidance of doubt, neither Janssen nor the Settling States, Participating Subdivisions, and Participating Special Districts make any warranty or representation to any Settling jurisdiction or Releasor as to the tax consequences of the payment of the Compensatory Restitution Amount (or any portion thereof).

F. *No Third-Party Beneficiaries.* Except as expressly provided in this Agreement, no portion of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not a Settling State or Released Entity. No Settling State may assign or otherwise convey any right to enforce any provision of this Agreement.

G. *Calculation.* Any figure or percentage referred to in this Agreement shall be carried to seven decimal places.

H. *Construction.* None of the Parties and no Participating Subdivision shall be considered to be the drafter of this Agreement or of any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement. The headings of the provisions of this Agreement are not binding and are for reference only and do not limit, expand, or otherwise affect the contents or meaning of this Agreement.

I. *Cooperation.* Each Party and each Participating Subdivision agrees to use its best efforts and to cooperate with the other Parties and Participating Subdivisions to cause this Agreement and the Consent Judgments to become effective, to obtain all necessary approvals, consents and authorizations, if any, and to execute all documents and to take such other action as may be appropriate in connection herewith. Consistent with the foregoing, each Party and each Participating Subdivision agrees that it will not directly or indirectly assist or encourage any challenge to this Agreement or any Consent Judgment

by any other person, and will support the integrity and enforcement of the terms of this Agreement and the Consent Judgments.

- J. *Entire Agreement.* This Agreement, its exhibits and any other attachments, including the attorneys' fees and cost agreement in Exhibit R, embodies the entire agreement and understanding between and among the Parties and Participating Subdivisions relating to the subject matter hereof and supersedes (1) all prior agreements and understandings relating to such subject matter, whether written or oral and (2) all purportedly contemporaneous oral agreements and understandings relating to such subject matter.
- K. *Execution.* This Agreement may be executed in counterparts and by different signatories on separate counterparts, each of which shall be deemed an original, but all of which shall together be one and the same Agreement. One or more counterparts of this Agreement may be delivered by facsimile or electronic transmission with the intent that it or they shall constitute an original counterpart hereof. One or more counterparts of this Agreement may be signed by electronic signature.
- L. *Good Faith and Voluntary Entry.* Each Party warrants and represents that it negotiated the terms of this Agreement in good faith. Each of the Parties and signatories to this Agreement warrants and represents that it freely and voluntarily entered into this Agreement without any degree of duress or compulsion. The Parties state that no promise of any kind or nature whatsoever (other than the written terms of this Agreement) was made to them to induce them to enter into this Agreement.
- M. *No Prevailing Party.* The Parties each agree that they are not the prevailing party in this action, for purposes of any claim for fees, costs, or expenses as prevailing parties arising under common law or under the terms of any statute, because the Parties have reached a good faith settlement. The Parties each further waive any right to challenge or contest the validity of this Agreement on any ground, including, without limitation, that any term is unconstitutional or is preempted by, or in conflict with, any current or future law.
- N. *Non-Admissibility.* The settlement negotiations resulting in this Agreement have been undertaken by the Parties and by certain representatives of the Participating Subdivisions in good faith and for settlement purposes only, and no evidence of negotiations or discussions underlying this Agreement shall be offered or received in evidence in any action or proceeding for any purpose. This Agreement shall not be offered or received in evidence in any action or proceeding for any purpose other than in an action or proceeding arising under or relating to this Agreement.

Any Party or the Plaintiffs' Executive Committee may change or add the contact information of the persons designated to receive notice on its behalf by notice given (effective upon the giving of such notice) as provided in this subsection.

- P. *No Waiver.* The waiver of any rights conferred hereunder shall be effective only if made by written instrument executed by the waiving Party or Parties. The waiver by any Party of any breach of this Agreement shall not be deemed to be or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, nor shall such waiver be deemed to be or construed as a waiver by any other Party.
- Q. *Preservation of Privilege.* Nothing contained in this Agreement or any Consent Judgment, and no act required to be performed pursuant to this Agreement or any Consent Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Party agrees that it shall not make or cause to be made in any forum any assertion to the contrary.
- R. *Successors.* This Agreement shall be binding upon, and inure to the benefit of, Janssen and its respective successors and assigns. Janssen shall not sell the majority of its voting stock or substantially all its assets without obtaining the acquiror's agreement that it will constitute a successor with respect to Janssen's obligations under this Agreement.
- S. *Modification, Amendment, Alteration.* After the Reference Date, any modification, amendment, or alteration of this Agreement by the Parties shall be binding only if evidenced in writing signed by Janssen along with the signatures of at least thirty-seven (37) of those then-serving Attorneys General of the Settling States along with a representation from each Attorney General that either: (1) the advisory committee or similar entity established or recognized by that Settling State (either pursuant to subsection VI.E.2, by a State-Subdivision Agreement, or by statute) voted in favor of the modification, amendment, or alteration of this Agreement including at least one Participating Subdivision-appointed member; or (2) in States without any advisory committee, that 50.1% of the Participating Subdivisions by population expressed approval of the modification, amendment, or alteration of this Agreement in writing.

Provided, however, in the event the modification, amendment, or alteration relates to injunctive relief, interstate allocation between the Settling States, intrastate allocation in a particular Settling State, or fees or costs of Settling States and Participating Subdivisions, then every Settling State and each Participating Subdivision affected by that modification, amendment, or alteration must assent in writing. Provided further that, in the event the modification, amendment, or alteration relates to injunctive relief, then such amendment, modification, or alteration of injunctive relief against Janssen will not be effective unless and until any Consent Judgment is modified by a court of competent jurisdiction, except as otherwise provided by the Injunctive Terms.

T. *Termination.*

1. Unless otherwise agreed to by Janssen and the Settling State in question, this Agreement and all of its terms (except subsection XIII.N and any other non-admissibility provisions, which shall continue in full force and effect) shall be canceled and terminated with respect to the Settling State, and the Agreement and all orders issued by the courts in the Settling State pursuant to the Agreement shall become null and void and of no effect if one or more of the following conditions applies:
 - a. A Consent Judgment approving this Agreement without modification of any of the Agreement's terms has not been entered as to the Settling State by a court of competent jurisdiction on or before one hundred eighty (180) days after the Effective Date; or
 - b. This Agreement or the Consent Judgment as to that Settling State has been disapproved by a court of competent jurisdiction to which it was presented for approval and/or entry (or, in the event of an appeal from or review of a decision of such a court to approve this Agreement and the Consent Judgment, by the court hearing such appeal or conducting such review), and the time to appeal from such disapproval has expired, or, in the event of an appeal from such disapproval, the appeal has been dismissed or the disapproval has been affirmed by the court of last resort to which such appeal has been taken and such dismissal or disapproval has become no longer subject to further appeal (including, without limitation, review by the United States Supreme Court).
2. If this Agreement is terminated with respect to a Settling State and its Participating Subdivisions for whatever reason pursuant to subsection XIII.T.1, then:
 - a. An applicable statute of limitation or any similar time requirement (excluding any statute of repose) shall be tolled from the date the Settling State signed this Agreement until the later of the time permitted by applicable law or for one year from the date of such termination, with the effect that Janssen and the Settling State in question shall be in the same

position with respect to the statute of limitation as they were at the time the Settling State filed its action; and

b. Janssen and the Settling State and its Participating Subdivisions in question shall jointly move the relevant court of competent jurisdiction for an order reinstating the actions and claims dismissed pursuant to the terms of this Agreement governing dismissal, with the effect that Janssen and the Settling State and its Participating Subdivisions in question shall be in the same position with respect to those actions and claims as they were at the time the action or claim was stayed or dismissed.

3. Unless Janssen and the Enforcement Committee agree otherwise, this Agreement, with the exception of the Injunctive Relief Terms that have their own provisions on duration, shall terminate as to all Parties as of the Payment Date for Payment Year 9, *provided* that Janssen has performed its payment obligations under the Agreement as of that date. Notwithstanding any other provision in this Agreement, all releases under this Agreement will remain effective despite any termination under this paragraph.

U. *Governing Law.* Except (1) as otherwise provided in the Agreement or (2) as necessary, in the sole judgment of the National Arbitration Panel, to promote uniformity of interpretation for matters within the scope of the National Arbitration Panel's authority, this Agreement shall be governed by and interpreted in accordance with the respective laws of the Settling State, without regard to the conflict of law rules of such Settling State, that is seeking to enforce the Agreement against Janssen or against which Janssen is seeking enforcement. Notwithstanding any other provision in this subsection on governing law, any disputes relating to the Settlement Fund Escrow shall be governed by and interpreted in accordance with the law of the state where the escrow agent has its primary place of business.

EXHIBIT B

Enforcement Committee Organization Bylaws

ARTICLE I

These bylaws constitute the code of rules adopted by the Settling States and Participating Subdivisions for the creation of an Enforcement Committee (the “Committee”) to exist and operate during the term of the Agreement in connection with Janssen and shall control the regulation and management of the Committee’s affairs.

ARTICLE II

Purpose

The Committee is organized for the sole purpose of evaluating and taking such action as deemed reasonable, necessary, and appropriate by the members of the Committee on the matters delegated to the Committee under that certain Settlement Agreement between the Settling States and Janssen dated July 21, 2021.

