

University Career Center

The University Career Center (UCC) promotes the success of Texas Tech students and alumni by offering career development and job search resources. Individual appointments are available year-round through face-to-face and virtual methods. Common appointment topics include:

- Document Critiques (resumes, cover letters, personal statements, CVs)
- Mock Interviews (individual or panel)
- Internship & Job Search
- Career Exploration
- Salary Negotiation

Our Services

Hire Red Raiders

Hire Red Raiders is a job board and event registration system available exclusively to Texas Tech students and alumni. The platform also includes a resource library and a student employment tab featuring on-campus positions, including work-study positions.

Career Assessments

The UCC offers five online career-based assessments to help students and alumni explore majors, minors and career paths. Our team is qualified to interpret assessment results and help you explore possible career options.

Schedule a Coaching/Counseling Appointment

- ✓ Log into Raider Success Hub (success.ttu.edu)
- ✓ Click on the Teams tab
- ✓ Click on Schedule Your Appointment
- ✓ Select Career Center

Our Services

Headshots

Free professional headshots are available to both students and alumni. Walk-ins are welcome, or appointments can be scheduled through Hire Red Raiders.

Webinars & Virtual Workshops

Webinars and online workshops are available each semester and provide information on various aspects of career development including professional document creation, working a job fair, negotiating your salary and navigating the workplace successfully. A complete list can be found on our website.

Student Employment

Hire Red Raiders hosts on-campus employment opportunities, including work-study-eligible positions. Departments can set up an account to post positions and students can access these positions in a dedicated student employment tab.

Presentation Requests

The Career Center staff regularly delivers marketable skills training and professional development for classes and student organizations. To request a presentation, submit the presentation request form on our website.

College to Career

The College to Career program is an internship initiative designed to provide undergraduate students with paid internship opportunities related to their desired industry. Visit the website for more information.

Career Fairs & Events

A variety of free events are offered each semester to help students and alumni to prepare for future careers. These events include career fairs, mocktail parties, etiquette dinners and group workshops. A complete list of events and registration information can be found on our website.

Career Closet

The Career Closet is open to current students in need of business professional outfits for job and internship interviews and other professional development opportunities.

Interview Room Reservations

Students who need a quiet space for a career-related reason can reserve an Interview Room using the reservation form on the website.
