* Fall admission only

** Applicants admitted to the fall admission program may register for ELIN or ENGL courses in the spring semester prior to registration in graduate courses starting in the fall, as prerequisites here must be completed prior to the start of graduate courses.
  This is applicable only to those applicants whose English placement scores mandate registering for these English-language courses.

***All prerequisite courses must be completed before registering for any graduate courses.

When submitting original/hard copy documents by postal mail, you are advised to do so through registered mail to allow you access to track the delivery of the documents. AUC is not responsible for tracking the arrival of any documents. You may post to the following address but be sure to include your full name and AUC ID number. Address the package to the attention of the Office of Graduate Admissions and expect their confirmation upon receipt.