ARTICLE III

Members of the Committee

(1) Number of Members

The Committee will consist of seventeen (17) members (the “Members”). Upon majority resolution of the Committee, the number of Members may be increased or decreased from time to time, but in no event shall a decrease have the effect of decreasing the total number of Members to less than seven Members.

(2) Initial Members

The Committee initially will consist of eleven Settling State Members and six Participating Subdivision Members; three of the Participating Subdivisions shall be counties and three shall be municipalities. The initial Settling State Members are representatives from: Connecticut, Delaware, Florida, Georgia, Massachusetts, New York, North Carolina, Ohio, Pennsylvania, Tennessee, and Texas. The initial Participating Subdivision Members are: (a) Bexar County, Texas; (b) Broward County, Florida; (c) Chicago, Illinois; (d) Cincinnati, Ohio; (e) Nashville, Tennessee; and (f) Nassau County, New York. Until the Reference Date contained in the Settlement Agreement, the Participating Subdivisions may designate their outside counsel to serve as their representative. EXHIBIT G

Subdivisions Eligible to become Participating Subdivisions and Default Subdivision Fund Allocation Percentages

The Subdivisions set forth on this Exhibit G are eligible to become Participating Subdivisions. By default, the Subdivisions set forth on this Exhibit G shall include: (1) all Litigating Subdivisions; (2) all counties and parishes in States with functional counties or parishes; (3) all Subdivisions that are the highest level of general purpose government in States without functional counties or parishes; and (4) all other Subdivisions with a population of 10,000 or greater. A State may elect to add any additional Subdivisions to this Exhibit G at any time prior to the Initial Participation Date.

Immediately upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VI.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VI.D.3) that addresses allocation from the Subdivision Fund, whether before or after the Initial Participation Date, this Exhibit G will automatically be amended to reflect the allocation from the Subdivision Fund pursuant to the State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VI.D.3.

For the avoidance of doubt, inclusion on this Exhibit G shall not create any claim for any amount of the Settlement Fund, and no such amounts shall be allocated or distributed to any Subdivision included herein if such Subdivision does not otherwise meet all requirements to receive any such funds pursuant to the Agreement.

The Parties recognize the benefits of remediation funds reaching all communities, including through direct payments from the Subdivision Fund. However, to promote efficiency in the use of such funds and avoid administratively-burdensome disbursements that would be too small to add a meaningful abatement response, certain Subdivisions do not receive a direct allocation from the Subdivision Fund. However, such Subdivisions will benefit from Opioid Remediation in their community, and are eligible to receive direct benefits from the Abatement Accounts Fund in their State. All settlement funds, whether allocated to a Settling State, an Abatement Accounts Fund or a Subdivision listed on this Exhibit G can be used for Opioid Remediation in communities not listed herein.

As provided by subsection VI.D.4.c, the Allocation Percentages shown below apply to distribution of each Settling State's Subdivision Fund in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. The allocation that would have otherwise gone to Subdivisions not listed below as receiving a direct allocation shall be (1) directed to the county or parish in which such Subdivision is located in Settling States with functional counties or parishes if the relevant county or parish is a Participating Subdivision or (2) to the highest-level general purpose government in which such Subdivision is located in Settling States without functional counties or parishes if the relevant highest-level general purpose government is a Participating Subdivision. Where the relevant county, parish or highest-level General Purpose Government is not a Participating Subdivision, allocations of General Purpose Subdivisions not

listed below as eligible to become Participating Subdivisions shall be allocated pursuant to subsection VII.I. The redirecting of funds described in this paragraph is intended to promote the efficient use of Opioid Remediation funds while keeping, where possible, local control of the distribution of those funds.

This Exhibit G will be updated with Subdivisions eligible to become Participating Subdivisions pursuant to subsection I.77.

EXHIBIT H

Participation Tier Determination*

Participation Tier	Settling States as of the Payment Date (beginning in Payment Year 1)	Percentage of Litigating Subdivisions that Are Participating Subdivisions and/or Subdivisions Subject to a Bar, Case-Specific Resolution, or Settlement Class Resolution in effect as of the Payment Date (beginning in Payment Year 1)	Percentage of Non-Litigating Subdivisions with Populations over 10,000 that Are Participating Subdivisions and/or Subdivisions Subject to a Bar, Case-Specific Resolution, or Settlement Class resolution in effect as of the Payment Date (beginning in Payment Year 1)
1	44	95%	90%
2	45	96%	96%
3	46	97%	97%
4	48	98%	97%

* The following conditions apply to the determination of Participation Tiers:

1. For the sole purpose of the Participation Tier determination under this Exhibit, the States used to calculate each criterion (including the percentages of Litigating and Non-Litigating Subdivisions in Settling States that are Participating Subdivisions) will include each of the 50 states in the United States, excluding the District of Columbia, American Samoa, Guam, the Northern Mariana Islands, Puerto Rico, and the U.S. Virgin Islands.
2. Assessment of Subdivision participation percentage will be national in scope.
3. For purposes of determining Participation Tiers, “Litigating Subdivisions” includes Special Districts that have brought any Released Claims against any Released Entities. Special Districts shall have their population measured as set forth in subsection XIII.C.
4. The percentage of Litigating Subdivisions and percentage of Non-Litigating Subdivisions with populations over 10,000 will be calculated as follows: Each Litigating Subdivision and each Non-Litigating Subdivision with a population over 10,000 in the States used to calculate the Participation Tier will be assigned a metric reflecting both population and severity (the “Population-Severity Metric”). The Population-Severity Metric shall be the Subdivision’s population plus the Subdivision’s population multiplied by the severity factor for the State of the Subdivision (the severity factors for each State are attached as Exhibit T hereto) and then divided in two, thus giving 50% weight to each of population and population multiplied by the severity factor. The denominator for each percentage shall be the sum total of the Population-Severity Metric for all the Subdivisions in the

relevant category (Litigating Subdivisions or Non-Litigating Subdivisions with populations over 10,000) in the Settling States, notwithstanding that persons may be included within the population (and therefore the Population-Severity Metric) of more than one Subdivision. The numerator will be the sum total of the Population-Severity Metrics of all Subdivisions in the relevant category of Subdivision (*i.e.*, Litigating Subdivisions or Non-Litigating Subdivisions with populations over 10,000) in the Settling States that are either Participating Subdivisions or are subject to a Bar, Case-Specific Resolution, or Settlement Class Resolution, notwithstanding that persons may be included within the population of more than one Subdivision. For the avoidance of doubt, Subdivisions in Non-Settling States are excluded from both the denominator and numerator of the calculations for the percentage of Litigating Subdivisions and percentage of Non-Litigating Subdivisions with populations over 10,000.

5. When the Participation Tier is redetermined annually, Later Participating Subdivisions described in Section VII.E.3 or Section VII.E.4 shall not be included as Participating Subdivisions, and for Subdivisions subject to a Bar, Case-Specific Resolution, or Settlement Class Resolution to be included, the Bar, Case-Specific Resolution, or Settlement Class Resolution must have been in effect both as of the relevant Payment Date and for the entire period since the prior Payment Date.
6. Subdivisions with populations over 10,000 are listed on Exhibit I.

A State-Subdivision Agreement shall be applied if it meets the requirements of Section VI and is approved by the State and by the State's Subdivisions as follows:

1. *Requirements for Approval.* A State-Subdivision Agreement shall be deemed as agreed to when it has been approved by the State and either (a) Subdivisions whose aggregate "Population Percentages," determined as set forth below, total more than sixty percent (60%), or (b) Subdivisions whose aggregate Population Percentages total more than fifty percent (50%) provided that these Participating Subdivisions also represent fifteen percent (15%) or more of the State's counties or parishes (or, in the case of Settling States whose counties and parishes do not function as local governments, 15% of or more of the Settling State's non-county Subdivisions), by number.
2. *Approval Authority.* Approval by the State shall be by the Attorney General. Approval by a Subdivision shall be by the appropriate official or legislative body pursuant to the required procedures for that Subdivision to agree to a legally binding settlement.
3. *Population Percentage Calculation.* For purposes of this Exhibit O only, Population Percentages shall be determined as follows: For States with functional counties or parishes³, the Population Percentage of each county or parish shall be deemed to be equal to (a) (1) 200% of the population of such county or parish, minus (2) the aggregate population of all Primary Incorporated Municipalities located in such county or parish, divided by (b) 200% of the State's population. A "Primary Incorporated Municipality" means a city, town, village or other municipality incorporated under applicable state law with a population of at least 25,000 that is not located within another incorporated municipality. The Population Percentage of each Primary Incorporated Municipality shall be equal to its population (including the population of any incorporated or unincorporated municipality located therein) divided by 200% of the State's population; *provided* that the Population Percentage of a Primary Incorporated Municipality that is not located within a county shall be equal to 200% of its population (including the population of any incorporated or unincorporated municipality located therein) divided by 200% of the State's population. For all States that do not have functional counties or parishes, the Population Percentage of each non-county Subdivision (including any incorporated or unincorporated municipality located therein), shall be equal to its population divided by the State's population.
4. *Preexisting Agreements and Statutory Provisions.* A State may include with the notice to its Subdivisions an existing agreement, a proposed agreement, or statutory provisions regarding the distribution and use of settlement funds and have the acceptance of such an agreement or statutory provision be part of the requirements to be an Initial Participating Subdivision.

