NECCO, INC.,

Appellant,

v.

DEPARTMENT OF AGRICULTURE,

Respondent.

Paul Sipple, President, and Nancy Mongeur of NECCO, Inc., Waitsfield, VT, appearing for Appellant.

Vince Vukelich, Office of the General Counsel, Department of Agriculture, Milwaukee, WI, counsel for Respondent.

DANIELS, Board Judge (Chairman).

ORDER

The Department of Agriculture contracted with NECCO, Inc. to replace the roof of a building in the Green Mountain and Finger Lakes National Forests. NECCO claimed that it was entitled to payment of \$1308 in addition to the contract price. The contracting officer determined that payment of only \$725.99 was appropriate. NECCO appealed her decision, maintaining that it should also receive the \$582.01 not allowed by the contracting officer.

The parties have settled the case and have asked the Board to dismiss it.

Accordingly, the case is **DISMISSED**.
