

POLICY #14
p. 1 of 1

Subject **Property Owner Applicants**
Adopted **7/21/2006; 11/17/1995**

The Committee will consider any person who participates in the management of a petroleum storage tank, including leasing tanks to another person for operation, to be a tank owner for purposes of Fund eligibility determination.

Absent language in the deed of sale specifically stating otherwise, transfer of tank ownership is presumed to accompany transfer of property ownership.
