Case Number _____

I filed the attached petition in the Alaska Superior Court asking for a guardian to be appointed for the child named in the petition. Attached is a Notice of Hearing on the petition. I believe the child named above may be an Indian child as defined in the Indian Child Welfare Act (ICWA), but I have not been able to determine:

the identity of the child's tribe. I am sending this to you, as required by § 1912(a) of ICWA, so you can attempt to provide notice to the child's tribe within the next 15 days. Please let me know if you are able to identify the tribe.

the location of the child's parent. Name of Parent: _____
Last Known Address: _____
This Parent's Tribe or Possible Tribe: _____
I am sending this to you, as required by § 1912(a) of ICWA, so you can attempt to provide notice to the child's parent within the next 15 days. Please let me know if you are able to locate this parent.

Thank you for your assistance.