³ Certain states do not have counties or parishes that have functional governments, including: Alaska, Connecticut, Massachusetts, Rhode Island, and Vermont.

5. *Revised Agreements.* A State-Subdivision Agreement that has been revised, supplemented, or refined shall be applied if it meets the requirements of Section VI and is approved by the State and by the State's Subdivisions pursuant to the terms above.

explaining how Janssen intends to remedy the alleged breach. Nothing in this section shall be interpreted to limit the [State's] civil investigative demand ("CID") or investigative subpoena authority, to the extent such authority exists under applicable law, and Janssen reserves all of its rights in responding to a CID or investigative subpoena issued pursuant to such authority. If Janssen notifies the Settling States in writing that two or more Settling States have notified Janssen of alleged violations, the Settling States that provided notice of alleged violations shall work in good faith to collectively resolve the alleged violation with Janssen before taking any enforcement action(s).

3. The Settling States may agree, in writing, to provide Janssen with additional time beyond thirty (30) days to respond to a notice provided under subsection K.1, above, without Court approval.
4. Upon giving Janssen thirty (30) days to respond to the notification described above, the Settling State shall also be permitted reasonable access to inspect and copy relevant, non-privileged, non-work product records and documents in possession, custody, or control of Janssen that relate to Janssen's compliance with each provision of the Agreement pursuant to that Settling State's CID or investigative subpoena authority.
5. The Settling State may assert any claim that Janssen has violated the Agreement in a separate civil action to enforce compliance with the Agreement, or may seek any other relief afforded by law for violations of the Agreement, but only after providing Janssen an opportunity to respond to the notification described in subsection K.1, above; provided, however, the Settling State may take any action if the Settling State believes that, because of the specific practice, a threat to the health or safety of the public requires immediate action.
6. In the event of a conflict between the requirements of the Agreement and any other law, regulation, or requirement such that Janssen cannot comply with the law without violating the terms of the Agreement or being subject to adverse action, including fines and penalties, Janssen shall document such conflicts and notify the Settling State of the extent to which it will comply with the Agreement in order to eliminate the conflict within thirty (30) days of Janssen's discovery of the conflict. Janssen shall comply with the terms of the Agreement to the fullest extent possible without violating the law.
7. Janssen or any Settling State may request that Janssen and any Settling State meet and confer regarding the resolution of an actual or potential conflict between the Agreement and any other law, or between interpretations of the Agreement by different courts. Nothing herein is intended to modify or extend the jurisdiction of any single judicial authority as provided by law.

L. Compliance Duration

1. Subsections B-J shall be effective for 10 years from the Effective Date.

2. Nothing in this Agreement shall relieve Janssen of its independent obligation to fully comply with the laws of [State] after expiration of the 10-year period specified in this subsection.

M. Compliance Deadlines

1. Janssen must be in full compliance with the provisions included this Agreement by the Effective Date. Nothing herein shall be construed as permitting Janssen to avoid existing legal obligations.

- A. *Total Attorneys’ Fees and Costs.*
 - 1. Total attorneys’ fees and costs to be paid by Janssen to Attorneys in each of the relevant Payment Years under this Agreement shall be up to the following amounts, subject to the provisions set forth below, including with respect to the division of the Attorney Fee Fund into its sub funds:

	Attorney Fee Fund (Contingency Fee Fund and Common Benefit Fund)	MDL Expense Fund	Litigating Subdivision Cost Fund
Payment Year 1	\$32,391,518.74	\$9,615,384.61	\$10,000,000.00
Payment Year 2	\$35,936,883.63		\$10,000,000.00

Payment Year 4	\$43,720,414.21		
Payment Year 5	\$43,720,414.21		
Payment Year 6	\$43,720,414.21		
Payment Year 7	\$43,720,414.21		

2. The sub funds within the Attorney Fee Fund shall include the Common Benefit Fund and the Contingency Fee Fund. The Cost Funds shall include the MDL Expense Fund, and the Litigating Subdivision Cost Fund. The State Counsel Fee Fund and the State Cost Fund shall be separate funds under the control of the Settling States.
3. The Contingency Fee Fund and the Common Benefit Fund shall be administered by a Fee Panel to be appointed by the MDL Court that will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of fees pursuant to this Fee Agreement and the MDL Court's Order. The Cost Funds shall be administered by the Cost and Expense Fund Administrator to be appointed by the MDL Court who will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.
4. The fees and costs to be paid under this Fee Agreement are available for Attorneys engaged in Qualifying Representations only. Fees and costs to be paid under this Fee Agreement are not available prior to the Effective Date of the Janssen Agreement or if the Janssen Agreement does not proceed past Janssen's determination in Section VIII.A of the Janssen Agreement. Fees and costs to be paid under this Fee Agreement are not available for representation of Non-Participating Subdivisions or Non-Litigating Subdivisions and are not available for representation of private hospitals, third-party payors, NAS claimants, personal injury/wrongful death claimants, or any entity other than Participating Litigating Subdivisions. In addition, fees and costs under this Fee Agreement are not available for representation of

any individual or entity in matters other than those claims against Released Entities, but may include a reasonable share of representations that involve development of facts for pursuit of opioid-related claims against multiple defendants in the pharmacy, manufacturing, and distribution chain.

B. *Attorney Fee Fund and Sub Funds*

1. There shall be a split of the Attorney Fee Fund into the Contingency Fee Fund and the Common Benefit Fund. The split shall be 40% to the Contingency Fee Fund and 60% to the Common Benefit Fund.
2. In no event shall Janssen be required to pay more into the Attorney Fee Fund in any Payment Year than the maximum amount specified for that Payment Year in paragraph II.A.1, which amounts are reflected in Exhibit M to the Janssen Agreement. The amounts allocated to the Contingency Fee Fund and the Common Benefit Fund set by the Fee Panel shall be subject to the reductions and offsets set forth below.
3. Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Janssen Agreement, as set forth in Exhibit G to the Janssen Agreement, and shall be made applying the Mathematical Model attached as Exhibit "A" to this Fee Agreement. The collection of the data and calculations for the Mathematical Model has been a cooperative effort among private counsel for a large number of Litigating Subdivisions. The analysis has been spearheaded by Joseph Tann and Andrew Arnold. The Fee Panel is encouraged to continue working with those counsel in application of the Model. The Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a Counsel to participate as required in Section II.G. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculation.
4. As to awards from the Contingency Fee Fund, there shall be no right of appeal.
5. Any appeal of an award of the Fee Panel from the Common Benefit Fund will be made to the MDL Court and be reviewed under an abuse of discretion standard.

C. *Common Benefit Fund (60% of the Attorney Fee Fund.)*

1. Funds in the Attorney Fee Fund shall be allocated to the Common Benefit Fund according to the schedule set forth below, subject to the adjustments described in paragraph II.C.5. The payments are to be made on the following yearly schedule, subject to the adjustments set forth below:

Payment Year 1	\$19,434,911.24
Payment Year 2	\$21,562,130.18
Payment Year 3	\$38,689,349.11
Payment Year 4	\$26,232,248.53
Payment Year 5	\$26,232,248.53
Payment Year 6	\$26,232,248.53
Payment Year 7	\$26,232,248.53
Total:	\$184,615,384.64

2. The Common Benefit Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions who:
 - a. have performed work for the common benefit of all subdivisions pursuant to the guidelines established by Judge Polster set forth in MDL 2804 and the Order dated June 19, 2018, under docket number 636, which is included herein by reference; and
 - b. satisfy the eligibility criteria set forth in Section II.G.

For purposes of Common Benefit Fund distribution, notwithstanding paragraph II.A.4, Attorneys representing Tribal Nations litigating against Janssen that have reached a settlement for Released Claims with Janssen and/or Released Entities and meet the eligibility criteria in Section II.G shall be eligible.

3. The Common Benefit Fund shall be overseen by the Fee Panel, which shall determine the allocation of funds to eligible Attorneys consistent with this Fee Agreement and the June 19, 2018 Order;
4. In assessing the benefits that an Attorney has conferred to Participating Subdivisions (including non-Litigating Subdivisions) and/or Tribes for purposes of any compensation decision, the Fee Panel shall give significant weight to the extent to which (i) the Attorney and his or her clients have contributed to increasing (or reducing) the Initial Participation Tier achieved through participation in the Janssen Agreement, (ii) the Attorney and his or her clients have contributed to increasing (or reducing) the amounts achieved under Incentive Payments A-D through participation in the Janssen Agreement, and (iii) the Attorney and his or her clients have contributed to the potential triggering of any suspension, reduction, or offset of Settlement payment amounts under the Janssen Agreement. The panel may also consider additional fee recoveries the Attorney may potentially obtain, including, but not limited to, from State Back-Stop Agreements, representations of States or Tribal Nations, representations of other clients in opioids-related matters, or through the representation of Subdivision clients,

whether they participated in the Janssen Agreement or not. It is the intent of this provision to recognize that the goal of the Janssen Agreement is to provide for maximum participation by the Subdivisions, maximum abatement funding for all Subdivisions nationally, and the maximum peace for Released Entities. Therefore, representing a Non-Participating Subdivision does not further the goal of the Janssen Agreement, and should not be considered Common Benefit because it does not increase funds available to Participating Subdivisions' abatement programs. Representing Later Litigating Subdivisions is antithetical to the Janssen Settlement, detracts from Common Benefit, and is addressed by the ethics opinion discussed in paragraph II.I.4. The Fee Panel shall consider this concept of "common detriment" set forth in this paragraph in all of its decision making with respect to the allocation of the Attorney Fee Fund among Attorneys, as well as, in its discretion, any offsets provided to Janssen as set forth in paragraph II.C.6 and Section II.H. The Fee Panel shall consider the totality of the Attorney's Participating Litigating Subdivisions as compared to the Attorney's Non-Participating Litigating Subdivisions; the Parties recognize that, although the goal is for 100% participation, Attorneys with a higher number of clients have a higher probability of having one or more non-Participating Litigating Subdivision. As used in this paragraph II.C.4, "client" or "representing" a Subdivision shall include any Litigating Subdivision as to which the Attorney has a Fee Entitlement.

