

# ENVIRONMENTAL MONITORING SUMMARY

**Notice to Permittee:** The New Mexico Solid Waste Rule (SWR), 20.9.5.16 NMAC, requires annual reporting. All currently permitted landfills, landfills undertaking corrective action, and closed landfills in post-closure care are required to complete this form and attach it to the Annual Report. This form provides a summary and does not replace your complete Environmental Monitoring reports to be submitted to the Solid Waste Bureau in accordance with permit requirements. Completed forms must be submitted through the online reporting system. If you have questions regarding online reporting, please contact:
