PROGRAM	# IN STATE
Tech Hubs Strategy Development Grant	1

EXAMPLE PROJECT

In FY2022, EDA awarded **\$320,000 in American Rescue Plan Act (ARPA) – Economic Adjustment Assistance funds to support the City of Waterbury's Phase II/III Strategy, Planning, Design, and Implementation** for the Brass City Regional Food Hub, to lay the foundation for a new hub that will support opportunities for job growth and training as well as the development of economy supporting local infrastructure in Connecticut. The project places a heavy emphasis on stakeholder engagement and community support.

"I thank the EDA for providing states and local communities with the tools to accelerate the recovery from the pandemic."

Connecticut Governor Ned Lamont

The EDA data provided herein should be viewed as a snapshot of the data available at the time of the data request and are subject to any changes, or updates as reflected within future reports and data requests. This includes, but is not limited to, revisions to the number, dollar amount, program classification and estimated impacts of specific grant awards.

All data as of 2/23/2024; State totals are based on the location of the grantee; All dollar amounts rounded.

1 Applicant estimated at the time of award.

2 Projects may be counted multiple times across themes if they align to multiple themes.

3 Projects are identified as benefitting communities highly dependent on the coal industry, including those funded via the Assistance to Coal Communities program.