5. As set forth in paragraph II.C.6 and Section II.H, the Fee Panel must consider the factors described in paragraph II.C.4 to determine how and whether to reduce the amounts to be paid by Janssen under this Fee Agreement and to determine how to allocate funds among Attorneys. They may also, at their discretion, consider other factors. Any reduction in payment obligation or credit to be given Janssen in this Fee Agreement shall be applied against Payment Year 7 and working backwards. Any reduction to an Attorney not credited to Janssen shall be allocated to attorneys whose Litigating Subdivision clients participated in the settlement by the Initial Participation Date.
6. The amounts to be provided as a credit or offset to Janssen from the Common Benefit Fund shall depend on the relevant Participation Tier achieved, set forth in Exhibit H of the Janssen Agreement, as follows:
 - a. At Participation Tier 1 or below, the Common Benefit Fund payments to be paid by Janssen shall be reduced as follows:
 - i. With respect to any Attorney seeking payment from the Common Benefit Fund, the Fee Panel shall compare the aggregate allocation that Participating Litigating Subdivisions with which the Attorney has a Fee Entitlement would receive using the negotiating class allocation metrics with the aggregate amount that all Litigating Subdivisions (Participating and Non-Participating) with which the Attorney has a

Fee Entitlement would receive using the negotiating class allocation metrics, provided that only Litigating Subdivisions in Settling States shall be considered for this ratio. The Fee Panel will multiply the amount to be paid to that Attorney from the Common Benefit Fund by that ratio, reduce the Attorney's award by a maximum reduction of 15%, and the dollar amount of such reduction shall be deducted, dollar-for-dollar, from the amount owed by Janssen to the Common Benefit Fund of the Attorney Fee Fund.

- ii. In the event that any Non-Participating Subdivision that is (a) under the jurisdiction of the MDL Court or (b) represented by an Attorney that is obligated to pay into the MDL Common Benefit Fund pursuant to a Participation Agreement, an order of the MDL Court, or any other arrangement settles with or wins a judgment against a Released Entity separate from the Janssen Agreement, and such settlement or judgment results in a common benefit fee assessment or fee payment into the MDL Common Benefit Fund during the time of Janssen's obligation to pay fees under this Fee Agreement, Janssen's obligation to pay into the Common Benefit Fund shall be reduced dollar-for-dollar for any amount of such fee assessments or payments (in the aggregate based on all reductions in this subparagraph II.C.6.a.ii) that exceed the reductions in subparagraph II.C.6.a.i.
 - iii. For the avoidance of doubt, in Tier 1 for each settlement or judgment with Janssen that results in an assessment or payment to the MDL Common Benefit Fund, that payment shall result in an offset for Janssen, unless the assessment or payment occurs after the Payment Date for Year 7.
- b. At Participation Tier 2, the Common Benefit Fund payments to be made by Janssen shall be reduced only as follows:
- i. Reduction by the Fee Panel. With respect to all Attorneys making an application that seeks payment from the Common Benefit Fund, the Fee Panel shall, following a determination that an Attorney is eligible under Section II.G, apply the criteria specified in paragraph II.C.4 in determining whether the lack of participation by Subdivisions with which an Attorney has a Fee Entitlement has resulted in a reduction in the Participation Tier achieved, reduction in benefit to Participating Subdivisions as a result of reductions in Incentives A-D, and/or potential triggering of a suspension, reduction, or offset under the Janssen Agreement. If the Fee Panel concludes that such a reduction has occurred, it must consider (1) the relative size of the Non-Participating Subdivision, as adjusted by the severity measures reflected in Exhibit H (governing the Participation Tiers) of the Janssen Agreement, and the impact of its non-participation on the

Janssen Agreement as a whole (including amounts of Incentive Payments and triggering of suspensions, reductions, or offsets); (2) whether and by how much the payment to the Attorney from the Common Benefit Fund should be reduced as a result of the impact of such non-participation on Participating Subdivisions; and (3) whether some or all of said reduction should revert to Janssen due to the reduction in peace obtained from the Janssen Agreement. Consideration of the factors discussed in this subparagraph and paragraph II.C.4 is mandatory. The decision whether to (and by how much) to reduce payments by Janssen or to reduce the payment to any Attorney based on the factors in paragraph II.C.4 shall be in the sole discretion of the Fee Panel.

ii. Offsets.

- (1) In the event that any Non-Participating Subdivision that is (a) under the jurisdiction of the MDL Court or (b) represented by an Attorney that is obligated to pay into the MDL Common Benefit Fund pursuant to a Participation Agreement, an order of the MDL Court, or any other arrangement settles with or wins a judgment against a Released Entity separate from the Janssen Agreement, and such settlement or judgment results in a common benefit fee assessment or fee payment into the MDL Common Benefit Fund during the time of Janssen's obligation to pay Common Benefit Fees under this Fee Agreement, Janssen's obligation to pay into the Common Benefit Fund shall be reduced dollar-for-dollar up to the amount of the fee assessment or payment, except that such amount shall be capped at 7.5% of the amount of the settlement or judgment. Such reduction shall be taken first from Payment Year 7 of Janssen's payments to the Common Benefit Fund of the Attorney Fee Fund up to the full amount of Janssen's payment obligation in Payment Year 7, then from Payment Year 6, and so on.
 - (2) For the avoidance of doubt, for each settlement or judgment with Janssen that results in an assessment or payment to the MDL Common Benefit Fund, that payment shall result in an offset for Janssen, unless the assessment or payment occurs after the Payment Date for Payment Year 7.
- c. At Participation Tier 3, the reductions to the Attorney Fee Fund shall be the same as set forth in subparagraph II.C.6.b, except that the cap on each offset shall be 5% of the amount of such settlement or judgment.
 - d. At Participation Tier 4, there shall be no reductions to Janssen's obligations to make payment into the Common Benefit Fund, but the principles set forth in paragraph II.C.4 shall continue to apply.

D. *Contingency Fee Fund.* (40% of the Attorney Fee Fund.)

1. Funds from the Attorney Fee Fund shall be allocated to the Contingency Fee Fund on the following yearly schedule, subject to the adjustments set forth below:

Payment Year 1	\$12,956,607.50
Payment Year 2	\$14,374,753.45
Payment Year 3	\$25,792,899.41
Payment Year 4	\$17,488,165.68
Payment Year 5	\$17,488,165.68
Payment Year 6	\$17,488,165.68
Payment Year 7	\$17,488,165.68
Total:	\$123,076,923.09

2. The Contingency Fee Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions that meet the criteria set forth in Section II.G.
3. The Contingency Fee Fund shall be available to Attorneys who
 - a. represent Litigating Subdivisions that are Participating Subdivisions, whether their actions are filed in state or federal court, and
 - b. meet the eligibility criteria of Section II.G.
 - c. Participation in the Contingency Fee Fund by counsel that have a case that is not subject to the jurisdiction of the MDL Court shall not create, provide, or waive jurisdiction of the MDL Court over that Litigating Subdivision, that case or Attorneys, other than to oversee the fairness of the distribution process, and enforcement of this Fee Agreement.
4. The amounts owed by Janssen to the Contingency Fee Fund shall depend on the relevant Participation Tier set forth in Exhibit H of the Janssen Agreement as follows:
 - a. At Participation Tiers 1, 2 and 3, the Contingency Fee Fund payments shall be reduced as follows:
 - i. For Non-Settling States, the Contingency Fee Fund payments shall first be reduced by the amounts identified by the Fee Panel, pursuant to paragraph II.H.6, that would have been owed to counsel for Litigating Subdivisions in Non-Settling States, had those States and those Litigating Subdivisions been Settling States and Participating Subdivisions.

