Broadcast Message: Follow-up: ICE continues March Guidance for Fall School Term

To: All SEVIS Users

Date: July 24, 2020

Number: 2007-02

General Information

Active F and M students, as well as schools certified by the Student and Exchange Visitor Program (SEVP) should abide by SEVP guidance originally issued in [March 2020](#). The guidance enables schools and students to engage in distance learning in excess of regulatory limits due to the public health emergency generated by COVID-19. The March 2020 guidance applies to nonimmigrant students who were actively enrolled at a U.S. school on March 9, 2020, and are otherwise complying with the terms of their nonimmigrant status, whether from inside the United States or abroad. SEVP will not issue a temporary final rule impacting F and M students for the fall school term.

Summary of March 2020 Guidance for Continuing Students

As stated in the March 2020 guidance, Active F and M students will be permitted to temporarily count online classes towards a full course of study in excess of the regulatory limits stated in 8 C.F.R. § 214.2(f)(6)(i)(G) and 8 C.F.R. § 214.2(m)(9)(v). The March 2020 guidance applies to continuing F and M nonimmigrant students who were in valid F-1 or M-1 nonimmigrant status on March 9, 2020, including those previously enrolled in entirely online classes who are outside of the United States and seeking to re-enter the country this fall. Students actively enrolled at a U.S. school on March 9, 2020, who subsequently took courses online while outside of the country can re-enter the United States, even if their school is engaged solely in distance learning.

Summary of March 2020 Guidance for Initial Students

In accordance with March 2020 guidance, F and M students in new or initial status after March 9, 2020, will not be able to enter the United States to enroll in a U.S. school as a nonimmigrant student for the fall term to pursue a full course of study that is 100 percent online. Also consistent with the [SEVP Broadcast Message dated March 9, 2020](#), designated school officials should not issue a Form I-20, "Certificate of Eligibility for Nonimmigrant Student Status," for a student in new or initial status who is outside of the United States and plans to take classes at an SEVP-certified educational institution that is operating 100 percent online.
