Subpart A - [Reserved]

Subpart B - Availability of Records of the Farm Credit System Insurance Corporation

§ 1402.10 Official records of the Farm Credit System Insurance Corporation.

(a) The Farm Credit System Insurance Corporation shall, upon any request for records which reasonably describes them and is made in accordance with the provisions of this subpart, make the records available as promptly as practicable to any person, except exempt records, which include the following:

- (1) Records specifically authorized under criteria established by an Executive order to be kept secret in the interest of national defense or foreign policy and are in fact properly classified pursuant to such Executive order;
- (2) Records related solely to the internal personnel rules and practices of the Farm Credit System Insurance Corporation, including matters which are for the guidance of agency personnel;
- (3) Records which are specifically exempted from disclosure by statute;
- (4) Trade secret, commercial, proprietary, or financial information obtained from any person or organization and privileged or confidential;
- (5) Inter-agency or intra-agency memorandums or letters which would not be available by law to a private party in litigation with the Farm Credit System Insurance Corporation or in litigation in which the United States, as a real party in interest on behalf of the Farm Credit System Insurance Corporation, is a party;
- (6) Personnel and similar files, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;
- (7) Records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information:
 - (i) Could reasonably be expected to interfere with enforcement proceedings;
 - (ii) Would deprive a person of a right to a fair trial or an impartial adjudication;
 - (iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;
 - (iv) Could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority or any private institution which furnished information on a confidential basis, and, in the case of a record or information compiled by criminal law enforcement authority in the course of a criminal investigation or by an agency conducting a

lawful national security intelligence investigation, information furnished by a confidential source;

(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or

(vi) Could reasonably be expected to endanger the life or physical safety of any individual; and

(8) Records of or related to examination, operation, reports of condition and performance, or reports of or related to Farm Credit System institutions and that are prepared by, on behalf of, or for the use of the Farm Credit System Insurance Corporation.

(b) Any reasonably segregable portion of a record shall be provided to any person requesting such record after deletion of the portions which are exempt under this section.

(c) This section does not authorize withholding of information or limit the availability of records to the public, except as specifically stated in this section. This section is not authority to withhold information from Congress.

Subpart B - Availability of Records of the Farm Credit System Insurance Corporation

§ 1402.11 Current index.

The Farm Credit System Insurance Corporation will make available for public inspection and copying a current index to provide identifying information as to any matter required by 5 U.S.C. 552(a)(2)(C) to be made available or published in the **Federal Register**. Because of the anticipated infrequency of requests for material required to be indexed, it is determined that the publication of the index in the **Federal Register** is unnecessary and impracticable. However, the Farm Credit System Insurance Corporation will provide a copy of such index to a member of the public upon request therefor at a cost not in excess of the direct cost of duplication.

§ 1402.12 Identification of records requested.

A member of the public who requests records from the Farm Credit System Insurance Corporation shall provide a reasonable description of the records sought including, where possible, specific information as to dates, titles, and subject matter, so that such records may be located without undue search or inquiry. If a record is not identified by a reasonable description, the request therefor may be denied.

§ 1402.13 Request for records.

Requests for records shall be in writing and addressed to the attention of Freedom of Information Officer, Farm Credit System Insurance Corporation, McLean, Virginia 22102. A request improperly addressed will be deemed not to have been received for purposes of the 20-day time period set forth in § 1402.14(a) of this part until it is received, or would have been received, by the Freedom of Information Officer with the exercise of due diligence by Corporation personnel. Records requested in conformance with this subpart and which are not exempt records may be received in person or by mail as specified in the request. Records to be received in person will be available for inspection or copying during business hours on a regular

business day in the offices of the Farm Credit System Insurance Corporation, McLean, Virginia 22102.

[62 FR 49593, Sept. 23, 1997]

§ 1402.14 Response to requests for records.

(a) Within 20 days (excluding Saturdays, Sundays, and legal public holidays), or any extensions thereof as provided in paragraph (d) of this section, of the receipt of a request by the Freedom of Information Officer, the Freedom of Information Officer shall determine whether to comply with or deny such request and transmit a written notice thereof to the requester.

(b) Within 90 days of the receipt of a notice denying, in whole or in part, a request for records, the requester may appeal the denial. The appeal shall be in writing addressed to the Chief Financial Officer, Farm Credit System Insurance Corporation, McLean, Virginia 22102, and both the letter and envelope shall clearly be marked "FOIA Appeal." An appeal improperly addressed shall be deemed not to have been received for purposes of the 20-day time period set forth in paragraph (c) of this section until it is received, or would have been received with the exercise of due diligence by Farm Credit System Insurance Corporation personnel. You also have the right to seek dispute resolution services from the Corporation's FOIA Public Liaison, McLean, Virginia 22102, and the Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road – OGIS, College Park, Maryland, 20740-6001.

(c) Within 20 days (excluding Saturdays, Sundays, and legal public holidays), or any extension thereof as provided in paragraph (d) of this section, of the receipt of an appeal, the Farm Credit System Insurance Corporation shall act upon the appeal and place a notice of the determination thereof in writing in the mail addressed to the requester. If the determination on the appeal upholds in whole or in part the denial of the request for records, or, if a determination on the appeal has not been mailed at the end of the 20-day period or the last extension thereof, the requester is deemed to have exhausted that person's administrative remedies, giving rise to a right of review in a district court of the United States as specified in 5 U.S.C. 552(a)(4). When a determination cannot be mailed within the applicable time limit, the appeal will nevertheless be processed. In such case, upon the expiration of the time limit, the requester will be informed of the reason for the delay, of the date on which a determination may be expected to be mailed, and of that person's right to seek judicial review. The requester may be asked to forego judicial review until determination of the appeal.

(d) In "unusual circumstances," the 20-day time limit prescribed in paragraphs (a) and (c) of this section, or both, may be extended by the Freedom of Information Officer or, in the case of an appeal, by the General Counsel, provided that the total of all extensions does not exceed 10 days (excluding Saturdays, Sundays, and legal public holidays). Extensions shall be made by written notice to the requester setting forth the reasons for the extension and the date on which a determination is expected to be dispatched. As used in this paragraph, "unusual circumstances" means, but only to the extent reasonably necessary to the proper processing of the request:

(1) The need to search for and collect the requested records from facilities or other establishments that are separate from the office processing the request;

(2) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(3) The need for consultation, which shall be conducted with all practicable speed, with another agency having a substantial interest in the determination of the request or among two or more components of the agency having a substantial subject matter interest therein.

(e) A requester may obtain, upon request, expedited processing of a request for records when the requester demonstrates a "compelling need" for the information. The Freedom of Information Officer will notify the requester within 10 calendar days after receipt of such a request whether the Corporation granted expedited processing. If expedited processing was granted, the request will be processed as soon as practicable.

(1) For the purposes of this paragraph, "compelling need" means:

(i) That a failure to obtain requested records on an expedited basis could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or

(ii) With respect to a request made by a person primarily engaged in disseminating information, urgency to inform the public concerning actual or alleged Federal Government activity.

(2) A requester shall demonstrate a compelling need by a statement certified by the requester to be true and correct to the best of such person's knowledge and belief.

(3) The procedures of this paragraph (e) for expedited processing apply to both requests for information and to administrative appeals.

§ 1402.15 Business information.

(a) Business information provided to the Farm Credit System Insurance Corporation by a business submitter shall not be disclosed pursuant to a Freedom of Information Act request except in accordance with this section. The requirements of this section shall not apply if:

(1) The Farm Credit System Insurance Corporation determines that the information should not be disclosed;

(2) The information lawfully has been published or otherwise made available to the public; or

(3) Disclosure of the information is required by law (other than 5 U.S.C. 552).

(b) For the purpose of this section, the following definitions shall apply.

(1) *Business information* means trade secrets or other commercial or financial information.

(2) *Business submitter* means any person or entity which provides business information to the government.

(3) *Requester* means the person or entity making the Freedom of Information Act request.

(c)(1) The Freedom of Information Officer shall, to the extent permitted by law, provide a business submitter with prompt written notice of a request encompassing its business information whenever required under paragraph (d) of this section. Such notice shall either describe the exact nature of the business information requested or provide copies of the records or portions thereof containing the business information.

(2) Whenever the Freedom of Information Officer provides a business submitter with the notice set forth in paragraph (c)(1) of this section, the Freedom of

Information Officer shall notify the requester that the request includes information that may arguably be exempt from disclosure under 5 U.S.C. 552(b)(4) and that the person or entity who submitted the information to the Farm Credit System Insurance Corporation has been given the opportunity to comment on the proposed disclosure of information.

(d)(1) The Farm Credit System Insurance Corporation shall provide a business submitter with notice of a request whenever:

(i) The business submitter has in good faith designated the information as commercially or financially sensitive information; or

(ii) The Farm Credit System Insurance Corporation has reason to believe that the disclosure of the information may result in commercial or financial injury to the business submitter.

(2) Notice of a request for business information falling within paragraph (d)(1)(i) of this section shall be required for a period of not more than 10 years after the date of submission unless the business submitter requests and provides acceptable justification for a specific notice period of greater duration.

(3) Whenever possible, the business submitter's claim of confidentiality should be supported by a statement or certification by an officer or authorized representative of the business submitter that the information in question is in fact a trade secret or commercial or financial information that is privileged or confidential.

(e) Through the notice described in paragraph (c) of this section, the Farm Credit System Insurance Corporation shall, to the extent permitted by law, afford a business submitter a reasonable period within which it can provide the Farm Credit System Insurance Corporation with a detailed statement of any objection to disclosure. Such statement shall specify all grounds for withholding any of the information under any exemption of the Freedom of Information Act and, in the case of the exemption provided by 5 U.S.C. 552(b)(4), shall demonstrate why the information is contended to be a trade secret or commercial or financial information that is privileged or confidential. Information provided by a business submitter pursuant to this paragraph may itself be subject to disclosure under the Freedom of Information Act.

(f)(1) The Farm Credit System Insurance Corporation shall consider carefully a business submitter's objections and specific grounds for nondisclosure prior to determining whether to disclose business information. Whenever the Farm Credit System Insurance Corporation decides to disclose business information over the objection of a business submitter, the Freedom of Information Officer shall forward to the business submitter a written notice which shall include:

(i) A statement of the reasons for which the business submitter's disclosure objections were not sustained;

(ii) A description of the business information to be disclosed; and

(iii) A specified disclosure date.

(2) The notice of intent to disclose required by this paragraph shall be sent, to the extent permitted by law, within a reasonable number of days prior to the specified date upon which disclosure is intended.

(3) The Freedom of Information Officer shall send a copy of such disclosure notice to the requester at the same time the notice is sent to the business submitter.

