

Patient Care Technician (PCT) Training Program

Program Information & Registration Packet

Spring 2025 – Coming Soon!

Note: Please see specific information in this packet for detailed instructions on when and how to begin completing health requirements, drug tests, CPR, criminal background checks and/or proof of insurance submission. Timing varies depending upon either entrance to or participation in the clinical component of a given program. Funds paid to Edward Corporate Health or to a personal health care provider/ source, [CastleBranch.com](https://www.castlebranch.com), insurance companies, and funds used towards CPR completion are not eligible for any sort of refund from College of DuPage if the required course(s) are not successfully completed.