- ii. Following the calculation in subparagraph II.D.4.a.i, the Contingency Fee Fund payments shall be reduced to reflect the non-joinder of Litigating Subdivisions in Settling States by subtracting the amounts identified by the Fee Panel, pursuant to paragraph II.H.6, that would have been owed to counsel for Non-Participating Litigating Subdivisions in Settling States had such Litigating Subdivisions been Participating Subdivisions.
- b. At Participation Tier 4, there shall be no reductions in the Contingency Fee Fund.
- c. In the event that Janssen, prior to the Effective Date of the Janssen Agreement, settles with any Litigating Subdivision and, under such settlement agreement pays attorneys' fees, the Fee Panel shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, applying the same criteria applicable to all Attorneys for Participating Litigating Subdivisions, determine what amount they would have been paid from the Contingency Fee Fund if they had become Participating Subdivisions under the Janssen Agreement without such prior settlement. That sum, rather than being paid to the Attorney for the previously settling Litigating Subdivision, shall be credited and/or returned to Janssen as if determined under (a)(ii) above, except that such credit shall not be greater than the amount to the Attorneys paid under the Litigating Subdivision's prior settlement agreement.

E. *Litigating Subdivision Cost Fund.*

- 1. Janssen shall pay \$30,000,000.00 into the Litigating Subdivision Cost Fund, according to the schedule set forth below:

Payment Year 1	\$10,000,000.00
Payment Year 2	\$10,000,000.00
Payment Year 3	\$10,000,000.00
Total	\$30,000,000.00

- 2. The Litigating Subdivision Cost Fund shall be available to compensate Attorneys for costs and expenses arising out of representation of Participating Litigating Subdivisions or to compensate Participating Litigating Subdivisions for direct in-house costs for expenditures related to their litigation against Janssen including the cost of in-house employees. No funds in the Litigating Subdivision Cost Fund may be used to compensate the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions or costs and expenses arising out of representation of any such Subdivision. In allocating the Litigating Subdivision Cost Fund, the Administrator shall not allocate any funds for costs incurred after July 21, 2021.

3. During the period between July 21, 2021, and the Effective Date, the MDL PEC, as well as Litigating Subdivisions eligible to claim costs from the Litigating Subdivision Cost Fund, shall make best efforts to cease litigation activity against Janssen, including by jointly seeking stays or severance of claims against Janssen, where feasible, or postponements if a motion to stay or sever is not feasible or is denied, so long as such actions are not otherwise detrimental to the Litigating Subdivision.
4. In the event that Janssen, prior to the Effective Date of the Janssen Agreement, settles with any Litigating Subdivision and, under such settlement agreement pay costs to the Litigating Subdivision or its Attorney, the MDL Cost and Expense Fund Administrator shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, using the same criteria applicable to all applicants to the Litigating Subdivision Cost Fund, determine what amount in costs the Litigating Subdivision or its Attorney would have been paid from the Subdivision Cost Fund if they had settled under the Janssen Agreement. That sum, rather than being paid to the Attorney or the previously settling Litigating Subdivision, shall be credited and/or returned to Janssen, except that such sum shall not be greater than the amount paid under the previously settled Litigating Subdivision's settlement agreement.
5. The MDL Court shall appoint a Cost and Expense Fund Administrator, who shall develop a process and criteria, with input from participating counsel, by which to a) determine the distribution of amounts from the MDL Expense Fund in pursuit of the claims against Janssen; and b) receive and evaluate applications from Participating Litigating Subdivisions, whether filed in Federal Court or State Court, to seek reimbursement from the Litigating Subdivision Cost Fund for eligible costs under Section II.E.2 in pursuit of the claims against Janssen. The Cost and Expense Fund Administrator shall require transparency from all applicants as to any other sources for compensating Attorneys for Litigating Subdivisions for costs incurred. The Cost and Expense Fund Administrator shall be compensated from the Fund.
6. In the event that the total amount of reimbursements from the Litigating Subdivision Cost Fund approved as reasonable by the Cost and Expense Administrator is less than the \$30,000,000.00, any remaining funds shall revert to Janssen.

F. *MDL Expense Fund.*

1. In Payment Year 1 of the Janssen Settlement, Janssen shall pay the following amount into the MDL Expense Fund:

MDL Expense Fund	\$9,615,384.61
------------------	----------------

2. The MDL Expense Fund shall be released following the Effective Date of this Fee Agreement without any delay to reimburse the MDL Counsel for an agreed-to portion of the expenses incurred, as approved by the Cost and Expense Fund Administrator. The MDL Expense Fund will be paid directly to the MDL Cost Account, set up by MDL Order and will be administered under the ongoing jurisdiction of the MDL Court, as provided below. No funds may be used to compensate the costs incurred by Non-Participating Subdivisions or to compensate any Attorney for costs incurred in representing one or more Non-Participating Subdivisions.
3. In allocating the MDL Expense Fund, the Administrator shall not allocate any funds for costs incurred after July 21, 2021, unless the Administrator determines that there are sufficient funds to cover all subdivision costs incurred prior to July 21, 2021 and that special circumstances exist to justify costs incurred following the public announcement of the Janssen Agreement.

G. *Eligibility.*

1. It is the intention of all parties participating in the Fee Panel process that there should be total transparency to the Fee Panel and to all fund participants. In connection with the process to be developed by the Fee Panel, any and all monies in attorney's fees, including referral fees, expenses paid, promises for payment, or any other Fee Entitlement, to any applicant in any opioid litigation shall be disclosed to the Fee Panel as a condition of participating in the Attorney Fee Fund and prior to an award from the Fee Panel. Any payment, expectation of payment or perceived entitlement to participate in a State Back-Stop Agreement or any other agreement reached with a Settling State or any Subdivision or any other source regarding payment of fees must be disclosed to the Fee Panel. Similarly, any right to payment from any other fund, for example a fund for payment to lawyers representing Settling States or Tribal Nations or Subdivisions shall be disclosed to the Fee Panel. Because it is anticipated that there will be multiple firms listed on contingent fee agreements with Litigating Subdivisions, the Fee Panel shall establish procedures, with input from Attorneys for Participating Litigating Subdivisions, for who should petition for fees from such groups and to whom the fee shall be paid and thereafter distributed to co-counsel in accordance with applicable agreements. For the avoidance of doubt, all Attorneys that are part of such groups must meet the eligibility criteria in paragraph II.G.3, must be subject to the criteria set forth in paragraph II.C.4, and must be disclosed to the Fee Panel.
2. An Attorney may apply for and recover attorneys' fees from the Common Benefit Fund, the Contingency Fee Fund, and the Litigating Subdivision Cost Fund and any fund created by a past or future State Back-Stop Agreement, provided the Attorney satisfies the requirements relevant to each such fund and requirements for disclosure to the Fee Panel.

3. An Attorney may not receive any payment from the Attorney Fee Fund (which includes both the Contingency Fee Fund and the Common Benefit Fund) unless the following eligibility criteria are met and annually certified by the Attorney:
 - a. The Attorney must expressly waive the enforcement against the Litigating Subdivision client of all Fee Entitlements (other than under State Back-Stop Agreements) arising out of or related to any or all Qualifying Representations of any Participating Litigating Subdivision prior to applying for attorneys' fees from the Attorney Fee Fund or costs from the Cost Funds. All applications for attorneys' fees or costs under this Fee Agreement shall include an affirmation by the Attorney of such waiver and notice to the client(s) of such waiver. Such waiver shall not preclude the Attorney from submitting such Fee Entitlements to the Fee Panel as a factor for consideration in allocating payments from the Attorney Fee Fund or in connection with a State Back-Stop Agreement. For the avoidance of doubt, no Attorney may recover fees or costs under this Fee Agreement unless the Attorney expressly agrees not to enforce Fee Entitlements as to each and every Participating Litigating Subdivision represented by that Attorney, but such Attorneys may participate in and receive funds from a State Back-Stop Agreement.
 - b. The Attorney must represent that s/he has no present intent to represent or participate in the representation of any Later Litigating Subdivision or any Releasor with respect to Released Claims against Released Entities.
 - c. The Attorney must represent that s/he has not and will not engage in any advertising or solicitation related to Released Claims against Released Entities where such advertising or solicitation relates to a representation that the Attorney could not undertake consistent with the ethics opinion referenced in paragraph II.I.4.
 - d. The Attorney must represent s/he will not charge or accept any referral fees for any Released Claims brought against Released Entities by Later Litigating Subdivisions. For the avoidance of doubt, this representation shall not prohibit Attorneys from receiving allocated shares of any future common benefit assessments arising out of settlements or judgments with Later Litigating Subdivisions represented by other Attorneys that are the result of the MDL Court's Common Benefit order.
 - e. The Attorney may not have and must represent that s/he does not have a Fee Entitlement related to a Later Litigating Subdivision.