(g) Whenever a requester brings suit seeking to compel disclosure of business information covered by paragraph (d) of this section, the Farm Credit System Insurance Corporation shall promptly notify the business submitter of such action.

Subpart C - Fees for Provision of Information

§ 1402.20 Definitions.

For the purpose of this subpart, the following definitions shall apply:

(a) *Commercial use request* means a request for information that is from or on behalf of an individual or entity seeking information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or on whose behalf the request is being made. To determine whether a request is properly classified as a commercial use request, the Farm Credit System Insurance Corporation shall determine the purpose for which the documents requested will be used. If the Farm Credit System Insurance Corporation has reasonable cause to doubt the purpose specified in the request, for which a requester will use the records sought, or where the purpose is not clear from the request itself, the Farm Credit System Insurance Corporation shall seek additional clarification before assigning the request to a specified category.

(b) *Direct costs* means those expenditures the Farm Credit System Insurance Corporation actually incurs in searching for and reproducing documents to respond to a request for information. In the case of a commercial use request, the term also means those expenditures the Farm Credit System Insurance Corporation actually incurs in reviewing documents to respond to the request. The direct cost shall include the salary of the employee performing work (the basic rate of pay for the employee plus 16 percent of that rate to cover benefits) and the cost of operating reproduction equipment. Not included in direct costs are overhead expenses such as costs of space, and heating or lighting the facility in which the records are stored.

(c) *Educational institution* means a preschool, a public or private elementary or secondary school, an institution of undergraduate higher education, an institution of graduate higher education, an institution of professional education, and an institution of vocational education that operates a program or programs of scholarly research.

(d) *Noncommercial scientific institution* refers to an institution that is not operated on a commercial, trade, or profit basis and that is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(e) *Representative of the news media* means any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term *news* means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large, and publishers of periodicals (but only in those instances when the periodicals can qualify as disseminators of "news") who make their products available for purchase or subscription by the general public. These examples are not intended to be all-inclusive. As traditional methods of news delivery evolve (e.g., electronic dissemination of newspapers through telecommunication services), such alternative media would be included in this category. "Freelance" journalists may be regarded as working for a news organization if they can demonstrate a solid basis for

expecting publication through that organization even though they are not actually employed by the organization. A publication contract would be the clearest proof that a journalist is working for a news organization, but the Farm Credit System Insurance Corporation may look to a requester's past publication record to determine whether a journalist is working for a news organization.

(f) Reproduce and reproduction mean the process of making a copy of a document necessary to respond to a request for information. Such copies take the form of paper copy, microfilm, audio-visual materials, or machine readable documentation (e.g., magnetic tape or disk), among others. The copy provided shall be in a form that is reasonably usable by requesters.

(g) Review means the process of examining documents located in response to a request for information to determine whether any portion of any document located is permitted to be withheld. It also includes processing any documents for disclosure (e.g., doing all that is necessary to prepare the documents for release). The term review does not include the time spent resolving general legal or policy issues regarding the application of exemptions. The Farm Credit System Insurance Corporation shall only charge fees for reviewing documents in response to a commercial use request.

(h) Search includes all time spent looking for material that is responsive to a request for information, including page-by-page or line-by-line identification of material within documents. Searching for material shall be done in the most efficient and least expensive manner so as to minimize the costs of the Farm Credit System Insurance Corporation and the requester. For example, a line-by-line search for responsive material should not be performed when merely reproducing an entire document would be the less expensive and the faster method of complying with a request for information. Searches may be done manually or by computer using existing programming. A "search" for material that is responsive to a request should be distinguished from a "review" of material to determine whether the material is exempt from disclosure.

§ 1402.21 Categories of requesters--fees.

There are four categories of requesters: Commercial use requesters; educational and noncommercial scientific institutions; representatives of the news media; and all other requesters.

(a) The Farm Credit System Insurance Corporation shall charge fees for records requested by or on behalf of educational institutions and noncommercial scientific institutions in an amount which equals the cost of reproducing the documents responsive to the request, excluding the costs of reproducing the first 100 pages. For a request to be included in this category, requesters must show that the request being made is authorized by and under the auspices of a qualifying institution and that the records are not sought for a commercial use but are sought in furtherance of scholarly research (if the request is from an educational institution) or scientific research (if the request is from a noncommercial scientific institution).

(b) The Farm Credit System Insurance Corporation shall charge fees for records requested by representatives of the news media in an amount which equals the cost of reproducing the documents responsive to the request, excluding the costs of reproducing the first 100 pages. For a request to be included in this category, the requester must qualify as a representative of the news media and the request must not be made for a commercial

use. A request for records supporting the news dissemination function of the requester shall not be considered to be a request that is for a commercial use.

(c) The Farm Credit System Insurance Corporation shall charge fees for records requested by persons or entities making a commercial use request in an amount that equals the full direct costs for searching for, reviewing for release, and reproducing the records sought. Commercial use requesters are not entitled to 2 hours of free search time nor 100 free pages of reproduction of documents. In accordance with § 1402.26, commercial use requesters may be charged the costs of searching for and reviewing records even if there is ultimately no disclosure of records.

(d) The Farm Credit System Insurance Corporation shall charge fees for records requested by persons or entities that are not classified in any of the categories listed in paragraphs (a), (b), or (c) of this section in an amount that equals the full reasonable direct cost of searching for and reproducing records that are responsive to the request, excluding the first 2 hours of search time and the cost of reproducing the first 100 pages of records. In accordance with § 1402.26, requesters in this category may be charged the cost of searching for records even if there is ultimately no disclosure of records, excluding the first 2 hours of search time.

(e) For purposes of the exceptions contained in this section on assessment of fees, the word pages refers to paper copies of 8-1/2" x 11" or 11" x 14". Thus, requesters are not entitled to 100 microfiche or 100 computer disks, for example. A microfiche containing the equivalent of 100 pages or a computer disk containing the equivalent of 100 pages of computer printout meets the terms of the exception.

(f) For purposes of paragraph (d) of this section, the term search time has as its basis, manual search. To apply this term to searches made by computer, the Farm Credit System Insurance Corporation will determine the hourly cost of operating the central processing unit and the operator's hourly salary plus 16 percent of that rate. When the cost of search (including the operator time and the cost of operating the computer to process a request) equals the equivalent dollar amount of 2 hours of the salary of the person performing the search, i.e., the operator, the Farm Credit System Insurance Corporation will begin assessing charges for computer search.

§ 1402.22 Fees to be charged.

(a) Generally, the fees charged for requests for records shall cover the full allowable direct costs of searching for, reproducing, and reviewing documents that are responsive to a request for information.

(b) Manual searches for records will be charged at the salary rate(s) (i.e., basic pay plus 16 percent of that rate) of the employee(s) making the search.

(c) Computer searches for records will be charged at the actual direct cost of providing the service. This will include the cost of operating the central processing unit for that portion of operating time that is directly attributable to searching for records and the operator/programmer salary apportionable to the search. A charge shall also be made for any substantial amounts of special supplies or materials used to contain, present, or make available the output of computers, based upon the prevailing levels of costs to the Farm Credit System Insurance Corporation for the type and amount of such supplies of materials that are used. Nothing in this paragraph shall be construed to entitle any person or entity, as a right, to any services in connection with

computerized records, other than services to which such person or entity may be entitled under the provisions of this subpart.

(d) Only requesters who are seeking documents for commercial use may be charged for time spent reviewing records to determine whether they are exempt from mandatory disclosure. Charges may be assessed only for the initial review; i.e., the review undertaken the first time the Farm Credit System Insurance Corporation analyzes the applicability of a specific exemption to a particular record or portion of a record. Records or portions of records withheld in full under an exemption that is subsequently determined not to apply may be reviewed again to determine the applicability of other exemptions not previously considered. The costs for such a subsequent review is assessable.

(e) Records will be reproduced at a rate of \$.15 per page. For copies prepared by computer, such as tapes or printouts, the requester shall be charged the actual cost, including operator time, of production of the tape or printout. For other methods of reproduction, the actual direct costs of producing the document(s) shall be charged.

(f) The Farm Credit System Insurance Corporation will recover the full costs of providing services such as those enumerated below when it elects to provide them:

(1) Certifying that records are true copies; or

(2) Sending records by special methods such as express mail.

(g) Remittances shall be in the form either of a personal check or bank draft drawn on a bank in the United States, or a postal money order. Remittances shall be made payable to the order of the Farm Credit System Insurance Corporation.

(h) We will not assess fees if we fail to comply with any time limit under the FOIA or these regulations, and have not timely notified the requester, in writing, that an unusual circumstance exists. If an unusual circumstance exists, and timely, written notice is given to the requester, we may be excused an additional 10 working days before fees are automatically waived under this paragraph (h).

(i) If we determine that unusual circumstances apply and more than 5,000 pages are necessary to respond to a request, we may charge fees if we provided a timely, written notice to the requester and discussed with the requester via mail, E-mail, or telephone (or made at least three good faith attempts to do so) how the requester could effectively limit the scope of the request.

(j) If a court has determined that exceptional circumstances exist, a failure to comply with time limits imposed by these regulations or FOIA shall be excused for the length of time provided by court order.

(k) A receipt for fees paid will be given upon request.

[[59 FR 24638, May 12, 1994](#), as amended at [81 FR 59437, Aug. 30, 2016](#)]

§ 1402.23 Waiver or reduction of fees.

(a) The Farm Credit System Insurance Corporation may grant a waiver or reduction of fees if the Farm Credit System Insurance Corporation determines that the disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Government, and the disclosure of the information is not primarily in the commercial interest of the requester.

(b) The Farm Credit System Insurance Corporation will not charge fees to any requester, including commercial use requesters, if the cost of collecting a fee would be

equal to or greater than the fee itself. The elements to be considered in determining the "cost of collecting a fee" are the administrative costs of receiving and recording a requester's remittance and processing the fee.

§ 1402.24 Advance payments notice.

(a) Where it is anticipated that the fees chargeable will amount to more than \$25 and the requester has not indicated in advance a willingness to pay fees as high as are anticipated, the requester shall be promptly notified of the amount of the anticipated fee or such portion thereof that can be readily estimated.

(b) If the anticipated fees exceed \$250 and if the requester has a history of promptly paying fees charged in connection with information requests, the Farm Credit System Insurance Corporation may obtain satisfactory assurances that the requester will fully pay the fees anticipated.

(c) If the anticipated fees exceed \$250 and if the requester has no history of paying fees charged in connection with information requests, the Farm Credit System Insurance Corporation may require an advance payment of fees in an amount up to the full amount anticipated.

