Livestock Weighted Average Report for 1/2/2025 - Final

**AUCTION**

	This Week	Last Reported 12/19/2024	Last Year
<b>Total Receipts:</b>	5,109	4,250	4,712
<b>Feeder Cattle:</b>	5,109(100.0%)	4,250(100.0%)	4,712(100.0%)

Compared to two weeks ago: Feeder steers under 700 lbs 10.00 to 15.00 higher, instances to 20.00 higher, over 700 lbs 5.00 to 10.00 higher. Feeder heifers 10.00 to 15.00 higher, instances to 20.00 higher. Very good demand for this very large offering of spring born calves, along with a big offering of backgrounded yearlings. The market was extremely active as cattle feeders have a very bullish mindset, as cash fed cattle simmers just under the 200.00 mark, nearly 6.00 over the CME Live Cattle futures. The market was very active on the big feedyard bound cattle, and was even more active on the lighter weight cattle as those are much harder to come by. The quality today was very attractive, flesh condition was mostly moderate to moderate plus. Buyers were willing to chase the greener cattle a long ways but were willing to tolerate a little flesh if the quality and kind was right. Next week expecting 5,500 feeders and starting at 9:00 am. Supply included: 100% Feeder Cattle (62% Steers, 38% Heifers). Feeder cattle supply over 600 lbs was 88%.

**FEEDER CATTLE**

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