- f. The Attorney must certify that s/he has reviewed the ethics opinion referenced in paragraph II.I.4 and will act in conformity with such opinion.
 - g. The Attorney must fully disclose the participation, or the anticipation of participation, in any agreement with a Settling State or Participating Subdivision concerning fees arising out of or related to the Janssen Agreement, including any fees paid or anticipated to be paid or any State Back-Stop Agreement.
 - h. The Attorney must identify for the Fee Panel whether s/he utilized state litigation work product or MDL work product, including but not limited to ARCOS data, document repositories, experts developed in the MDL, and deposition transcripts. The Attorney must identify whether s/he signed the MDL Participation Agreement, and for which case(s) it was signed.
 - i. Any Attorney who applies for fees from one or both Funds must represent that, having exercised his/her independent judgment, s/he believes the Janssen Agreement to be fair and will make or has made best efforts to recommend the Janssen Agreement to his or her Subdivision clients in Settling States. For avoidance of doubt, each Attorney is expected to exercise his or her independent judgment in the best interest of each client individually before determining whether to recommend joining the settlement. All applications for attorneys' fees or costs under this section shall include an affirmation by the Attorney in compliance with this Subsection.
- 4. No Attorney receiving fees under this Fee Agreement may apply for or recover from the Attorney Fee Fund fees arising from representing a Non-Settling State or a Non-Participating Subdivision. All applications for attorneys' fees under this Section shall include an affirmation by the Attorney of compliance with this Section.
 - 5. An Attorney who has filed an application under this section and received an award of attorneys' fees shall provide a certification of compliance with the Sections of this Fee Agreement annually during the years upon which they are still entitled to receive attorneys' fee payments.
 - 6. If, at any time, the Attorney is unable to make the representations set forth in this Section, such representations become untrue, or the Attorney falsely represents compliance with the eligibility criteria, the Attorney shall cease to be eligible to receive funds from the Attorney Fee Fund until further review by the Fee Panel of the Attorney's eligibility under and compliance with this Section II.

7. If an Attorney has a Fee Entitlement with a Later Litigating Subdivision or otherwise becomes unable to reaffirm compliance with the eligibility criteria set forth above, the Attorney shall notify Janssen and the Fee Panel. For the avoidance of doubt, any Attorney who undertakes any new representation of, or has a Fee Entitlement with, a Later Litigating Subdivision shall be prohibited from receiving any future funds from the Attorney Fee Fund. If an Attorney fails to notify Janssen and the Fee Panel of such Fee Entitlement with a Later Litigating Subdivision, the Attorney shall be required to refund amounts previously paid.
8. In the event that an Attorney is deemed ineligible by the Fee Panel (whether based on its initial application or subsequent recertification), the Fee Panel shall provide notice to the Attorney and give the Attorney 30 days to provide additional information such that the Fee Panel could re-consider the Attorney's eligibility.
9. To the extent that an Attorney has a Fee Entitlement with a Participating Subdivision and is authorized to bring Released Claims against Released Entities, but such authorization is, in scope, less broad than the category of Released Claims set forth in the Janssen Agreement, such Attorney may participate fully in both the Contingency Fee Fund and the Common Benefit Fund, without any reduction imposed by the Fee Panel due to the scope of the authorization, so long as the Participating Subdivision fully releases all Released Claims against Released Entities.
10. Attorneys applying to the Attorney Fee Fund knowingly and expressly agree to be bound by the decisions of the Fee Panel, subject to the limited appeal rights set forth in this Fee Agreement, and waive the ability to assert the lack of enforceability of the allocation reached through the arbitration procedures outlined herein.

H. *Calculation of Amounts Due.*

1. The Fee Panel shall be solely responsible for determining the amount of fees to be paid to each Attorney and each Participating Subdivision that applies under this Section. None of the Released Entities shall have any responsibility, obligation, or liability of any kind whatsoever with respect to how attorneys' fees are calculated under this Section, except that the Fee Panel may receive information from Janssen as to (a) the identity of Participating, Non-Participating, Litigating, Later Litigating, and Non-Litigating Subdivisions; (b) the impact of non-participation by a Litigating Subdivision as is relevant to the Fee Panel's determination in paragraph II.C.4; and (c) such other information as Janssen may voluntarily elect to provide.

2. The Fee Panel shall establish procedures for the arbitration process consistent with this Fee Agreement and orders of the MDL Court. Such procedures may include submission of documentary and/or other evidence, interviews with applicants and/or other counsel (including counsel for Janssen) that the Fee Panel deems appropriate, and/or other means of creating a record upon which fee awards will be based.
3. In making determinations under this Fee Agreement, the Fee Panel must apply the eligibility criteria set forth in Section II.G of this Fee Agreement and the criteria set forth in Section II. In addition, the Fee Panel will give consideration in regard to Common Benefit awards to the *Johnson* factors, as well as the following factors (which factors may be applied and given relative weight in the Fee Panel's discretion):
 - a. The Attorney's contemporaneously recorded time and labor dedicated to Qualifying Representations along with the Attorney's financial commitment to such Qualifying Representations. Claimed "time" will not be automatically accepted by the Fee Panel but will be critically reviewed and given substantially more weight and consideration if such time was subject to the audit process described in any Pretrial Order(s) governing the collection of common benefit time;
 - b. The novelty, time, and complexity of the Qualifying Representations;
 - c. The skill requisite to perform legal services properly and undesirability of the case;
 - d. The preclusion of other employment by the Attorney due to time dedicated to Qualifying Representations;
 - e. The "common benefit," if any, alleged to have been conferred by the Attorney and whether such common benefit work product by that Attorney was used by others in parallel litigations against Released Entities whether within or outside the MDL, provided that any Attorney claiming that s/he substantially benefited cases other than those in which s/he entered an appearance as counsel must substantiate such claims by proffering factual support, such as proper supporting affidavits or other documents as determined by the Fee Panel with input from Attorneys for Participating Litigating Subdivisions;
 - f. Any "common detriment," as set forth in paragraph II.C.4.
 - g. Any contingent fee agreement or other Fee Entitlement with Participating Subdivisions, enforcement of which, except for State Back-Stop Agreements, are waived in conjunction with the application, the nature and extent of any work for those Participating Subdivisions, whether such

Participating Subdivisions actively litigated and, if so, the nature and procedural history of such case(s);

- h. The experience, reputation, and ability of the Attorney;
- i. Whether the Attorney's clients brought Released Claims against Released Entities;
- j. The status of discovery in cases primarily handled by the Attorney;
- k. The nature of any work by the Attorney on "bellwether" cases or cases that were similarly active in litigation;
- l. Any pressure points successfully asserted by the Attorney in cases against Janssen or any risk for Janssen created by the Attorney in cases against them;
- m. Any risk for defendants created by applicants in cases against Janssen;
- n. Successful and unsuccessful motion practice in cases worked on by the Attorney;
- o. The date of filing of any cases filed by the Attorney;
- p. Obtaining consolidation of the litigation in the Attorney's jurisdiction;
- q. The number and population of entities represented by the Attorney and the fees that would have been awarded under extinguished contingent fee arrangements;
- r. Whether the Attorney's clients brought claims against Janssen;
- s. Whether the Attorney has had a leadership role in the litigation, whether in state or federal court;
- t. Whether the Attorney has had a leadership role in any negotiations aimed at resolving the litigation;
- u. Whether the Attorney's cases have survived motions to dismiss;
- v. The extent to which the Attorney contributed to the work product used for the common benefit of opioids litigants, including, without limitation, work on ARCOS data, Prescription Data Monitoring Programs, IQVIA data, depositions, document production and analysis experts, motions, briefs and pleadings, trial preparations, and trials;

- w. The extent to which litigation was done prior to and contributed to completion of settlement negotiations, as distinct from litigation that was done litigating after the announcement of the Janssen Agreement, such latter litigation both being of less value and potentially resulting a common detriment to the settlement process; and
 - x. Any other factors that the Fee Panel finds to be appropriate to consider after input from applicants to the Attorney Fee Fund.
4. The Fee Panel shall develop procedures for receiving a single application, which may be updated or amended based on new information (such as participation by additional Litigating Subdivisions) from each Attorney seeking compensation from the Attorney Fee Fund pursuant to processes and procedures developed by the Fee Panel, which shall not be inconsistent with this Fee Agreement. Any request for attorneys' fees not included on the single application or through the updating/amendment process designed by the Fee Panel shall be deemed waived. For purposes of transparency and to permit the Fee Panel to conduct its work, the application from each Attorney shall, at a minimum, require each Attorney to
- a. Identify all Litigating Subdivisions for which s/he is seeking payment from the Attorney Fee Fund;
 - b. Identify all Subdivisions in both Settling and Non-Settling States (and, where applicable, Tribal Nations) with respect to which s/he has a Fee Entitlement with respect to Relevant Claims against Released Entities, and identify all co-counsel in such cases;
 - c. Identify which of those Subdivisions are Participating Subdivisions and which are not (with similar information for Tribal Nations, where applicable);
 - d. Specify the specific fund or funds within the Attorney Fee Fund from which the Attorney is seeking compensation;
 - e. Demonstrate his or her eligibility for compensation from the relevant sub funds within the Attorney Fee Fund pursuant to the criteria set forth for the relevant sub fund;
 - f. Identify any and all Fee Entitlements from representations of States, Tribal Nations, or other plaintiffs related to Released Claims against Released Entities or in opioids-related matters;
 - g. Notwithstanding "a-f" above, the Panel may consider a supplemental application if the Attorney shows good cause why circumstances exist that will lead to consideration for additional Common Benefit award.

Examples would include, but are not limited to, an Attorney having Non-Participating Litigating Subdivision clients that subsequently become Participating Subdivisions, a Bar Date passes that increases participation or the Participation Tier, or an Allocation Agreement is reached.

