This consortium agreement is between Austin Peay State University (Home school) and _____ (Host school). The Agreement is set forth to comply with Federal and State regulations concerning consortium agreements. APSU will confirm the student to be in an eligible program of study, disburse financial aid, monitor Satisfactory Academic Progress and report enrollment to the National Student Loan Clearinghouse. The Host school agrees not to award Federal financial aid and will inform APSU of any scholarships or other resources that might be provided to this student for the enrollment period of the agreement.

General Requirements and Information

- The financial aid office at your host school must document your registration, tuition and fees and room and board costs. They must also sign this form.
- You must be enrolled and accepted for admission as a degree seeking student at APSU. You must enroll as a “transient” student at the host school.
- You are required to enroll for a minimum of 6 credit hours at APSU for the entire term (this does not include summer terms) in order to receive financial aid. Consortiums will not be processed for students who are not enrolled for a minimum of 6 credit hours at APSU during the fall or spring terms, unless you meet one of the exceptions listed in our online information.
 - If you are a participant in a 2+2 program partnership between a two-year school and APSU, you would not need to be enrolled in a minimum of 6 credit hours at APSU. Please ensure that your Host school representative indicates this with the check box on the next page.
- An APSU academic advisor or Registrar Office staff must certify coursework at the host institution is applicable to your APSU degree plan.
- You must maintain Satisfactory Academic Progress (SAP) guidelines for APSU. Courses taken at the host school will be treated the same as APSU courses for SAP.
- You will be required to send an academic transcript to the Admissions Office at APSU upon completion of the term of this agreement. A hold will be placed on future financial aid until the transcript is received and reviewed.
- You are responsible for any refunds or repayments that might be required if you drop or withdraw from classes. It is your responsibility to report changes in your enrollment, during the term of the consortium, to APSU.
- Financial aid will be disbursed according to the APSU disbursement schedule. Consortiums can cause delays in disbursement.
- It is your responsibility to pay all charges due to the Host school. Tuition and fees are typically due at the host school prior to financial aid being disbursed to your account at APSU, and it is your responsibility to pay your host school.
- You understand and authorize APSU and the host school to share information about your educational records.

I agree to the terms and conditions of this Consortium Agreement. To the best of my knowledge, all information contained herein is accurate. I understand failure to comply with any conditions above could result in termination of the agreement.