(d) If the requester has previously failed to pay a fee charged within 30 days of the date of a billing for fees charged in connection with information requests, the Farm Credit System Insurance Corporation may require the requester to pay the fees owed, plus interest, or demonstrate that the full amount owed has been paid, and require the requester to make an advance payment of the full amount of the fees anticipated before processing a new request or a pending request from that requester.

(e) The notice of the amount of an anticipated fee or a request for an advance deposit shall include an offer to the requester to confer with identified Farm Credit System Insurance Corporation personnel to attempt to reformulate the request in a manner which will meet the needs of the requester at a lower cost.

§ 1402.25 Interest.

The Farm Credit System Insurance Corporation may begin charging interest on unpaid fees, starting on the 31st day following the day on which the bill for such fees was sent. Interest will not accrue if payment of the fees has been received by the Farm Credit System Insurance Corporation, even if said payment has not been processed. Interest will accrue at the rate prescribed in section 3717 of title 31, United States Code, and will accrue from the day on which the bill for such fees was sent.

§ 1402.26 Charges for unsuccessful searches or reviews.

The Farm Credit System Insurance Corporation may assess charges for time spent searching for records on behalf of requesters in the categories provided for in § 1402.21(c) and (d), even if there are no records that are responsive to the request or there is ultimately no disclosure of records. The Farm Credit System Insurance Corporation may assess charges for time spent reviewing records for requesters in the category provided for in § 1402.21(c) even if the records located are determined to be exempt from disclosure.

§ 1402.27 Aggregating requests.

A requester may not file multiple requests at the same time, each seeking portions of a document or documents, solely in order to avoid payment of fees. When the Farm Credit System Insurance Corporation reasonably believes that a requester, or a group of requesters acting in concert, is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, the Farm Credit System Insurance Corporation may aggregate any such requests and charge accordingly. One element to be considered in determining whether a belief would be reasonable is the time period over which the requests have occurred.

Subpart A - Administrative Collection of Claims

§ 1408.1 Authority.

The regulations of this part are issued under the Federal Claims Collection Act of 1966, as amended by the Debt Collection Act of 1982, 31 U.S.C. 3701-3719 and 5 U.S.C. 5514, and in conformity with the joint regulations issued under that Act by the General Accounting Office and the Department of Justice (joint regulations) prescribing standards for administrative collection, compromise, suspension, and termination of agency collection actions, and referral to the General Accounting Office and to the Department of Justice for litigation of civil claims for money or property owed to the United States (4 CFR parts 101-105).

§ 1408.2 Applicability.

This part applies to all claims of indebtedness due and owing to the United States and collectible under procedures authorized by the Federal Claims Collection Act of 1966, as amended by the Debt Collection Act of 1982. The joint regulations and this part do not apply to conduct in violation of antitrust laws, tax claims, claims between Federal agencies, or to any claim which appears to involve fraud, presentation of a false claim, or misrepresentation on the part of the debtor or any other party having an interest in the claim, unless the Justice Department authorizes the Farm Credit System Insurance Corporation, pursuant to 4 CFR 101.3, to handle the claim in accordance with the provisions of 4 CFR parts 101-105. Additionally, this part does not apply to Farm Credit System Insurance Corporation's premiums regulations under part 1410 of this chapter.

§ 1408.3 Definitions.

In this part (except where the term is defined elsewhere in this part), the following definitions shall apply:

(a) Administrative offset or offset, as defined in 31 U.S.C. 3701(a)(1), means withholding money payable by the United States Government to, or held by the Government for, a person to satisfy a debt the person owes the Government.

(b) Agency means a department, agency, or instrumentality in the executive or legislative branch of the Government.

(c) Claim or debt means money or property owed by a person or entity to an agency of the Federal Government. A "claim" or "debt" includes amounts due the Government from loans insured by or guaranteed by the United States and all other amounts due from fees, leases, rents, royalties, services, sales of real or personal property, overpayment, penalties, damages, interest, and fines.

(d) Claim certification means a creditor agency's written request to a paying agency to effect an administrative offset.

(e) Corporation means the Farm Credit System Insurance Corporation.

(f) Creditor agency means an agency to which a claim or debt is owed.

(g) Debtor means the person or entity owing money to the Federal Government.

(h) Hearing official means an individual who is responsible for reviewing a claim under § 1408.10.

(i) Paying agency means an agency of the Federal Government owing money to a debtor against which an administrative or salary offset can be effected.

(j) *Salary offset* means an administrative offset to collect a debt under 5 U.S.C. 5514 by deductions at one or more officially established pay intervals from the current pay account of a debtor.

§ 1408.4 Delegation of authority.

The Corporation official(s) designated by the Chairman of the Farm Credit System Insurance Corporation are authorized to perform all duties which the Chairman is authorized to perform under these regulations, the Federal Claims Collection Act of 1966, as amended, and the joint regulations issued under that Act.

§ 1408.5 Responsibility for collection.

(a) The collection of claims shall be aggressively pursued in accordance with the provisions of the Federal Claims Collection Act of 1966, as amended, the joint regulations issued under that Act, and these regulations. Debts owed to the United States, together with charges for interest, penalties, and administrative costs, should be collected in one lump sum unless otherwise provided by law. If a debtor requests installment payments, the debtor, as requested by the Corporation, shall provide sufficient information to demonstrate that the debtor is unable to pay the debt in one lump sum. When appropriate, the Corporation shall arrange an installment payment schedule. Claims which cannot be collected directly or by administrative offset shall be either written off as administratively uncollectible or referred to the General Counsel for further consideration.

(b) The Chairman, or designee of the Chairman, may compromise claims for money or property arising out of the activities of the Corporation, where the claim (exclusive of charges for interest, penalties, and administrative costs) does not exceed \$100,000. When the claim exceeds \$100,000 (exclusive of charges for interest, penalties, and administrative costs), the authority to accept a compromise rests solely with the Department of Justice. The standards governing the compromise of claims are set forth in 4 CFR part 103.

(c) The Chairman, or designee of the Chairman, may suspend or terminate the collection of claims which do not exceed \$100,000 (exclusive of charges for interest, penalties, and administrative costs) after deducting the amount of any partial payments or collections. If, after deducting the amount of any partial payments or collections, a claim exceeds \$100,000 (exclusive of charges for interest, penalties, and administrative costs), the authority to suspend or terminate rests solely with the Department of Justice. The standards governing the suspension or termination of claim collections are set forth in 4 CFR part 104.

(d) The Corporation shall refer claims to the Department of Justice for litigation or to the General Accounting Office (GAO) for claims arising from audit exceptions taken by the GAO to payments made by the Corporation in accordance with 4 CFR part 105.

§ 1408.6 Demand for payment.

(a) A total of three progressively stronger written demands at not more than 30-day intervals should normally be made upon a debtor, unless a response or other information indicates that additional written demands would either be unnecessary or futile. When necessary to protect the Government's interest, written demands may be preceded by other appropriate actions under Federal law, including immediate referral for litigation and/or administrative offset.

(b) The initial demand for payment shall be in writing and shall inform the debtor of the following:

(1) The amount of the debt, the date it was incurred, and the facts upon which the determination of indebtedness was made;

(2) The payment due date, which shall be 30 calendar days from the date of mailing or hand delivery of the initial demand for payment;

(3) The right of the debtor to inspect and copy the records of the agency related to the claim or to receive copies if personal inspection is impractical. The debtor shall be informed that the debtor may be assessed for the cost of copying the documents in accordance with § 1408.7;

(4) The right of the debtor to obtain a review of the Corporation's determination of indebtedness;

(5) The right of the debtor to offer to enter into a written agreement with the agency to repay the amount of the claim. The debtor shall be informed that the acceptance of such an agreement is discretionary with the agency;

(6) That charges for interest, penalties, and administrative costs will be assessed against the debtor, in accordance with 31 U.S.C. 3717, if payment is not received by the payment due date;

(7) That if the debtor has not entered into an agreement with the Corporation to pay the debt, has not requested the Corporation to review the debt, or has not paid the debt by the payment due date, the Corporation intends to collect the debt by all legally available means, which may include initiating legal action against the debtor, referring the debt to a collection agency for collection, collecting the debt by offset, or asking other Federal agencies for assistance in collecting the debt by offset;

(8) The name and address of the Corporation official to whom the debtor shall send all correspondence relating to the debt; and

(9) Other information, as may be appropriate.

(c) If, prior to, during, or after completion of the demand cycle, the Corporation determines to collect the debt by either administrative or salary offset, the Corporation shall follow, as applicable, the requirements for a Notice of Intent to Collect by Administrative Offset or a Notice of Intent to Collect by Salary Offset set forth in § 1408.22.

(d) If no response to the initial demand for payment is received by the payment due date, the Corporation shall take further action under this part, under the Federal Claims Collection Act of 1966, as amended, under the joint regulations (4 CFR parts 101-105), or under any other applicable State or Federal law. These actions may include reports to credit bureaus, referrals to collection agencies, termination of contracts, debarment, and salary or administrative offset.

§ 1408.7 Right to inspect and copy records.

The debtor may inspect and copy the Corporation records related to the claim. The debtor shall give the Corporation reasonable advanced notice that he/she intends to inspect and copy the records involved. The debtor shall pay copying costs unless they are waived by the Corporation. Copying costs shall be assessed pursuant to § 1402.22 of this chapter.

§ 1408.8 Right to offer to repay claim.

(a) The debtor may offer to enter into a written agreement with the Corporation to repay the amount of the claim. The acceptance of such an offer and the decision to enter into such a written agreement is at the discretion of the Corporation.

(b) If the debtor requests a repayment arrangement because payment of the amount due would create a financial hardship, the Corporation shall analyze the debtor's financial condition. The Corporation may enter into a written agreement with the debtor permitting the debtor to repay the debt in installments if the Corporation determines, in its sole discretion, that payment of the amount due would create an undue financial hardship for the debtor. The written agreement shall set forth the amount and frequency of installment payments and shall, in accordance with § 1408.12, provide for the imposition of charges for interest, penalties, and administrative costs unless waived by the Corporation.

(c) The written agreement may require the debtor to execute a confess-judgment note when the total amount of the deferred installments will exceed \$750. The Corporation shall provide the debtor with a written explanation of the consequences of signing a confess-judgment note. The debtor shall sign a statement acknowledging receipt of the written explanation. The statement shall recite that the written explanation was read and understood before execution of the note and that the debtor signed the note knowingly and voluntarily. Documentation of these procedures will be maintained in the Corporation's file on the debtor.

§ 1408.9 Right to agency review.

(a) If the debtor disputes the claim, the debtor may request a review of the Corporation's determination of the existence of the debt or of the amount of the debt. If only part of the claim is disputed, the undisputed portion should be paid by the payment due date.

