

City of Chandler Specifications
for
Project Signs

46-2.7.E. Construction signs required for work.

Whenever any work is being done in the City streets, easements or right of way for which approval by the City of a traffic control plan is required, the person or persons performing such work shall maintain at the site of such work at all times during which any such work is being done, signage meeting the requirements set forth below and providing information to the public as follows:

1. If the work will take one (1) week or longer to perform such signage shall:
 - (a) Be installed so that the bottom of the sign is at least seven (7) feet above grade, or as otherwise approved by the City Transportation Engineer;
 - (b) Be at least three-foot by five-foot in size or large enough to contain all the information required below whichever is larger.
 - (c) Be placed in such positions that they can be read by traffic from each direction.
 - (d) Be colored "construction orange" with black letters.
 - (e) Have block letters at least six inches in height;
 - (f) Contain the following information: the name of the company for whom the work is being performed; the name of the contractor actually performing the work; a general description of the work to be done; the time frame within which the work will be performed, i.e. the date work will commence and the date all work will be completed; a twenty-four-hour contact phone number where persons may speak with a representative of the company for whom the work is being performed or may leave a request to speak with such a representative and for which all calls will be returned by such a representative within twenty-four (24) hours.
2. If the work will take less than one (1) week to perform such signage shall:
 - (a) Be installed on temporary supports at an approved location;
 - (b) Be placed in such positions that they can be read by traffic from each direction.
 - (c) Be colored "construction orange" with black letters.
 - (d) Have block letters at least six (6) inches in height;
 - (e) Contain the following information: the name of the company for whom the work is being performed; a twenty-four-hour contact phone number where persons may speak with a representative of the company for whom the work is being performed or may leave a request to speak with such a representative and for which all calls will be returned by such a representative within twenty-four (24) hours
