

Broadcast Message: PDSO/DSO and RO/ARO Annual Verification Opened Dec. 3

To: All SEVIS users

Date: Dec. 8, 2023

Number: 2312 – 01

General Information

This broadcast message serves as a reminder that the annual verification period for principal designated school officials (PDSO), designated school officials (DSO), responsible officers (RO) and alternate responsible officers (ARO) opened Sunday, Dec. 3, 2023. All Student and Exchange Visitor Program (SEVP) certified schools and U.S. Department of State designated sponsors **must complete the PDSO/DSO and RO/ARO annual verification by Saturday, March 2, 2024.**

As a federal database, the Student and Exchange Visitor Information System (SEVIS) is subject to the Federal Information Security Management Act (FISMA). FISMA requires annual review and verification that all users who access federal systems have both the business need and the authorization to access the system. To comply with FISMA, PDSOs and ROs must annually verify that every PDSO, DSO, RO, and ARO who has access to SEVIS:

- Is still employed by the organization and continues to be a PDSO, DSO, RO or ARO.
- Requires continued access to SEVIS.

Detailed instructions about the verification process are available on the [PDSO/DSO Annual Verification](#) page in the [SEVIS Help Hub](#).

Key Dates

- **Verification start date:** Sunday, Dec. 3, 2023.
- **Verification end date:** Saturday, March 2, 2024.

Consequences

Failure to complete the annual verification process by Saturday, March 2, 2024 will result in loss of SEVIS and Batch access for all unverified PDSOs, DSOs, ROs or AROs on Sunday, March 3, 2024. Access to SEVIS will be restored only after a PDSO or RO verifies their continued need for SEVIS access.

A school is considered out of compliance with record keeping and reporting regulations, if all its officials are not verified by Saturday, March 2, 2024. SEVP may take additional compliance actions against a school, up to and including withdrawal, for schools that fail to complete the verification process.

If your institution does not have a PDSO or RO, or your PDSO or RO will not be available during the verification period, please begin the process of selecting another individual to act in the capacity of a PDSO or RO.
