## **PPA 395 Independent Study in Plant Pathology (1-4 Hours)**

## **Research Contract**

In order to receive credit for PPA 395, students and their research mentors must complete a contract. *If* a contract is not completed and approved **each** semester by the add/drop date, you will be dropped from this class. If a draft contract is not approved, we will contact you and/or your research mentor about necessary revisions.

Academic session in which the research will take place:

| (Circle one)  | Fall                  | Spring                | 4-week                     | 8-week   | YEAR:   |      |

Complete page 2 and submit it with this contract.

**Description of the proposed research work**: Prepare this description in consultation with your mentor. The description must include, in brief, (1) the hypothesis or aim underlying the project, (2) types of experiments or activities to be performed, (3) types of data to be taken, (4) types of data analysis, and (5) how the data relate to the hypothesis or aim of the project. You may attach an extra sheet if necessary.
