**Submission of Information Collection for OMB Review; Comment Request; Liability for Termination of Single-Employer Plans**

**AGENCY:** Pension Benefit Guaranty Corporation.

**ACTION:** Notice of request for extension of OMB approval of collection of information.

**SUMMARY:** The Pension Benefit Guaranty Corporation (PBGC) is requesting that the Office of Management and Budget (OMB) extend approval, under the Paperwork Reduction Act, of a collection of information contained in its regulation on Liability for Termination of Single-Employer Plans

(OMB control number 1212-0017; expires August 31, 2023). This notice informs the public of PBGC's request and solicits public comment on the collection of information.

**DATES:** Comments must be received on or before August 21, 2023 to be assured of consideration.

**ADDRESSES:** Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). All comments received will be posted without change to PBGC's website, <https://www.pbgc.gov>, including any personal information provided. Do not submit comments that include any personally identifiable information or confidential business information. Copies of the collection of information may be obtained by writing to Disclosure Division ([disclosure@pbgc.gov](mailto:disclosure@pbgc.gov)), Office of the General Counsel, Pension Benefit Guaranty Corporation, 445 12th Street SW, Washington, DC 20024-2101, or calling 202-229-4040 during normal business hours. **SUPPLEMENTARY INFORMATION:** Section 4062 of the Employee Retirement Income Security Act of 1974, as amended, provides that the contributing sponsor of a single-employer pension plan and members of the sponsor's controlled group ("the employer") incur liability ("employer liability") if the plan terminates with assets insufficient to pay benefit liabilities under the plan. PBGC's statutory lien for employer liability and the payment terms for employer liability are affected by whether and to what extent employer liability exceeds 30 percent of the employer's net worth. Section 4062.6 of PBGC's employer liability regulation (29 CFR part 4062) requires a contributing sponsor or member of the contributing sponsor's controlled group that believes employer liability upon plan termination exceeds 30 percent of the employer's net worth to so notify PBGC

and submit net worth information to PBGC. This information is necessary to enable PBGC to determine whether and to what extent employer liability exceeds 30 percent of the employer's net worth.

The collection of information under the regulation has been approved by OMB under control number 1212-0017 (expires August 31, 2023). On May 16, 2023, PBGC published in the **Federal Register** a notice (at 88 FR 31289) informing the public of its intent to request an extension of this collection of information and solicited public comment. No comments were received. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

PBGC estimates that an average of 21 contributing sponsors or controlled group members per year will respond to this collection of information. PBGC further estimates that the average annual burden of this collection of information will be 12 hours and \$5,400 per respondent, with an average total annual burden of 252 hours and \$113,400.

Issued in Washington, DC.