(b) To obtain a review, the debtor shall submit a written request for review to the Corporation official named in the initial demand letter, within 15 calendar days after receipt of the letter. The debtor's request for review shall state the basis on which the claim is disputed.

(c) The Corporation shall promptly notify the debtor, in writing, that the Corporation has received the request for review. The Corporation shall conduct its review of the claim in accordance with § 1408.10.

(d) Upon completion of its review of the claim, the Corporation shall notify the debtor whether the Corporation's determination of the existence or amount of the debt has been sustained, amended, or canceled. The notification shall include a copy of the written decision issued by the hearing official pursuant to § 1408.10(e). If the Corporation's determination is sustained, this notification shall contain a provision which states that the Corporation intends to collect the debt by all legally available means, which may include initiating legal action against the debtor, referring the debt to a collection agency for collection, collecting the debt by offset, or asking other Federal agencies for assistance in collecting the debt by offset.

§ 1408.10 Review procedures.

(a) Unless an oral hearing is required by § 1408.23(d) the Corporation's review shall be a review of the written record of the claim.

(b) If an oral hearing is required under § 1408.23(d) the Corporation shall provide the debtor with a reasonable opportunity for such a hearing. The oral hearing, however, shall not be an adversarial adjudication and need not take the form of a formal evidentiary hearing. All significant matters discussed at the hearing, however, will be carefully documented.

(c) Any review required by this part, whether a review of the written record or an oral hearing, shall be conducted by a hearing official. In the case of a salary offset, the hearing official shall not be under the supervision or control of the Chairman of the Farm Credit System Insurance Corporation.

(d) The Corporation may be represented by legal counsel. The debtor may represent himself or herself or may be represented by an individual of the debtor's choice and at the debtor's expense.

(e) The hearing official shall issue a final written decision based on documentary evidence and, if applicable, information developed at an oral hearing. The written decision shall be issued as soon as practicable after the review but not later than 60 days after the date on which the request for review was received by the Corporation, unless the debtor requests a delay in the proceedings. A delay in the proceedings shall be granted if the hearing official determines, in his or her sole discretion, that there is good cause to grant the delay. If a delay is granted, the 60-day decision period shall be extended by the number of days by which the review was postponed.

(f) Upon issuance of the written opinion, the Corporation shall promptly notify the debtor of the hearing official's decision. Said notification shall include a copy of the written decision issued by the hearing official pursuant to paragraph (e) of this section.

§ 1408.11 Special review.

(a) An employee subject to salary offset, under subpart C of this part, or a voluntary repayment agreement, may, at any time, request a special review by the Corporation of the amount of the salary offset or voluntary repayment, based on materially changed circumstances such as, but not limited to, catastrophic illness, divorce, death, or disability.

(b) To determine whether an offset would prevent the employee from meeting essential subsistence expenses (costs incurred for food, housing, clothing, transportation, and medical care), the employee shall submit a detailed statement and supporting documents for the employee, his or her spouse, and dependents indicating:

- (1) Income from all sources;
- (2) Assets;
- (3) Liabilities;
- (4) Number of dependents;
- (5) Expenses for food, housing, clothing, and transportation;
- (6) Medical expenses; and
- (7) Exceptional expenses, if any.

(c) If the employee requests a special review under this section, the employee shall file an alternative proposed offset or payment schedule and a statement, with supporting documents, showing why the current salary offset or payments result in an extreme financial hardship to the employee.

(d) The Corporation shall evaluate the statement and supporting documents, and determine whether the original offset or repayment schedule imposes an undue financial

hardship on the employee. The Corporation shall notify the employee in writing of such determination, including, if appropriate, a revised offset or payment schedule.

§ 1408.12 Charges for interest, administrative costs, and penalties.

- (a) Except as provided in paragraph (d) of this section, the Corporation shall:
- (1) Assess interest on unpaid claims;
 - (2) Assess administrative costs incurred in processing and handling overdue claims; and
 - (3) Assess penalty charges not to exceed 6 percent a year on any part of a debt more than 90 days past due.

The imposition of charges for interest, administrative costs, and penalties shall be made in accordance with 31 U.S.C. 3717.

(b)(1) Interest shall accrue from the date of mailing or hand delivery of the initial demand for payment or the Notice of Intent to Collect by either Administrative or Salary Offset if the amount of the claim is not paid within 30 days from the date of mailing or hand delivery of the initial demand or notice.

- (2) The 30-day period may be extended on a case-by-case basis if the Corporation reasonably determines that such action is appropriate. Interest shall only accrue on the principal of the claim and the interest rate shall remain fixed for the duration of the indebtedness, except, as provided in paragraph (c) of this section, in cases where a debtor has defaulted on a repayment agreement and seeks to enter into a new agreement, or if the Corporation reasonably determines that a higher rate is necessary to protect the interests of the United States.

(c) If a debtor defaults on a repayment agreement and seeks to enter into a new agreement, the Corporation may assess a new interest rate on the unpaid claim. In addition, charges for interest, administrative costs, and penalties which accrued but were not collected under the original repayment agreement shall be added to the principal of the claim to be paid under the new repayment agreement. Interest shall accrue on the entire principal balance of the claim, as adjusted to reflect any increase resulting from the addition of these charges.

(d) The Corporation may waive charges for interest, administrative costs, and/or penalties if it determines that:

- (1) The debtor is unable to pay any significant sum toward the claim within a reasonable period of time;
- (2) Collection of charges for interest, administrative costs, and/or penalties would jeopardize collection of the principal of the claim;
- (3) Collection of charges for interest, administrative costs, or penalties would be against equity and good conscience; or
- (4) It is otherwise in the best interest of the United States, including the situation where an installment payment agreement or offset is in effect.

§ 1408.13 Contracting for collection services.

The Chairman, or designee of the Chairman, may contract for collection services in accordance with 31 U.S.C. 3718 and 4 CFR 102.6 to recover debts.

§ 1408.14 Reporting of credit information.

The Chairman, or designee of the Chairman, may disclose to a consumer reporting agency information that an individual is responsible for a debt owed to the United States. Information will be disclosed to reporting agencies in accordance with the terms and conditions of agreements entered into between the Corporation and the reporting agencies. The terms and conditions of such agreements shall specify that all of the rights and protection afforded to the debtor under 31 U.S.C. 3711(f) have been fulfilled. The Corporation shall notify each consumer reporting agency, to which a claim was disclosed, when the debt has been satisfied.

§ 1408.15 Credit report.

In order to aid the Corporation in making appropriate determinations regarding the collection and compromise of claims; the collection of charges for interest, administrative costs, and penalties; the use of administrative offset; the use of other collection methods; and the likelihood of collecting the claim, the Corporation may institute, consistent with the provisions of the Fair Credit Reporting Act (15 U.S.C. 1681, *et seq.*), a credit investigation of the debtor immediately following a determination that the claim exists.

Subpart B - Administrative Offset

§ 1408.20 Applicability.

(a) The provisions of this subpart shall apply to the collection of debts by administrative [or salary] offset under 31 U.S.C. 3716, 5 U.S.C. 5514, or other statutory or common law.

(b) Offset shall not be used to collect a debt more than 10 years after the Government's right to collect the debt first accrued, unless facts material to the Government's right to collect the debt were not known and could not reasonably have been known by the official or officials of the Government who were charged with the responsibility of discovering and collecting such debt.

(c) Offset shall not be used with respect to:

(1) Debts owed by other agencies of the United States or by any State or local government;

(2) Debts arising under or payments made under the Social Security Act, the Internal Revenue Code of 1986, as amended, or tariff laws of the United States; or

(3) Any case in which collection by offset of the type of debt involved is explicitly provided for or prohibited by another statute.

(d) Unless otherwise provided by contract or law, debts or payments which are not subject to offset under 31 U.S.C. 3716 or 5 U.S.C. 5514 may be collected by offset if such collection is authorized under common law or other applicable statutory authority.

§ 1408.21 Collection by offset.

(a) Collection of a debt by administrative [or salary] offset shall be accomplished in accordance with the provisions of these regulations, 4 CFR 102.3, and 5 CFR part 550, subpart K. It is not necessary for the debt to be reduced to judgment or to be undisputed for offset to be used.

(b) The Chairman, or designee of the Chairman, may determine that it is feasible to collect a debt to the United States by offset against funds payable to the debtor.

(c) The feasibility of collecting a debt by offset will be determined on a case-by-case basis. This determination shall be made by considering all relevant factors, including the following:

(1) The degree to which the offset can be accomplished in accordance with law. This determination should take into consideration relevant statutory, regulatory, and contractual requirements;

(2) The degree to which the Corporation is certain that its determination of the existence and amount of the debt is correct;

(3) The practicality of collecting the debt by offset. The cost, in time and money, of collecting the debt by offset and the amount of money which can reasonably be expected to be recovered through offset will be relevant to this determination; and

(4) Whether the use of offset will substantially interfere with or defeat the purpose of a program authorizing payments against which the offset is contemplated. For example, under a grant program in which payments are made in advance of the grantee's performance, the imposition of offset against such a payment may be inappropriate.

(d) The collection of a debt by offset may not be feasible when there are circumstances which would indicate that the likelihood of collection by offset is less than probable.

(e) The offset will be effected 31 days after the debtor receives a Notice of Intent to Collect by Administrative Offset (or Notice of Intent to Collect by Salary Offset if the offset is a salary offset), or upon the expiration of a stay of offset, unless the Corporation determines under § 1408.24 that immediate action is necessary.

(f) If the debtor owes more than one debt, amounts recovered through offset may be applied to them in any order. Applicable statutes of limitation would be considered before applying the amounts recovered to any debts owed.

§ 1408.22 Notice requirements before offset.

(a) Except as provided in § 1408.24, the Corporation will provide the debtor with 30 calendar days' written notice that unpaid debt amounts shall be collected by administrative [or salary] offset (Notice of Intent to Collect by Administrative [or Salary] Offset) before the Corporation imposes offset against any money that is to be paid to the debtor.

