EXAMPLE PROJECT

In FY2021, EDA awarded **\$10,681,796 in Economic Adjustment Assistance – FY2019 Disaster Supplemental funds to support the Northern Marianas College** with the construction of two educational and workforce training facilities on Saipan, Northern Mariana Islands, to allow for academic and research dedicated to food science, plant biotechnology, entomology, and anthropometry. The construction of the Workforce Development Training Center will also help increase employment opportunities in the area, which will boost the region's workforce.

The EDA data provided herein should be viewed as a snapshot of the data available at the time of the data request and are subject to any changes, or updates as reflected within future reports and data requests. This includes, but is not limited to, revisions to the number, dollar amount, program classification and estimated impacts of specific grant awards.

All data as of 2/23/2024; State totals are based on the location of the grantee; All dollar amounts rounded.

1 Applicant estimated at the time of award.

2 Projects may be counted multiple times across themes if they align to multiple themes.
