

THE BETTER FAFSA

What High School Educators and College Access Counselors Need to Know

Higher Education Opens Doors to Opportunity

The U.S. Department of Education is making transformational changes to the Free Application for Federal Student Aid (FAFSA®) form. The FAFSA form is an application that students and families need to complete to apply for federal student aid, such as federal grants, work-study funds, and loans. Completing and submitting the FAFSA form is free, and it gives students access to the largest source of financial aid to help pay for higher education.

The Better FAFSA is:

- » Simple and streamlined.
- » Easier to fill out—many people complete it in under 15 minutes.

7.1 MILLION

total students expected to be eligible for Pell Grants

665,000 more students will receive Federal Pell Grants.

Over **1.7 million more students** will receive the maximum Pell Grant.

All students will be able to access the maximum financial aid for which they are eligible.