(b) The Notice of Intent to Collect by Administrative [or Salary] Offset shall be delivered to the debtor by hand or by mail and shall provide the following information:

(1) The amount of the debt, the date it was incurred, and the facts upon which the determination of indebtedness was made;

(2) In the case of an administrative offset, the payment due date, which shall be 30 calendar days from the date of mailing or hand delivery of the Notice;

(3) In the case of a salary offset:

(i) The Corporation's intention to collect the debt by means of deduction from the employee's current disposable pay account until the debt and all accumulated interest is paid in full; and

(ii) The amount, frequency, proposed beginning date, and duration of the intended deductions;

(4) The right of the debtor to inspect and copy the records of the Corporation related to the claim or to receive copies if personal inspection is impractical. The debtor shall be informed that he/she shall be assessed for the cost of copying the documents in accordance with § 1408.7 of this part;

(5) The right of the debtor to obtain a review of, and to request a hearing, on the Corporation's determination of indebtedness, the propriety of collecting the debt by offset, and, in the case of salary offset, the propriety of the proposed repayment schedule (i.e., the percentage of disposable pay to be deducted each pay period). The debtor shall be informed that to obtain a review, the debtor shall deliver a written request for a review to the Corporation official named in the Notice, within 15 calendar days after the debtor's receipt of the Notice. In the case of a salary offset, the debtor shall also be informed that the review shall be conducted by an official arranged for by the Corporation who shall be a hearing official not under the control of the Chairman of the Farm Credit System Insurance Corporation, or an administrative law judge;

(6) That the filing of a petition for hearing within 15 calendar days after receipt of the Notice will stay the commencement of collection proceedings;

(7) That a final decision on the hearing (if one is requested) will be issued at the earliest practical date, but not later than 60 days after the filing of the written request for review unless the employee requests, and the hearing official grants, a delay in the proceedings;

(8) The right of the debtor to offer to enter into a written agreement with the Corporation to repay the amount of the claim. The debtor shall be informed that the acceptance of such an agreement is discretionary with the Corporation;

(9) That charges for interest, penalties, and administrative costs shall be assessed against the debtor, in accordance with 31 U.S.C. 3717, if payment is not received by the payment due date. The debtor shall be informed that such assessments must be made unless excused in accordance with the Federal Claims Collection Standards (4 CFR parts 103 and 104);

(10) The amount of accrued interest and the amount of any other penalties or administrative costs which may have been added to the principal debt;

(11) That if the debtor has not entered into an agreement with the Corporation to pay the debt, has not requested the Corporation to review the debt, or has not paid the debt prior to the date on which the offset is to be imposed, the Corporation intends to collect the debt by administrative [or salary] offset or by requesting other Federal agencies for assistance in collecting the debt by offset. The debtor shall be informed that the offset shall be imposed against any funds that might become available to the debtor, until the principal debt and all accumulated interest and other charges are paid in full;

(12) The date on which the offset will be imposed, which shall be 31 calendar days from the date of mailing or hand delivery of the Notice. The debtor shall be informed that the Corporation reserves the right to impose an offset prior to this date if the Corporation determines that immediate action is necessary;

(13) That any knowingly false or frivolous statements, representations, or evidence may subject the debtor to:

- (i) Penalties under the False Claims Act, 31 U.S.C. 3729 through 3731, or any other applicable statutory authority;
 - (ii) Criminal penalties under 18 U.S.C. 286, 287, 1001, and 1002, or any other applicable statutory authority; and, with regard to employees,
 - (iii) Disciplinary procedures appropriate under 5 U.S.C. chapter 75; 5 CFR part 752, or any other applicable statute or regulation;
 - (14) The name and address of the Corporation official to whom the debtor shall send all correspondence relating to the debt or the offset;
 - (15) Any other rights and remedies available to the debtor under statutes or regulations governing the program for which the collection is being made;
 - (16) That unless there are applicable contractual or statutory provisions to the contrary, amounts paid on or deducted for the debt, which are later waived or found not owed to the United States, will be promptly refunded to the employee; and
 - (17) Other information, as may be appropriate.
- (c) When the procedural requirements of this section have been provided to the debtor in connection with the same debt or under some other statutory or regulatory authority, the Corporation is not required to duplicate those requirements before effecting offset.

§ 1408.23 Right to review of claim.

- (a) If the debtor disputes the claim, the debtor may request a review of the Corporation's determination of the existence of the debt, the amount of the debt, the propriety of collecting the debt by offset, and in the case of salary offset, the propriety of the proposed repayment schedule. If only part of the claim is disputed, the undisputed portion should be paid by the payment due date.
- (b) To obtain a review, the debtor shall submit a written request for review to the Corporation official named in the Notice of Intent to Collect by Administrative [or Salary] Offset within 15 calendar days after receipt of the notice. The debtor's written request for review shall state the basis on which the claim is disputed and shall specify whether the debtor requests an oral hearing or a review of the written record of the claim. If an oral hearing is requested, the debtor shall explain in the request why the matter cannot be resolved by a review of the documentary evidence alone.
- (c) The Corporation shall promptly notify the debtor, in writing, that the Corporation has received the request for review. The Corporation shall conduct its review of the claim in accordance with § 1408.10.
- (d) The Corporation's review of the claim, under this section, shall include providing the debtor with a reasonable opportunity for an oral hearing if:
- (1) An applicable statute authorizes or requires the Corporation to consider waiver of the indebtedness, the debtor requests waiver of the indebtedness, and the waiver determination turns on an issue of credibility or veracity; or
 - (2) The debtor requests reconsideration of the debt and the Corporation determines that the question of the indebtedness cannot be resolved by reviewing the documentary evidence; for example, when the validity of the debt turns on an issue of credibility or veracity.
- (e) A debtor waives the right to a hearing and will have his or her debt offset in accordance with the proposed offset schedule if the debtor:

(1) Fails to file a written request for review within the timeframe set forth in paragraph (b) of this section, unless the Corporation determines that the delay was the result of circumstances beyond his or her control; or

(2) Fails to appear at an oral hearing of which he or she was notified unless the hearing official determines that the failure to appear was due to circumstances beyond the employee's control.

(f) Upon completion of its review of the claim, the Corporation shall notify the debtor whether the Corporation's determination of the existence or amount of the debt has been sustained, amended, or canceled. The notification shall include a copy of the written decision issued by the hearing official, pursuant to § 1408.10(e). If the Corporation's determination is sustained, this notification shall contain a provision which states that the Corporation intends to collect the debt by offset or by requesting other Federal agencies for assistance in collecting the debt.

(g) When the procedural requirements of this section have been provided to the debtor in connection with the same debt or under some other statutory or regulatory authority, the Corporation is not required to duplicate those requirements before effecting offset.

§ 1408.24 Waiver of procedural requirements.

(a) The Corporation may impose offset against a payment to be made to a debtor prior to the completion of the procedures required by this part, if:

(1) Failure to impose the offset would substantially prejudice the Government's ability to collect the debt; and

(2) The timing of the payment against which the offset will be imposed does not reasonably permit the completion of those procedures.

(b) The procedures required by this part shall be complied with promptly after the offset is imposed. Amounts recovered by offset, which are later found not to be owed to the Government, shall be promptly refunded to the debtor.

§ 1408.25 Coordinating offset with other Federal agencies.

(a)(1) Any creditor agency which requests the Corporation to impose an offset against amounts owed to the debtor shall submit to the Corporation a claim certification which meets the requirements of this paragraph. The Corporation shall submit the same certification to any agency that the Corporation requests to effect an offset.

(2) The claim certification shall be in writing. It shall certify the debtor owes the debt and that all of the applicable requirements of 31 U.S.C. 3716 and 4 CFR part 102 have been met. If the intended offset is to be a salary offset, a claim certification shall instead certify that the debtor owes the debt and that the applicable requirements of 5 U.S.C. 5514 and 5 CFR part 550, subpart K, have been met.

(3) A certification that the debtor owes the debt shall state the amount of the debt, the factual basis supporting the determination of indebtedness, and the date on which payment of the debt was due. A certification that the requirements of 31 U.S.C. 3716 and 4 CFR part 102 have been met shall include a statement that the debtor has been sent a Notice of Intent to Collect by Administrative Offset at least 31 calendar days prior to the date of the intended offset or a statement that pursuant to 4 CFR 102.3(b)(5) said Notice was not required to be sent. A certification that the

requirements of 5 U.S.C. 5514 and 5 CFR part 550, subpart K, have been met shall include a statement that the debtor has been sent a Notice of Intent to Collect by Salary Offset at least 31 calendar days prior to the date of the intended offset or a statement that pursuant to 4 CFR 102.3(b)(5) said Notice was not required to be sent.

(b)(1) The Corporation shall not effect an offset requested by another Federal agency without first obtaining the claim certification required by paragraph (a) of this section. If the Corporation receives an incomplete claim certification, the Corporation shall return the claim certification with notice that a claim certification which complies with the requirements of paragraph (a) of this section must be submitted to the Corporation before the Corporation will consider effecting an offset.

(2) The Corporation may rely on the information contained in the claim certification provided by a requesting creditor agency. The Corporation is not authorized to review a creditor agency's determination of indebtedness.

(c) Only the creditor agency may agree to enter into an agreement with the debtor for the repayment of the claim. Only the creditor agency may agree to compromise, suspend, or terminate collection of the claim.

(d) The Corporation may decline, for good cause, a request by another agency to effect an offset. Good cause includes that the offset might disrupt, directly or indirectly, essential Corporation operations. The refusal and the reasons shall be sent in writing to the creditor agency.

§ 1408.26 Stay of offset.

(a)(1) When a creditor agency receives a debtor's request for inspection of agency records, the offset is stayed for 10 calendar days beyond the date set for the record inspection.

(2) When a creditor agency receives a debtor's offer to enter into a repayment agreement, the offset is stayed until the debtor is notified as to whether the proposed agreement is acceptable.

(3) When a review is conducted, the offset is stayed until the creditor agency issues a final written decision.

(b) When offset is stayed, the amount of the debt and the amount of any accrued interest or other charges will be withheld from payments to the debtor. The withheld amounts shall not be applied against the debt until the stay expires. If withheld funds are later determined not to be subject to offset, they will be promptly refunded to the debtor.

(c) If the Corporation is the creditor agency and the offset is stayed, the Corporation will immediately notify an offsetting agency to withhold the payment pending termination of the stay.

§ 1408.27 Offset against amounts payable from Civil Service Retirement and Disability Fund.

The Corporation may request that monies payable to a debtor from the Civil Service Retirement and Disability Fund be administratively offset to collect debts owed to the Corporation by the debtor. The Corporation must certify that the debtor owes the debt, the amount of the debt, and that the Corporation has complied with the requirements set forth in this part, 4 CFR 102.3, and the Office of Personnel Management regulations. The request shall be

submitted to the official designated in the Office of Personnel Management regulations to receive the request.

Subpart C - Offset Against Salary

§ 1408.35 Purpose.

The purpose of this subpart is to implement section 5 of the Debt Collection Act of 1982 (Pub. L. 97-365 (5 U.S.C. 5514)), which authorizes the collection of debts owed by Federal employees to the Federal Government by means of salary offsets. These regulations provide procedures for the collection of a debt owed to the Government by the imposition of a salary offset against amounts payable to a Federal employee as salary. These regulations are consistent with the regulations on salary offset published by the Office of Personnel Management, codified in 5 CFR part 550, subpart K. Since salary offset is a type of administrative offset, the requirements of subpart B also apply to salary offsets.

