

UNITED STATES
CIVILIAN BOARD OF CONTRACT APPEALS

November 1, 2018

CBCA 6059-RELO

In the Matter of DANIEL REA

Daniel Rea, APO Area Europe, Claimant.

Ilona M. Keller, Human Resources Specialist, Civilian Personnel Directorate, Department of the Army, APO Area Europe, appearing for Department of the Army.

GOODMAN, Board Judge.

Claimant has requested reconsideration of our decision, dated October 15, 2018, denying his claim for reimbursement of costs incurred during a permanent change of station move. Mere disagreement with a decision is not a sufficient ground for seeking reconsideration. Rule 407. In his request for reconsideration, claimant has raised a new argument concerning a provision in the agency's employee handbook. An argument which could have been submitted previously, before the record was closed, is not a sufficient ground for reconsideration. *Susan M. Spillman*, CBCA 1619-TRAV, 10-1 BCA ¶ 34,401.

Further, while the Board's decision mentioned the provision in the agency's employee handbook cited by claimant, we did not rely upon that provision to resolve the claim. Claimant's request for reconsideration is denied.