5. With respect to the Common Benefit Fund, the Fee Panel shall (subject to any applicable MDL Court Order):
 - a. Review the applications of all Attorneys seeking compensation from the Common Benefit Fund, including determining eligibility for each Attorney as set forth in Section II.G.
 - b. Reduce, on an annual basis, Janssen's payment obligations, as set forth in paragraph II.C.5. The Panel shall inform Janssen and the MDL PEC of all such amounts and adjust Janssen's payment obligations accordingly.
 - c. Using criteria set forth in Sections II.C and II.I, allocate amounts from the Common Benefit Fund to eligible Attorneys, including payment amounts for each Payment Year. In making such allocations (regardless of the Participation Tier achieved), the Panel shall apply the principles set forth in paragraph II.C.4 and shall allocate any reduction in the payments of Janssen specified in paragraph II.C.5 to the amounts paid to Attorneys with a Fee Entitlement to Litigating Subdivisions that are not Participating Subdivisions.
6. With respect to the Contingency Fee Fund, the Fee Panel shall:
 - a. Review the applications of all Attorneys seeking compensation from the Litigating Subdivision Fee Fund, including determining eligibility for each Attorney as set forth in Section II.G.
 - b. Apply the Mathematical Model in Exhibit A.
 - c. Use such allocations to reduce payments, on an annual basis, the payment obligations of Janssen to the Attorney Fee Fund as set forth in paragraph II.D.4, and distributions therefrom, and inform Janssen and the MDL PEC of all such adjustments.
7. To the extent that there is a dispute about the calculations of the Fee Panel related to the amounts that Janssen is required to pay (including application of any reductions or offsets under this Fee Agreement), such disputes shall be presented to the Fee Panel and any disputed funds be paid into/held in escrow. The Fee Panel shall resolve such disputes expeditiously, with either Party having the right to seek review from the MDL Court.

8. For purposes of determination of fee or cost awards, allocations, reductions, and possible reversions under this Fee Agreement, unless specified otherwise a Subdivision will be considered a Non-Participating Subdivision if it is not a Participating Subdivision as of the deadline for the application for the fee or cost award at issue (or, if the determination does not involve a specific application, the date on which the record for such determination closes).
 9. In the event that the Fee Panel, through the use of the Mathematical Model set forth in Exhibit A, allocates funds from the Contingency Fee Fund for an Attorney based on a Qualifying Representation of a Participating Litigating Subdivision or allocates cost to such Participating Litigating Subdivision and that Subdivision is in a Settling State in which the Consent Judgment has not been approved, such funds shall be placed into escrow until the Consent Judgment is approved, after which time they shall be released.
- I. *Miscellaneous.*
1. The costs associated with the Fee Panel prior to the Effective Date of the Attorney Fee Agreement shall be funded by Janssen. The Fee Panel shall charge an hourly rate that previously has been approved by a federal or state court and shall provide a budget and a cap for such work prior to the Effective Date, which shall be approved by Janssen and such approval shall not be unreasonably withheld. Janssen shall receive a refund for any such payment of pre-Effective Date costs from interest that accrues on the monies in the Attorney Fee Fund (including interest that accrues during such time as the Attorney Fee Fund monies are in escrow prior to the Effective Date of the Janssen Agreement), up to the amount of such costs. Post-Effective Date, the cost of the Fee Panel shall be charged against the applicable Fee Fund based on allocation by the Fee Panel and shall not be otherwise funded by Janssen. The costs associated with the Cost and Expense Fund Administrator shall be paid from funds in the MDL Expense Fund and the Litigating Subdivision Cost Fund and shall not be otherwise funded by Janssen.
 2. The MDL PEC will seek, and the Attorneys General for Settling States and Janssen will not oppose, a Common Benefit Fee Order requiring an assessment of 7.5% on the gross recovery (by judgment or settlement) of any Non-Participating Subdivision that is subject to the federal court jurisdiction, represented by a MDL PEC firm, represented by any Attorney receiving fees from the Common Benefit Fund, represented by any Attorney that signed a Participation Agreement or paid in a case otherwise under the jurisdiction of the MDL Court.
 3. The MDL PEC shall provide to Janssen information they have that identifies Attorneys who represent Litigating Subdivisions who are not Participating Subdivisions and who have an obligation to pay a common benefit assessment, either due to the MDL Court's orders or having signed a Participation Agreement.

4. The MDL PEC shall retain ethics counsel of its choice to provide an opinion that addresses the compliance of its ethical obligations, as it relates to the Janssen Agreement. Such opinion shall address the issue of the potential conflict of interest for an Attorney that had represented a Participating Subdivision also representing a Later Litigating Subdivision as defined in the Janssen Agreement. This Subsection shall be enforceable to the extent permitted by the equivalent to Rules 1.16 and 5.6 of the ABA Model Rules of Professional Conduct in the relevant jurisdictions. The opinion shall be provided to Janssen as soon as it is completed and, in any event, prior to July 31, 2021 and shall be disseminated to counsel eligible to apply to the Attorney Fee Fund within 30 days of the announcement of the Janssen Agreement. The MDL PEC represents that it will comply with this opinion until the Reference Date and thereafter if the Janssen Agreement proceeds.
5. Participating Subdivisions agree to instruct their counsel to treat information, work product and expert materials as secret under Rule 1.6 of the ABA Model Rules of Professional Conduct. Accordingly, an Attorney shall not share information or work product with, or experts or materials to, non-participants (other than the Attorney's own current clients or their lawyers, consultants, experts or other representatives or agents). However, nothing herein shall prevent MDL Leadership or PEC Counsel from fulfilling their obligations in any MDL and the MDL Court Order.

III. Miscellaneous

A. *Termination.* If the Janssen Agreement does not proceed past the Reference Date, whether because Janssen does not determine to proceed or for any other reason, this Fee Agreement shall be null and void, Janssen shall have no obligation to make any payments under this Fee Agreement, and Janssen and the PEC shall take such steps as are necessary to restore the *status quo ante*.

B. *MDL Court Consideration.* This Fee Agreement shall be attached as an exhibit to the Janssen Agreement. This Fee Agreement shall also be submitted by Janssen and the MDL PEC to the MDL Court for approval pursuant to the motion and order that shall be attached, prior to the Preliminary Agreement Date of the Janssen Agreement, as Exhibit B.

1. In the event that the MDL Court, through an order, makes any change to the amounts potentially to be paid by Janssen under this Fee Agreement, makes any change to the Fee Panel's consideration of the factors set forth in paragraph II.C.4, or any other material change to the draft Order attached as part of Exhibit B or the terms of this Fee Agreement, Janssen and the MDL PEC shall meet and confer concerning such changes.
2. If Janssen and the MDL PEC are unable to reach agreement and revisions to this Fee Agreement in the event discussed in paragraph III.B.1, this Fee

Agreement shall be null and void, Janssen shall have no obligation to make any payments under this Fee Agreement, and Janssen and the MDL PEC shall take such steps as are necessary to restore the *status quo ante*.

C. *Amendment.* Once the MDL Court has entered an order implementing this Fee Agreement, this Fee Agreement can only be amended by (1) written agreement of Janssen and the MDL PEC and (2) approval by the MDL Court.

D. *Jurisdiction and Enforcement.* The MDL Court shall have exclusive and ongoing jurisdiction over the enforcement and implementation of this Fee Agreement as set forth herein. The MDL PEC shall be the Authorized Party to enforce this Fee Agreement, as to the payment obligations of Janssen as set forth in this section, and as to Attorneys making application to the Funds under this Fee Agreement. Solely for purposes of assessing or allocating common benefit fees, the MDL Court will continue to have jurisdiction over the work product developed in the MDL Court by and under the direction of the MDL PEC with respect to claims against Janssen, including data and documents, depositions, expert reports, briefs and pleadings; and the MDL Court's protective orders, management orders, and other decisions regarding such discovery and other work product, including but not limited to, conditions on its use, will continue in full force and effect. Nothing in this paragraph authorizes the MDL Court to act contrary to this Agreement or to share any of the work product, or provides the MDL Court with jurisdiction over the Janssen Agreement.