§ 1408.36 Applicability of regulations.

(a) These regulations apply to the following cases:

(1) Where the Corporation is owed a debt by an individual currently employed by another agency;

(2) Where the Corporation is owed a debt by an individual who is currently employed by the Corporation; or

(3) Where the Corporation currently employs an individual who owes a debt to another Federal agency. Upon receipt of proper certification from the creditor agency, the Corporation will offset the debtor-employee's salary in accordance with these regulations.

(b) These regulations do not apply to the following:

(1) Debts or claims arising under the Internal Revenue Code of 1986, as amended (26 U.S.C. 1 *et seq.*); the Social Security Act (42 U.S.C. 301 *et seq.*); the tariff laws of the United States; or to any case where collection of a debt by salary offset is explicitly provided for or prohibited by another statute (e.g., travel advances in 5 U.S.C. 5705 and employee training expenses in 5 U.S.C. 4108).

(2) Any adjustment to pay arising from an employee's election of coverage or a change in coverage under a Federal benefits program requiring periodic deductions from pay if the amount to be recovered was accumulated over four pay periods or less.

(3) A claim which has been outstanding for more than 10 years after the creditor agency's right to collect the debt first accrued, unless facts material to the Government's right to collect were not known and could not reasonably have been known by the official or officials charged with the responsibility for discovery and collection of such debts.

§ 1408.37 Definitions.

In this subpart, the following definitions shall apply:

(a) Agency means:

(1) An executive agency as defined by 5 U.S.C. 105, including the United States Postal Service and the United States Postal Rate Commission;

- (2) A military department as defined in 5 U.S.C. 102;
- (3) An agency or court of the judicial branch, including a court as defined in 28 U.S.C. 610, the District Court for the Northern Mariana Islands, and the Judicial Panel on Multi-district Litigation;
- (4) An agency of the legislative branch, including the United States Senate and the United States House of Representatives; or
- (5) Other independent establishments that are entities of the Federal Government.

(b) *Disposable pay* means, for an officially established pay interval, that part of current basic pay, special pay, incentive pay, retired pay, retainer pay, or, in the case of an employee not entitled to basic pay, other authorized pay remaining after the deduction of any amount required by law to be withheld. The Corporation shall allow the deductions described in 5 CFR 581.105(b) through (f).

(c) *Employee* means a current employee of the Corporation or other agency, including a current member of the Armed Forces or Reserve of the Armed Forces of the United States.

(d) *Waiver* means the cancellation, remission, forgiveness, or nonrecovery of a debt allegedly owed by an employee to the Corporation or another agency as permitted or required by 5 U.S.C. 5584 or 8346(b), 10 U.S.C. 2774, 32 U.S.C. 716, or any other law.

§ 1408.38 Waiver requests and claims to the General Accounting Office.

(a) The regulations contained in this subpart do not preclude an employee from requesting a waiver of an overpayment under 5 U.S.C. 5584 or 8346(b), 10 U.S.C. 2774, 32 U.S.C. 716, or in any way questioning the amount or validity of a debt by submitting a subsequent claim to the General Accounting Office in accordance with the procedures prescribed by the General Accounting Office.

(b) These regulations also do not preclude an employee from requesting a waiver pursuant to other statutory provisions pertaining to the particular debts being collected.

§ 1408.39 Procedures for salary offset.

(a) The Chairman, or designee of the Chairman, shall determine the amount of an employee's disposable pay and the amount to be deducted from the employee's disposable pay at regular pay intervals.

(b) Deductions shall begin within three official pay periods following the date of mailing or delivery of the Notice of Intent to Collect by Salary Offset.

(c)(1) If the amount of the debt is equal to or is less than 15 percent of the employee's disposable pay, such debt should be collected in one lump-sum deduction.

(2) If the amount of the debt is not collected in one lump-sum deduction, the debt shall be collected in installment deductions over a period of time not greater than the anticipated period of employment. The size and frequency of installment deductions will bear a reasonable relation to the size of the debt and the employee's ability to pay. However, the amount deducted from any pay period will not exceed 15 percent of the employee's disposable pay for that period, unless the employee has agreed in writing to the deduction of a greater amount.

(3) A deduction exceeding the 15-percent disposable pay limitation may be made from any final salary payment pursuant to 31 U.S.C. 3716 in order to liquidate the debt, whether the employee is being separated voluntarily or involuntarily.

(4) Whenever an employee subject to salary offset is separated from the Corporation and the balance of the debt cannot be liquidated by offset of the final salary check pursuant to 31 U.S.C. 3716, the Corporation may offset any later payments of any kind against the balance of the debt.

(d) In instances where two or more creditor agencies are seeking salary offsets against current employees of the Corporation or where two or more debts are owed to a single creditor agency, the Corporation, at its discretion, may determine whether one or more debts should be offset simultaneously within the 15-percent limitation. Debts owed to the Corporation should generally take precedence over debts owed to other agencies.

§ 1408.40 Refunds.

(a) In instances where the Corporation is the creditor agency, it shall promptly refund any amounts deducted under the authority of 5 U.S.C. 5514 when:

(1) The debt is waived or otherwise found not to be owed to the United States (unless expressly prohibited by statute or regulations); or

(2) An administrative or judicial order directs the Corporation to make a refund.

(b) Unless required or permitted by law or contract, refunds under this section shall not bear interest.

§ 1408.41 Requesting current paying agency to offset salary.

(a) To request a paying agency to impose a salary offset against amounts owed to the debtor, the Corporation shall provide the paying agency with a claim certification which meets the requirements set forth in § 1408.25(a) of this part. The Corporation shall also provide the paying agency with a repayment schedule determined under the provisions of § 1408.39 or in accordance with a repayment agreement entered into with the debtor.

(b) If the employee separates from the paying agency before the debt is paid in full, the paying agency shall certify the total amount collected on the debt. A copy of this certification shall be sent to the employee and a copy shall be sent to the Corporation. If the paying agency is aware that the employee is entitled to payments from the Civil Service Retirement and Disability Fund, or other similar payments, it must provide written notification to the agency responsible for making such payments that the debtor owes a debt (including the amount) and that the provisions of this section have been fully complied with. However, the Corporation must submit a properly certified claim to the agency responsible for making such payments before the collection can be made.

(c) When an employee transfers to another paying agency, the Corporation is not required to repeat the due process procedures set forth in 5 U.S.C. 5514 and this part to resume the collection. The Corporation shall, however, review the debt upon receiving the former paying agency's notice of the employee's transfer to make sure the collection is resumed by the new paying agency.

(d) If a special review is conducted pursuant to § 1408.11 and results in a revised offset or repayment schedule, the Corporation shall provide a new claim certification to the paying agency.

§ 1408.42 Responsibility of the Corporation as the paying agency.

(a) When the Corporation receives a claim certification from a creditor agency, deductions should be scheduled to begin at the next officially established pay interval. The Corporation shall send the debtor written notice which provides:

- (1) That the Corporation has received a valid claim certification from the creditor agency;
- (2) The date on which salary offset will begin;
- (3) The amount of the debt; and
- (4) The amount of such deductions.

(b) If, after the creditor agency has submitted the claim certification to the Corporation, the employee transfers to a different agency before the debt is collected in full, the Corporation must certify the total amount collected on the debt. The Corporation shall send a copy of this certification to the creditor agency and a copy to the employee. If the Corporation is aware that the employee is entitled to payments from the Civil Service Retirement Fund and Disability Fund, or other similar payments, it shall provide written notification to the agency responsible for making such payments that the debtor owes a debt (including the amount).

§ 1408.43 Nonwaiver of rights by payments.

An employee's involuntary payment of all or any portion of a debt being collected under this subpart shall not be construed as a waiver of any rights the employee may have under 5 U.S.C. 5514 or any other provisions of a written contract or law unless there are statutory or contractual provisions to the contrary.

- (b) *Average principal outstanding* means the average annual principal outstanding on a daily basis using balances as of the close of each day. (f) Loan means any extension of credit or lease resulting from direct negotiations between a lender and a borrowing entity that is recorded as an asset of an insured bank, a direct lending association, or an other financing institution. The term "loan" includes loans, contracts of sale, notes receivable, and other similar obligations and lease financings. The term "loan" includes loans originated through direct negotiations between the insured bank, direct lending association, or other financing institution and a borrowing entity and loans or interests in loans purchased from another lender. (ii) It has been classified "loss" as a result of a periodic credit evaluation and has not been charged off; or,

(iii) The loan is severely past due and is not adequately secured, in process of collection, and fully collectible with respect to all principal and interest.

(2) For the purposes of determining whether a loan is considered as accrual or nonaccrual under this part, all loans on which a borrowing entity, or a component of a borrowing entity, is primarily obligated to the institution shall be considered as one loan unless a review of all pertinent facts supports a reasonable determination that a particular loan constitutes an independent credit risk and such determination is adequately documented in the loan file.

(h) Other financing institution means any bank, company, institution, corporation, union, or association described in section 1.7(b)(1)(B) of the Act.

(1) The premium payment for the 3rd Quarter 2008 (defined for purposes of this section as the period from July 1, 2008 through September 30, 2008) and the premium payment for the 4th Quarter 2008 (defined for purposes of this section as the period October 1, 2008 through December 31, 2008) shall be equal to 25 percent of the amount computed by applying the premium calculation formulas contained in sections 5.55 and 5.56 of the Act (unless reduced by the Corporation acting under section 5.55(a)(3) of the Act or under paragraph (d) of this section) to the insured bank during the 3rd Quarter 2008 or 4th Quarter 2008, respectively.

(2) In accord with paragraph (b)(1) of this section, the premium payment for the 3rd Quarter 2008 (having been reduced by the Corporation acting under section 5.55(a)(3) of the Act) shall be equal to 25 percent of the following amount:

(i) The average outstanding insured obligations issued by the bank for the period, after deducting from the obligations the percentages of the guaranteed portions of loans and investments described in section 5.55(a)(2) of the Act, multiplied by 0.0015; and

(A) The sum of--

(A) The sum of--

(1) The average principal outstanding for the period on loans made by the bank (computed in accord with section 5.55 of the Act) that are in nonaccrual status; and

(2) The average amount outstanding for the period of other-than-temporarily impaired investments made by the bank (computed in accord with section 5.55 of the Act);

(B) By 0.0010.

(d) *Secure base amount.* In addition to the Corporation's authority to reduce premiums under section 5.55(a)(3) of the Act, upon reaching the secure base amount determined by the Corporation in accordance with section 5.55 of the Act, the annual premium to be paid by each insured bank, computed in accordance with paragraphs (b) and (c) of this section, shall be reduced by a percentage determined by the Corporation so that the aggregate of the premiums payable by all of the Farm Credit banks for the following calendar year is sufficient to ensure that the Insurance Fund balance is maintained at not less than the secure base amount. The Corporation shall announce any such percentage no later than December 31 of the year prior to the January in which such premiums are to be paid.

