 QUARANTINE* **ISOLATION***
[AS 18.15.385(d) or equivalent local ordinance]

Petitioner Name: _____
Petitioner Title: _____
Petitioner Agency: _____

1. I am the petitioner named above. I am authorized to petition the court on behalf of
 the Alaska Department of Health Services, Division of Public Health
 the following municipality or municipal agency:

The local ordinance that authorizes this application is:

2. I ask the court for an order to quarantine isolate Respondent for _____ days, because this is the least restrictive alternative necessary to prevent the spread of a contagious or possibly contagious disease. I also request a hearing on this petition:
 within 48 hours. _____.

3. A medical officer from the State of Alaska or local municipality determined that Respondent
 has or may have was exposed to or may have been exposed to
this contagious disease: _____.

4. Respondent poses a significant risk to the public health.
*[If the following box is checked, this petition **must** be signed by a medical officer.]*
 An emergency (24-hour) administrative order was issued pursuant to
 AS 18.15.385(e). _____.
Emergency action was necessary to prevent the transmission to others of a disease that poses a significant risk to the public health.

*AS 18.15.395 Definitions:

- "Quarantine" applies to "individuals who may have been exposed to a contagious or possibly contagious disease and who do not show signs or symptoms of a contagious disease."
- "Isolation" applies to individuals who are "infected or reasonably believed to be infected with a contagious or possibly contagious disease."

NOTE: You may use this petition to request both types of physical separation (for example, in the event that Respondent must switch from quarantine to isolation during the separation period), however, you must make clear the *current* status of Respondent's infection or exposure in sections 3, 10, and 12 of this form, as well as the accompanying affidavit.

5. Testing, screening, examination, treatment, or related procedures

are not necessary. are necessary as follows:

8. Respondent or Respondent's legal guardian:

does not consent to quarantine or isolation.

cannot be reached to give consent to quarantine or isolation.

lacks the capacity to consent or object to quarantine or isolation, because:

9. Respondent is unable or unwilling to behave so as not to expose other people to infection.

10. Respondent is currently quarantined in isolation at this location:

Respondent is not currently quarantined or in isolation. I request that the court order a peace officer to deliver Respondent to the premises described in section 11 for quarantine or isolation until a hearing is held.

11. The premises subject to quarantine or isolation are as follows:

Respondent will be confined to home at this address:

Instead of home, Respondent will be confined to the premises at this address:

because these exceptional circumstances prevent confinement at Respondent's home:

12. Quarantine Isolation should be required starting on:
Date: _____ Time: _____

13. When isolating or quarantining Respondent, the State or Municipality will adhere to the following conditions and standards:¹

- a. Isolation and quarantine will be by the least restrictive means necessary to prevent the spread of a contagious or possibly contagious disease that poses a significant and immediate risk to public health.
- b. Isolation and quarantine may include confinement to private homes or other private and public premises. Unless there are exceptional circumstances that would jeopardize public health, Respondent will be allowed to choose confinement in Respondent's home.
- c. If isolated, Respondent will be confined separately from quarantined persons.
- d. If quarantined, and Respondent subsequently becomes infected or is reasonably believed to have become infected with a contagious or possibly contagious disease, Respondent will be promptly removed to isolation.
- e. The health status of Respondent will be monitored regularly to determine whether continued isolation or quarantine is required.
- f. Any isolation and quarantine order will be immediately terminated when Respondent poses no substantial risk of transmitting a contagious or possibly contagious disease to other persons. The court will be promptly notified of the termination date and time.
- g. The needs of Respondent shall be addressed in a systematic and competent fashion, including, but not limited to, providing adequate food, clothing, shelter, means of external communication, medication, and competent medical care.
- h. Premises will be maintained in a safe and hygienic manner and designed to minimize the likelihood of further transmission of infection or other harms to Respondent.
- i. To the extent possible, Respondent's cultural and religious beliefs will be considered in addressing Respondent's needs, and in establishing and maintaining the premises.
- j. Any adverse effects on Respondent's family of isolating or quarantining Respondent will be considered, and appropriate arrangements made to mitigate these effects.
