# CAL POLY HUMBOLDT

# Admission Requirements

## First-Time First-Year Minimum Requirements

Cal Poly Humboldt will be utilizing a Multi-Factor Admission process to admit the incoming first-time first-year class for Fall 2023. All of the information needed to make Humboldt admission decisions will be supplied by the Cal State Apply application and high school transcripts. Graduation from high school or the equivalent is a requirement for admission to a California State University campus.

All Cal Poly Humboldt applicants will be reviewed using the following general Multi-Factor criteria:

- Completion of CSU A-G Requirements
- Weighted A-G GPA
- Documented Military and Veteran status
- Participation in educational programming such as, but not limited to, AVID, TRIO Programs, Tribal/Native American Support, and After-School programs
- Participated in Foster Youth Services

Cal Poly Humboldt will also take into consideration the following for California Residents during the admission process.

- Applicants residing in Humboldt County and Humboldt Service Region
- Applicants participating in Humboldt supported partnerships or promise programs

Non-California Residents residing within a Western Undergraduate Exchange (WUE) participating state and Non-WUE states will also be taken into consideration within the admission process.

Additional explanations regarding the Multi-Factor Admission process can be found at [admissions.humboldt.edu/freshmen](https://admissions.humboldt.edu/freshmen)

## Transfer Student Minimum Requirements

### UPPER DIVISION TRANSFERS

- Complete at least 60 transferable semester units (or 90 transferable quarter units) with a cumulative grade point average of at least 2.0, including at least 30 semester units of courses which meet the CSU general education (GE) coursework requirements.
- As part of those 30 general education semester units, you must complete, with a C- or better, all four of these subject areas (*The Golden Four*):
  - Written Communication (College English)
  - Oral Communication (Speech)
  - Critical Thinking
  - Math/Quantitative Reasoning (must be above the level of Intermediate Algebra)
- All required subjects must be completed before your first term at Humboldt.  
**If you are applying for the fall semester, summer courses cannot be used to meet requirements for admission.**
- You must be in good standing at your last college. Academic disqualification at your last college or unresolved financial holds from any college will prevent your enrollment at Humboldt.

### LOWER DIVISION TRANSFERS

Have completed fewer than 60 transferable semester (90 quarter) units and must meet the following criteria:

- have a grade point average of 2.0 (C) or better in all transferable units attempted, and
- be in good standing at the last college or university attended, and
- meet the admission requirements for first-time first-years
  - are a high school graduate, and
  - have completed with a grade of C- or better each of the college preparatory subject requirements. If you did not complete all the subject requirements in high school, appropriate college courses may be used to make up the missing subjects.

Use [assist.org](https://assist.org) if you have earned college credits from a CA community college or university and [transferology.com/school/humboldt](https://transferology.com/school/humboldt) for transfer credit information nationwide. If transferology search does not result with information, please submit information request displayed on site.

## Will I Get In?

Cal Poly Humboldt's RN-BSN Nursing program is impacted and has additional prerequisites for transfers. To learn more about impactation, check out: [admissions.humboldt.edu/impacted](https://admissions.humboldt.edu/impacted)

Please note that admission requirements are subject to change without notice.