Certified statements shall be considered to have been filed and payments made in a timely manner if they are received on or before January 31 following the end of the calendar year on which the certified statement is based.

(b) *Premiums as obligations of insured banks.* Premiums required to be paid by § 1410.3 are obligations of the insured banks, and are to be paid at the times required by this section, regardless of whether the insured bank has assessed and collected any assessments under section 1.12 of the Act.

[56 FR 3201, Jan. 29, 1991; 56 FR 10302, Mar. 11, 1991; 74 FR 17374, Apr. 15, 2009]

§ 1410.5 Delinquent premium payments and premium overpayments.

(a) *Delinquent payments.* Each insured bank shall pay to the Corporation interest on delinquent premium payments. All premiums will be considered delinquent if they are received after the time for payment specified in § 1410.4 of this part, including late payments caused by bank errors in the certified statement. The interest rate will be the

United States Treasury Department's current value of funds rate, which is issued under the Treasury Fiscal Requirements Manual (TFRM rate) and published quarterly in the **Federal Register**. The interest rate will be determined as follows:

(1) Current year.

(i) For delinquent days occurring on or prior to March 31, the rate will be the TFRM rate that is published in the preceding December.

(ii) For delinquent days occurring from April 1 to June 30, the rate will be the TFRM rate that is published in March for the second quarter of the year.

(iii) For delinquent days occurring from July 1 to September 30, the rate will be the TFRM rate that is published in June for the third quarter.

(iv) For delinquent days occurring from October 1 to December 31, the rate will be the TFRM rate that is published in September for the fourth quarter.

(2) Prior years. The interest will be calculated quarterly and compounded annually at the rates applicable for each quarter as issued under the TFRM. For the initial year, the rate will be applied to the gross amount of the delinquent payment. For each additional year or portion thereof the rate will be applied to the net amount of the delinquent payment after it has been reduced by any premium credit under paragraph (c) of this section.

(b) Other rights and remedies. Payment of the interest specified in paragraph (a) of this section does not affect any other rights and remedies available to the Corporation.

(c) Overpayments. To the extent that any payment by a bank exceeds the required amount:

(1) The excess shall be credited against future premium payments by the bank which overpaid; or,

(2) (i) Upon written request to the Corporation by the bank which overpaid, the excess shall be refunded to the bank within 30 days of receipt of the written request; and

(ii) If the Corporation fails to make a refund within such 30-day period, and the Corporation determines that a refund is in order, the Corporation shall pay to the bank interest on the amount of the overpayment, from the end of such 30-day period through the date the refund is issued.

§ 1410.6 Certified statements.

(a) Forms. The certified statements required to be filed by insured banks under the provisions of section 5.56 of the Act shall be filed with the Corporation. The certified statement forms will be furnished to all insured banks by, or may be obtained from, the Corporation.

(b) Amendments to certified statements. In the event of an amendment or correction of a previously submitted certified statement, the amending insured bank shall resubmit to the Corporation the appropriate certified statement along with a letter of explanation regarding the amendment or correction.

§ 1412.1 Scope.

(a) This part limits and/or prohibits, in certain circumstances, the ability of Farm Credit System (System) institutions, their service corporations, subsidiaries and affiliates from making golden parachute and indemnification payments to institution-related parties (IRPs).

(b) This part applies to System institutions in a troubled condition that seek to make golden parachute payments to their IRPs.

(c) The limitations on indemnification payments apply to all System institutions, their service corporations, subsidiaries and affiliates regardless of their financial health.

§ 1412.2 Definitions.

(a) Act or Farm Credit Act means Farm Credit Act of 1971 (12 U.S.C. 2002(a)), as amended by the Farm Credit System Reform Act of 1996, amending 12 U.S.C. 2277a-10.

(b) Farm Credit System institution or System institution means any “institution” enumerated in section 1.2 of the Act including, but not limited to, associations, banks, service corporations, the Federal Farm Credit Banks Funding Corporation, the Farm Credit Leasing Services Corporation and their subsidiaries and affiliates, as well as, the Federal Agricultural Mortgage Corporation and its subsidiaries and affiliates, as described in 12 U.S.C. 2279aa-1(a).

(c) Benefit plan means any plan, contract, agreement or other arrangement which is an “employee welfare benefit plan” as that term is defined in section 3(1) of the Employee Retirement Income Security Act of 1974, as amended (29 U.S.C. 1002(1)), or other usual and customary plans such as dependent care, tuition reimbursement, group legal services or other benefits provided under a cafeteria plan sponsored by the System institution; provided however, that such term shall not include any plan intended to be subject to paragraph (f)(2)(iii), (vii) and (viii) of this section.

(d) Bona fide deferred compensation plan or arrangement means any plan, contract, agreement or other arrangement whereby:

(1) An IRP voluntarily elects to defer all or a portion of the reasonable compensation, wages or fees paid for services rendered which otherwise would have been paid to such party at the time the services were rendered (including a plan that provides for the crediting of a reasonable investment return on such elective deferrals) and the System institution either:

(i) Recognizes compensation expense and accrues a liability for the benefit payments according to generally accepted accounting principles (GAAP); or

(ii) Segregates or otherwise sets aside assets in a trust which may only be used to pay plan and other benefits, except that the assets of such trust may be available to satisfy claims of the System institution’s creditors in the case of insolvency; or

(2) The System institution establishes a nonqualified deferred compensation or supplemental retirement plan, other than an elective deferral plan described in paragraph (d)(1) of this section:

(i) Primarily for the purpose of providing benefits for certain IRPs in excess of the limitations on contributions and benefits imposed by sections 415, 401(a)(17), 402(g) or any other applicable provision of the Internal Revenue Code of 1986 (26 U.S.C. 415, 401(a)(17), 402(g)); or

(ii) Primarily for the purpose of providing supplemental retirement benefits or other deferred compensation for a select group of directors, management or highly compensated employees (excluding severance payments described in paragraph (f)(2)(v) of this section and permissible golden parachute payments described in § 1412.5); and

(3) In the case of any nonqualified deferred compensation or supplemental retirement plans as described in paragraphs (d)(1) and (2) of this section, the following requirements shall apply:

(i) The plan was in effect at least 1 year prior to any of the events described in paragraph (f)(1)(ii) of this section;

(ii) Any payment made pursuant to such plan is made in accordance with the terms of the plan as in effect no later than 1 year prior to any of the events described in paragraph (f)(1)(ii) of this section and in accordance with any amendments to such plan during such 1 year period that do not increase the benefits payable thereunder;

(iii) The IRP has a vested right, as defined under the applicable plan document, at the time of termination of employment to payments under such plan;

(iv) Benefits under such plan are accrued each period only for current or prior service rendered to the employer (except that an allowance may be made for service with a predecessor employer);

(v) Any payment made pursuant to such plan is not based on any discretionary acceleration of vesting or accrual of benefits which occurs at any time later than 1 year prior to any of the events described in paragraph (f)(1)(ii) of this section;

(vi) The System institution has previously recognized compensation expense and accrued a liability for the benefit payments according to GAAP or segregated or otherwise set aside assets in a trust which may only be used to pay plan benefits, except that the assets of such trust may be available to satisfy claims of the System institution's creditors in the case of insolvency; and

(vii) Payments pursuant to such plans shall not be in excess of the accrued liability computed in accordance with GAAP.

(e) *Corporation or FCSIC* mean the Farm Credit System Insurance Corporation, in its corporate capacity.

(f) *Golden parachute payment.* (1) The term "golden parachute payment" means any payment (or any agreement to make any payment) in the nature of compensation by any System institution for the benefit of any current or former IRP pursuant to an obligation of such System institution that:

(i) Is contingent on the termination of such party's primary employment or relationship with the System institution; and

(ii) Is received on or after, or is made in contemplation of, any of the following events:

(A) The insolvency (or similar event) of the System institution which is making the payment or bankruptcy or insolvency (or similar event) of the service corporation, subsidiary or affiliate which is making the payment; or

(B) The System institution is assigned a composite rating of 4 or 5 by the FCA; or

(C) The appointment of any conservator or receiver for such System institution; or

(D) A determination by the Corporation, that the System institution is in a troubled condition, as defined in paragraph (m) of this section; and

(iii) Is payable to an IRP whose employment by or relationship with a System institution is terminated at a time when the System institution by which the IRP is employed or related satisfies any of the conditions enumerated in paragraphs (f)(1)(ii)(A) through (D) of this section, or in contemplation of any of these conditions.

(2) *Exceptions.* The term "golden parachute payment" shall not include:

(i) Any payment made pursuant to a pension or retirement plan which is qualified (or is intended within a reasonable period of time to be qualified) under section 401 of the Internal Revenue Code of 1986 (26 U.S.C. 401); or

(ii) Any payment made pursuant to a benefit plan as that term is defined in paragraph (c) of this section; or

(iii) Any payment made pursuant to a “bona fide” deferred compensation plan or arrangement as defined in paragraph (d) of this section; or

(iv) Any payment made by reason of death or by reason of termination caused by the disability of IRP; or

(v) Any severance or similar payment which is required to be made pursuant to a state statute or foreign law which is applicable to all employers within the appropriate jurisdiction (with the exception of employers that may be exempt due to their small number of employees or other similar criteria); or

(vi) Any other payment which the Corporation determines to be permissible in accordance with § 1412.6, on permissible indemnification payments; or

(vii) Any payment made pursuant to a nondiscriminatory severance pay plan or arrangement that provides for payment of severance benefits to all eligible employees upon involuntary termination other than for cause, voluntary resignation, or early retirement. Furthermore, such severance pay plan or arrangement shall not have been adopted or modified to increase the amount or scope of severance benefits at a time when the System institution was in a condition specified in paragraph (f)(1)(ii) of this section or in contemplation of such a condition without the prior written consent of the FCA; or in lieu of a payment made pursuant to this paragraph;

(viii) Any payment made pursuant to a severance pay plan or arrangement that provides severance benefits upon involuntary termination other than for cause, voluntary resignation, or early retirement. No employee shall receive any payment under this subpart which exceeds the base compensation paid to such employee during the 12 months (or longer period or greater benefit as the Corporation shall consent to) immediately preceding termination of employment. Furthermore, such severance pay plan or arrangement shall not have been adopted or modified to increase the amount or the scope of the severance benefits at a time when the System institution was in a condition specified in paragraph (f)(1)(ii) of this section or in contemplation of such a condition without the written approval of the FCA.

(g) The FCA means the Farm Credit Administration.