EXHIBIT S

Agreement on the State Cost Fund Administration

1. **Creation of a State Cost Fund.** Janssen and the Settling States agree to the creation of a state cost fund to pay litigation costs and expenses associated with litigation and investigation related to the opioid litigation (hereinafter the “State Cost Fund”). This agreement is a material part of the Settlement Agreement. The State Cost Fund shall be administered separately from the Common Benefit Fund, the Contingency Fee Fund, the State Counsel Fee Fund, Subdivision Costs Fund, and the MDL Expense Fund. No funds may be released from the State Cost Fund to Non-Settling States.
2. **State Cost Fund Amount.** In Payment 1 of the Settlement, Janssen shall pay into the State Cost Fund \$13,461,539 (the “State Cost Fund Amount”). Janssen’s State Cost Fund payment shall be a component of its Global Settlement Attorney Fee Amount payable to the Attorney Fee Fund, for Payment 1.
3. **State Cost Fund Committee.** A committee of Attorneys General from Settling States or their designated representatives (hereinafter the “State Cost Fund Committee”) shall oversee the State Cost Fund. The committee shall initially consist of the following states: (a) Delaware; (b) Florida; (c) Georgia; (d) New York; (e) North Carolina; (f) Ohio; (g) Tennessee; and (h) Texas. The Settling State Attorneys General may by majority vote add or change the composition of the State Cost Fund Committee, including replacing any above State, if that State is not a Settling State.
4. **State Cost Fund Administrator.** The State Cost Fund Committee shall select an administrator (the “State Cost Fund Administrator”). The State Cost Fund Administrator may be different from the Settlement Administrator under the Settlement Agreement. The State Cost Fund Administrator shall be responsible for administering the State Cost Fund and making payments to Settling States.
5. **State Cost Fund Guidelines.** Monies in the State Cost Fund shall be released without any delay to reimburse Settling States for documented opioid litigation and investigation costs incurred or paid. In allocating the State Cost Fund, no funds shall be allocated for costs incurred after July 21, 2021. The State Cost Fund Committee shall establish guidelines for the submission and approval of expenses eligible for reimbursement from the State Cost Fund. The State Cost Fund Administrator shall, in accordance with such guidelines, receive from Settling States records sufficient to demonstrate the incurrence and/or payment of each expense attributable to investigation or litigation related to the opioid litigation, including any outstanding National Association of Attorneys General grant.
6. **State Cost Fund Payment Priorities and Residual.** To the extent that that the aggregate eligible submissions of costs and expenses from Settling States exceed the State Cost Fund Amount, payments to Settling States shall be paid in the following order until the State

Cost Fund is exhausted. If the State Cost Fund is unable to fully pay costs at any of the following levels, then Settling States with costs at that level shall be paid on a proportional basis. All expenses with a lesser priority from the level where the State Cost Fund is exhausted will not be reimbursed from the State Cost Fund. Costs shall be paid in the following order: (a) the reasonable costs of the State Cost Fund Administrator, if any; (b) repayment of the National Association of Attorneys General grants connected to opioid litigation; (c) costs incurred or paid by outside counsel for a Settling State litigating against Janssen apart from any fee owed; (d) litigation-related costs attributable to the Janssen case incurred or paid by a Settling State litigating against Janssen; (e) pre-suit investigation-related costs attributable to a Janssen investigation incurred or paid by either a Settling State outside counsel (not including any amount of fees or any costs which have already been reimbursed pursuant to clause (c), above) or a Settling State investigating Janssen; (f) costs incurred or paid by a Settling State or outside counsel litigating against another opioid defendant other than a cost share entered into by a Settling State, which costs have not yet been paid under a preceding clause of this paragraph; (g) the amounts paid by a Settling State as part of cost share related to the filing of a proof of claim in the Purdue Pharma, L.P. bankruptcy; and (h) the amounts paid by a Settling State as part of any other cost share, including, but not limited to the cost share entered into by the Non-Consenting States in the Purdue Pharma, L.P. bankruptcy. If the State Cost Fund has additional monies after payment of the State Cost Fund Administrator's and all Settling States' submitted costs, then the remaining funds will be provided to the National Association of Attorneys General to be placed in the Financial Services Fund for the purpose of funding grants for consumer protection or healthcare-related enforcement or training activities. In determining what costs are attributable to Janssen, the State Fund Committee shall develop a guideline that ensures that all Settling States are treated equitably.

EXHIBIT U

Agreement on the State Outside Counsel Fee Fund

1. **Creation of a State Outside Counsel Fee Fund.** Janssen and the Settling States agree to the creation of a state outside counsel fee fund to pay reasonable attorney’s fees of Settling States with outside counsel in connection with litigation against Janssen (the “State Outside Counsel Fee Fund”). This agreement is a material part of the Settlement Agreement. All terms utilized in this Agreement shall have the same meaning as in the Settlement Agreement unless otherwise indicated.
2. **State Outside Counsel Fee Fund Administration.** The State Outside Counsel Fee Fund shall be administered separately from the Common Benefit Fund, the Contingency Fee Fund, the State Cost Fund, and the MDL Expense Fund. A committee of Attorneys General shall oversee the State Outside Counsel Fee Fund (“Fee Fund Committee”). The Fee Fund Committee shall initially consist of the following: (a) Arkansas; (b) Florida; (c) New Jersey; and (d) Puerto Rico. The Fee Fund Committee shall select a settlement fund administrator (who may or may not be different from the Settlement Administrator under the Distributor Agreement) (the “Fee Fund Administrator”) who shall administer the State Outside Counsel Fee Fund according to the guidelines and directives of the Fee Fund Committee.
3. **State Outside Counsel Fee Eligibility.** To participate in the State Outside Counsel Fee Fund, an outside counsel for a Settling State must have filed and be maintaining an action in the name of a Settling State or its attorney general against Janssen in a state or federal court as of June 1, 2021. No Settling State can draw attorney’s fees from both the State Outside Counsel Fee Fund and the similarly sized fund to reimburse Settling State’s without outside counsel.
4. **State Outside Counsel Fee Fund Amount.** Janssen shall pay funds in the State Outside Counsel Fee Fund according to the schedule set forth below, as part of its annual Global Settlement Attorney Fee Amount payable to the Attorney Fee Fund, subject to the adjustments described below:

Payment Year 1	\$32,391,518.74
Payment Year 2	\$30,769,230.77
Payment Year 3	\$ 4,146,942.80
5. **State Outside Counsel Fee Fund Availability and Calculation of Amount.**
 - a. The State Outside Counsel Fee Fund shall be available to compensate private counsel for State Attorneys General for approved fees arising out of representation of the State pursuant to the schedule developed by the Fee Fund Committee and provided to Janssen.

- b. Fees shall be calculated by adding two components: (a) a fixed amount consisting of fifty (50%) of the amount allocated to a State utilizing the allocation percentage in the Settlement Agreement multiplied times 4.5%; and (b) a proportional percentage of the remaining fee due under that Settling State's contract assuming that fifty (50%) of the State's recovery is allocable to a Settling State (versus allocable to the Settling State's Subdivisions) so that the fees of all Settling States (minus the base amount that would have been due to any of Non-Settling States) exhausts the State Outside Counsel Fee Fund. The proportional share percentage will be the same for each Settling State included in the State Outside Counsel Fee Fund. All amounts paid will be less any costs or fees of the Fee Fund Administrator.

6. Payment by the Fee Fund Administrator.

- a. If a Settling State and a Settling State's outside counsel agree that the amount calculated in paragraph 5 above satisfies in full amounts owed to all Settling State outside counsel, then upon written notice of that agreement and counsel waiving in writing any entitlement to any additional fee, the Fee Fund Administrator shall pay that Settling State's outside counsel pursuant to the calculation and any schedule created by the Fee Fund Committee.
- b. If a Settling State's outside counsel does not agree that the amount calculated in Paragraph 5 above satisfies in full amounts owed by the Settling State, then the Settling State's share shall be placed in an interest bearing escrow account (less reasonable expenses of the Fee Fund Administrator) and held unless and until the Settling State and its outside counsel agree in a signed writing to a resolution of the amount outstanding or there is a final judgment entered that is no longer appealable.
- c. Upon being provided a signed, written agreement or the final non-appealable judgment, the Fee Fund Administrator shall release monies from the State Outside Counsel Fee Fund in either the amount held by the Fee Fund Administrator, if the amount of the agreement or judgment is equal to or more than the amount held, or the amount indicated in the agreement or in the final judgment, if the amount in the agreement or judgment is less than the amount held.
- d. Nothing herein, including the amounts listed in paragraph 5 above, shall prevent a Settling State from arguing in any proceeding with its outside counsel that (a) its recovery was less than fifty (50%) percent of the recovery in the Settlement Agreement down to and including fifteen (15%) percent of the total recovery; (b) any payment should be discounted by an appropriate discount rate commensurate to the risk of the Settlement Agreement and the timeline that the Settling State is receiving its payments; (c) the settlement amount should be lower because a Settling State's amounts were reduced because a Settling State's outside counsel failed to obtain joinder from a Settling State's Subdivision(s) who(m) the outside counsel also represented;

or (d) any limitation placed by Janssen bars payment of a higher fee to outside counsel.

- e. In the event the amount due to the Settling State’s outside counsel from an escrow account is less than the total amount of funds escrowed on the account of the Settling State, the balance shall be paid to the Settling State. In no event, other than a State not being a Settling State, shall funds revert to Janssen.
- f. Amounts owed by Janssen to the State Outside Counsel Fee Fund shall be reduced and/or credited to Janssen by the amount specified in paragraph 7, below, for any Non-Settling outside counsel States.

7. **Reversion or Reduction of Amounts owed to Non-Settling States.** Amounts owed by Janssen to the State Outside Counsel Fee Fund shall be reduced on account of Non-Settling States as follows:

- a. If the State of Washington does not become a Participating State and eleven (11) of the other outside counsel States in the table below become Participating States, then the amount Janssen owes under paragraph 4 will be reduced by the State of Washington’s Fixed Amount in the table below.
- b. If ten (10) outside counsel States in the table below become Participating States, then the amount Janssen owes under paragraph 4 will be reduced by the allocated Fixed Amount in the table below for each Non-Settling State.
- c. If nine (9) or fewer of the outside counsel States in the table below become Participating States, then the amount Janssen owes under paragraph 4 will be reduced by each Non-Settling State’s allocated Fixed Amount plus half the difference between the Non-Settling State’s full share of the “Fee Amount if all OC States Join” and the Fixed Amount for each Non-Settling State.
