NOTICE OF REQUIRED ACTION PURSUANT TO QUARANTINE

Owner: All owners of livestock and poultry within California that temporarily do not have access to rendering services.

Address: Throughout California

You are hereby notified that the State Veterinarian has imposed a Quarantine pursuant to Food and Agricultural Code, Section 9562 on the following population of animals or animal product:

Description of Population of Animals or Animal Product: Livestock and poultry mortality not contaminated with CDFA Reportable Conditions* including avian influenza
(*https://www.cdfa.ca.gov/ahfss/animal_health/pdfs/ca_reportable_disease_list_poster.pdf)

Location of animals: Farms and ranches throughout CA where mortality pick-up and processing has been refused by a licensed renderer due to lack of capacity, condition of the carcass, or operational problems.

Reason for Quarantine:

This Quarantine is imposed because the population of animals or animal product described above may be infected or infested, has been exposed to a condition that could transmit an illness that could kill or seriously damage other animals or humans, or may be at risk for such exposure.

Condition: Decomposing carcasses limited to mortality that cannot be safely handled by rendering and are free from CDFA reportable conditions.

This Quarantine is imposed in the circumstances of natural disaster, whether occurring or imminent, or a declared emergency.

Required Action: Pursuant to Food and Agricultural Code, Section 9562 and Title 3, California Code of Regulations, Section 1301 *et seq.*, you are required to:

Hold the population of animals or animal product described above on the premises where it is now located.

Move the population of animals or animal product described above from the present location to landfill or alternative disposal options that are in compliance with other state (environmental agencies) and local laws and regulations. Poultry flocks must be free from HPAI for mortality to be moved. no later than 11:59PM a.m. / p.m. on Sept 30, 2022

The method of movement shall be _____

Cease all efforts to cause the population of animals or animal product described above to enter the State of California.

Segregate the population of animals or animal product described above from other animals or products no later than _____ a.m. / p.m. on _____

The method of segregation shall be _____

Isolate the population of animals or animal product described above no later than _____ a.m. / p.m. on _____

The method of isolation shall be _____

Treat the population of animals or animal product described above no later than _____ a.m. / p.m. on _____

The method of treatment shall be _____
