TUESDAY, JANUARY 3, 2023
THROUGH
SUNDAY, APRIL 30, 2023

LEGISLATIVE COUNCIL
STATE CAPITOL
BISMARCK, NORTH DAKOTA 58505

PREFACE

This is the final version of the computerized Bill Status and Subject Index used during the 2023 legislative session.

The 68th Legislative Assembly met in regular session from Tuesday, January 3, 2023, through Sunday, April 30, 2023.

The titles of bills in this report are from bills as voted on in the house of origin. The Century Code Sections Affected Report identifies sections contained in bills as introduced. The Subject Index entries refer to the measures as introduced but entries are updated as bills passed in the house of origin.

There were 990 bills and resolutions introduced during the 2023 legislative session and 628 passed both chambers. Out of the total 990 bills and resolutions, there were 932 bills, 56 concurrent resolutions, and 2 memorial resolutions.

Of 932 bills introduced, there were 540 House bills and 392 Senate bills. There were 590 bills passed, 338 House bills and 252 Senate bills. There were 25 House concurrent resolutions and 13 Senate concurrent resolutions passed by both houses. Both memorial resolutions (1 House and 1 Senate) passed.

Of the 590 bills presented to the Governor, 583 bills were signed into law. The Governor vetoed seven bills and made one line item veto that did not affect the entire bill. Two of the Governor's vetoes were overridden by the Legislative Assembly. Thus, 585 bills will, or have, become law.

The "HJ" and "SJ" references in this report are to the pages in the House and Senate journals where a particular action can be found.