(h) Institution-related party (IRP) means:

(1) Any director, officer, employee, or controlling stockholder (other than another Farm Credit System institution) of, or agent for a System institution;

(2) Any stockholder (other than another Farm Credit System institution), consultant, joint venture partner, and any other person as determined by the FCA (by regulation or case-by-case) who participates in the conduct of the affairs of a System institution; and

(3) Any independent contractor (including any attorney, appraiser, or accountant) who knowingly or recklessly participates in any violation of any law or regulation, any breach of fiduciary duty, or any unsafe or unsound practice, which caused or is likely to cause more than a minimal financial loss to, or a significant adverse effect on, the System institution.

(i) Liability or legal expense means:

(1) Any legal or other professional fees and expenses incurred in connection with any claim, proceeding, or action;

(2) The amount of, and any cost incurred in connection with, any settlement of any claim, proceeding, or actions; and

(3) The amount of, any cost incurred in connection with, any judgment or penalty imposed with respect to any claim, processing, or action.

(j) *Nondiscriminatory* means that the plan, contract or arrangement in question applies to all employees of a System institution who meet reasonable and customary eligibility requirements applicable to all employees, such as minimum length of service requirements. A nondiscriminatory plan, contract or arrangement may provide different benefits based only on objective criteria such as salary, total compensation, length of service, job grade or classification, which are applied on a proportionate basis, with a modest disparity in severance benefits relating to any one criterion of 20 percent.

(k) *Payment* means:

(1) Any direct or indirect transfer of any funds or any asset;

(2) Any forgiveness of any debt or other obligation;

(3) The conferring of benefits in the nature of compensation, including but not limited to stock options and stock appreciation rights; or

(4) Any segregation of any funds or assets, the establishment or funding of any trust or the purchase of or arrangement for any letter of credit or other instrument, for the purpose of making, or pursuant to any agreement to make, any payment on or after the date on which such funds or assets are segregated, or at the time of or after such trust is established or letter of credit or other instrument is made available, without regard to whether the obligation to make such payment is contingent on:

(i) The determination, after such date, of the liability for the payment of such amount; or

(ii) The liquidation, after such date, of the amount of such payment.

(l) *Prohibited indemnification payment.* (1) The term “prohibited indemnification payment” means any payment (or any agreement or arrangement to make any payment) by any System institution for the benefit of any person who is or was an IRP of such System institution, to pay or reimburse such person for any civil money penalty or judgment resulting from any administrative or civil action instituted by the FCA, or any other liability or legal expense with regard to any administrative proceeding or civil action instituted by the FCA which results in a final order or settlement pursuant to which such person:

(i) Is assessed a civil money penalty;

(ii) Is removed from office or prohibited from participating in the conduct of the affairs of the institution; or

(iii) Is required to cease and desist from or take any affirmative action with respect to such institution.

(2) *Exceptions.* (i) The term “prohibited indemnification” payment shall not include any reasonable payment by a System institution which is used to purchase any commercial insurance policy or fidelity bond, provided that such insurance policy or bond shall not be used to pay or reimburse an IRP for the cost of any judgment or civil money penalty assessed against such person in an administrative proceeding or civil action commenced by the FCA, but may pay any legal or professional expenses incurred in connection with such proceeding or action or the amount of any restitution to the System institution or receiver.

(ii) The term “prohibited indemnification payment” shall not include any reasonable payment by a System institution that represents partial indemnification for legal or professional expenses specifically attributable to particular charges for which there has been a formal and final adjudication or finding in connection with a settlement that the IRP has not violated certain FCA laws or regulations or has not engaged in certain unsafe or unsound practices or breaches of fiduciary duty, unless the administrative action or civil proceedings has resulted in a final prohibition order against the IRP.

(m) *Troubled condition* means a System institution that:

(1) Is subject to a cease-and-desist order or written agreement issued by the FCA that requires action to improve the financial condition of the System institution or is subject to a proceeding initiated by the FCA which contemplates the issuance of an order that requires action to improve the financial condition of the institution, unless otherwise informed in writing by the FCA; or

(2) Is unable to make a timely payment of principal or interest on any insured obligation (as defined in section 5.51(3) of the Farm Credit Act; 12 U.S.C. 2277a(3)); or

(3) Is receiving assistance as described in section 5.61 of the Farm Credit Act, 12 U.S.C. 2277a-10; or

(4) Is unable to make timely payment of principal or interest on debt obligations issued under the authority of section 8.6(e)(2) of the Farm Credit Act; 12 U.S.C. 2279aa-6(e)(2) or is unable to fulfill the guarantee obligations provided under section 8.6 of the Farm Credit Act; 12 U.S.C. 2279aa-6; or

(5) Is informed in writing by the Corporation that it is in a “troubled condition” for purposes of the requirements of this subpart on the basis of the System institution’s most recent report of condition or report of examination or other information available to the Corporation.

§ 1412.3 Golden parachute payments prohibited.

No System institution shall make or agree to make any golden parachute payment, except as provided in this part.

§ 1412.4 Prohibited indemnification payments.

No System institution shall make or agree to make any prohibited indemnification payment, except as provided in this part.

§ 1412.5 Permissible golden parachute payments.

(a) A System institution may agree to make or may make a golden parachute payment if and to the extent that:

(1) The FCA, with the written concurrence of the Corporation, determines that such a payment or agreement is permissible; or

(2) Such an agreement is made in order to hire a person to become an IRP either at a time when the System institution satisfies or in an effort to prevent it from imminently satisfying any of the criteria set forth in § 1412.2(f)(1)(ii), and the FCA and the Corporation consent in writing to the amount and terms of the golden parachute payment. Such consent by the Corporation and the FCA shall not improve the IRP’s position in the event of the insolvency of the institution since such consent can neither bind a receiver nor affect the provability of receivership claims. In the event that the institution is placed into receivership or conservatorship, the Corporation and/or the FCA shall not be obligated to pay the promised golden parachute and the IRP shall not be accorded preferential treatment on the basis of such prior approval; or

(3) Such a payment is made pursuant to an agreement which provides for a reasonable severance payment, not to exceed 18-months’ salary, to an IRP in the event of a change in control of the System institution; provided, however, that the System institution shall obtain the consent of the FCA prior to making such a payment and this paragraph (a)(3) shall not apply to any change in control of System institution which results from an assisted transaction as

described in section 5.61 of the Farm Credit Act; 12 U.S.C. 2277a-10 or the System institution being placed into conservatorship or receivership; and

(4) A System institution or IRP making a request pursuant to paragraphs (a)(1) through (3) of this section shall demonstrate that it is not aware of any information, evidence, documents or other materials which would indicate that there is a reasonable basis to believe, at the time such payment is proposed to be made, that:

(i) The IRP has committed any fraudulent act or omission, breach of trust or fiduciary duty, or insider abuse with regard to the System institution that has had or is likely to have a material adverse effect on the institution;

(ii) The IRP is substantially responsible for the insolvency of, the appointment of a conservator or receiver for, or the troubled condition, as defined by applicable regulations concerning the System institution;

(iii) The IRP has materially violated any applicable Federal or state law or regulation that has had or is likely to have a material effect on the System institution; and

(iv) The IRP has violated or conspired to violate section 215, 657, 1006, 1014, or 1344 of title 18 of the United States Code or section 1341 or 1343 of such title affecting a Farm Credit System institution.

(b) In making a determination under paragraphs (a)(1) through (3) of this section the FCA and the Corporation may consider:

(1) Whether, and to what degree, the IRP was in a position of managerial or fiduciary responsibility;

(2) The length of time the IRP was affiliated with the System institution, and the degree to which the proposed payment represents reasonable compensation earned over the period of employment and reasonable payment for services rendered; and

(3) Any other factors or circumstances which would indicate that the proposed payment would be contrary to the intent of the Act or this part.

§ 1412.6 Permissible indemnification payments.

(a) A System institution may make or agree to make reasonable indemnification payments to an IRP with respect to an administrative proceeding or civil action initiated by the FCA if:

(1) The System institution's board of directors, in good faith, determines in writing after due investigation and consideration that the IRP acted in good faith and in a manner he/she believed to be in the best interests of the institution;

(2) The System institution's board of directors, in good faith, determines in writing after due investigation and consideration that the payment of such expenses will not materially adversely affect the institution's safety and soundness;

(3) The indemnification payments do not constitute prohibited indemnification payments as that term is defined in § 1412.2(1); and

(4) The IRP agrees in writing to reimburse the System institution, to the extent not covered by payments from insurance or bonds purchased pursuant to § 1412.2(1)(2), for that portion of the advanced indemnification payments which subsequently become prohibited indemnification payments, as defined herein.

(b) An IRP requesting indemnification payments shall not participate in any way in the board's discussion and approval of such payments; provided, however, that such IRP may present his/her request to the board and respond to any inquiries from the board concerning

his/her involvement in the circumstances giving rise to the administrative proceeding or civil action.

(c) In the event that a majority of the members of the board of directors are named as respondents in an administrative proceeding or civil action and request indemnification, the remaining members of the board may authorize independent legal counsel to review the indemnification request and provide the remaining members of the board with a written opinion of counsel as to whether the conditions delineated in paragraph (a) of this section have been met. If independent legal counsel opines that said conditions have been met, the remaining members of the board of directors may rely on such opinion in authorizing the requested indemnification.

(d) In the event that all of the members of the board of directors are named as respondents in an administrative proceeding or civil action and request indemnification, the board shall authorize independent legal counsel to review the indemnification request and provide the board with a written opinion of counsel as to whether the conditions delineated in paragraph (a) of this section have been met. If independent legal counsel opines that said conditions have been met, the board of directors may rely on such opinion in authorizing the requested indemnification.

§ 1412.7 Filing instructions.

Requests to make excess nondiscriminatory severance plan payments and permitted golden parachute payments shall be submitted in writing to the FCA and the Corporation. The request shall be in letter form and shall contain all relevant factual information as well as the reasons why such approval should be granted.

§ 1412.8 Application in the event of receivership.

The provisions of this part or any consent or approval granted under the provisions of this part by the Corporation (in its corporate capacity), shall not in any way bind any receiver of a failed System institution. Any consent or approval granted under the provisions of this part by the Corporation or the FCA shall not in any way obligate such agency or receiver to pay any claim or obligation pursuant to any golden parachute, severance, indemnification or other agreement. Claims for employee welfare benefits or other benefits which are contingent, even if otherwise vested, when the Corporation is appointed as receiver for any System institution, including any contingency for termination of employment, are not provable claims or actual, direct compensatory damage claims against such receiver. Nothing in this part may be construed to permit the payment of salary or any liability or legal expense of any IRP contrary to 12 U.S.C. 2277a-10b(d).
